Horseshoe Lake

Welcome to summer

This is going to be an extraordinary camping season. There are just a few things I would like to share.

This is a family friendly campground. It was created and cultivated by the hard work, dedication and togetherness of us campers. There are many traditions within this campgrounds; Opening and Closing ceremonies, holiday weekend activities, block parties and campfires. But one of the things that is older than the dirt you're standing on is the hospitality.

We say "hi" and wave to our neighbors. We lend a hand to a neighbor in need. We watch out for all the children. This is a place where strangers become friends and friends become family. This is a place where kids can play and enjoy nature and be safe. This is not just the DSC or Horseshoe Lake. This is a community where everyone pitches in and helps to get the job done. Whether that job is to help the breakfast crew or put out the dock or help build a deck – it's what we do and have always done.

There is a lot to be done and a lot of help is needed to accomplish those tasks. Let's work together to have a fantastic camping season and make memories that will last forever. Because you know when a story starts off with "Remember that time at the campgrounds....." It's gonna be a good one.

Welcome Back!!
