DSC Hosts Wounded Warriors "Day at the Range"

October 19, 2018. A cool, crisp Fall day, saw 23 Wounded Warriors at the Outdoor Pistol Range for a day of camaraderie and shooting courtesy of DSC,

Range Safety was provided by DSC with eight Range Safety Officers in attendance. Each Warrior (and each RSO) shot as often as they wished during the warm up. Following the warm up shooting, three friendly competitions were set up for the warriors.

Glock USA, Kiesler Police Supply and organized by The Wounded Warrior Project. After the obligatory safety meeting, presentations by and for the Warriors and the hand out of Swag Bags provided by Glock USA, the shooting started with warm ups on Bay 3. Glock (thru Kiesler Police Supply) brought one (or more) of each gun in their civilian line up with steel targets and ammunition provided by The Wounded Warrior Project.

Bay 1 was the sight of the precision shooting competition. Each shooter was scored based on 5 shots at a Bullseye target. *(Continued on page 3)*

Help Wanted

Members, The DSC Board of Directors is looking for interested candidates to fill the two open Director's positions on the Board. One Director's term ends in 2019 and the other term ends in 2020. The candidates should have an open mind, be curious into the workings of the Club, have ideas and suggestions and be willing to share those ideas, and be willing to work towards those goals. No experience is necessary. If you're interested, you just need to do the following: Interested candidates must meet the following qualifications:

The competitors each shot a Glock 17 equipped with optics.

Bay 2 featured a dueling tree competition. This competition was a single elimination tournament, shot with matching Glock 19's. Bay 6 was the plate rack competition, also a single elimination tournament format, also shot with a Glock 19.

Winners of each competition were awarded prizes by Glock USA.

Cider and Donuts, provided by Yates Cider Mill was featured for breakfast, with Pizza by Passport Pizza to close the event for lunch. At the conclusion of the event, a Wounded Warrior banner, signed by all the Warriors present was presented to the Detroit Sportsmen's Congress for hosting the Day at the Range. The banner is currently being framed and will be displayed in the Range Building.

All involved agreed the event was a success and there is interest in holding more events at DSC, perhaps on the shotgun range or the Cowboy range next year.

1. Be a voting member for one full year before Feb 25, 2019 and be a member in good standing.

2. Any member interested in the position must submit a letter of intent to the DSC office, addressed to the Chairman of the Board, no later than the close of business Feb 20, 2019.

Qualified candidates will be notified of their acceptance as a candidate and be invited to attend and address the Board of Directors regarding their desire and qualifications to be a DSC Director.

Each candidate will be given three minutes to address the Board at the February 25 meeting.

Filling the two vacant positions will be the first order of business at this Board meeting.

The two candidates garnering the most votes will be elected.

A random drawing will then be done to determine which elected Director fills that open position. The first name drawn will fill the open Director position whose term ends in Dec 2019.

The second name drawn will fill the open Director position whose term ends in Dec 2020.

Thank you, Joseph Lupi

Chris has been a long time member of the DSC. He is Hunter Education lead instructor: I've been overseeing and coordinating the operation of these classes for several years. Additionally he organizes the DSC Junior Pheasant Hunt. The education committee has sponsored a pheasant hunt for the past ten years, for Juniors who score 100% on their test. It takes months of preplanning with five instructors, a guide with hunting dog, and numerous others to make this an annual success. Got snacks: Chris also maintains

the DSC range building has several vending machines (pop & snacks), coffee pots, and occasional ice-cream in the freezer in the DSC range building. To keep everyone happy and smiling while they sip and crunch, I've kept the machines operational and stocked for as long as I can remember.

Chris is also a former Board member. You can find him shooting Trap nearly every Thursday and Saturday. While enjoying the company of others, Chris is open to help shooters sharpen their Trap game. Yes, he is an NRA certified instructor and Chief Range Safety Officer. Sometimes you can see him flying Santa in a helicopter to the DSC Kids Christmas Party.

Archery Committee

Happy New Year!!! Hopefully everyone had a Merry Christmas and a safe and happy New Year. Also, the results for the Archery big buck contest are in. Tom took home the prize for biggest buck. Congratulations Tom.

35 shooters showed up for the annual Toys for Tots Archery 3D Shoot last month. We had a warm day – warm for December anyway – and collected 89 toys plus \$50 in cash donations. This was just slightly better donation than the Toys for Tots Turkey Shoot. Not that we are keeping score J, both are great events to support the cause.

The DSC JOAD team had a very good showing at the Michigan Youth Championship hosted by OCSC. In each of their classes – Stefan got 1st place, Dakota got 2nd place, Cloe and Norah each received 3rd place finishes and Julia got a 4th place. Congratulations to all and keep up the good work.

Once again there will be no winter archery outdoor 3D shoots. However, there is still time to join the indoor archery spot league which starts up on January 10th. Another opportunity is the open shooting on Friday's from 6:00 to 9:00 starting January 18th in the indoor range. Anyone who wants to get into archery or is new to the sport and wants to learn more, there is a basic archery class starting Jan 19th. It runs for 10 weeks.

First Vice President ~ Jim Estes

I have moved from director to 1st Vice President so my monthly projects and maintenance column will change slightly to grounds and planning. Every committee needs something such as more shooting bays, storage buildings, power equipment and building repairs. The gravel driveways need grading and the main parking lot needs repair. Some of the work can be addressed now and some will have to wait for the spring. I was laid up for ten weeks with open heart surgery. I would like to thank Dave Oles for taking over projects and maintenance and the work hours responsibilities in my absence. Dave and his helpers from archery and other committees installed 420 feet of fence from the range building to the barn and completed other projects that I don't know about. Dave also found work for everyone who wanted work hours. Thanks again to Dave.

SKEET & TRAP

As I sit and write this article, I keep thinking about the song “*Auld Lang Syne*”. It’s that time of year, you know, and it’s one of those festive holiday songs you always hear at the change of the calendar. ‘Auld lang syne’ roughly translates to ‘for old time’s sake’, but I think that everyone probably has their own thoughts about the meaning of the song. It truly is an odd one, seemingly full of hidden meaning! I’ve heard that it’s an old Scottish poem from the late 1700’s and that it was later set to a traditional folk song. It’s also said to have been a much older poem, but that it was first documented ‘in writing’ at that time.

There are many verses to the whole song, but we (typically) only know a few. I particularly find the first one quite confusing...

*Should auld acquaintance be forgot,
and never brought to mind?*

*Should auld acquaintance be forgot,
for the sake of auld lang syne*

What. Does. That. Mean? When they wrote the poem, were they all just sitting around the fire having 1 or 2 too many mugs of ale or what? Does it mean that we should we forget about the past... or should we remember it, so that we don’t forget it? It’s no wonder it’s traditionally sung at New Year’s after a night of adult beverages! It certainly is a corker!

For those of us in the **Skeet and Trap world**, I think it means that we should forget about our scores for 2018 and look forward to our future shooting. Whether you did well in 2018 (or not), we all have to restart afresh in 2019. You can always look back and be proud of what you’ve accomplished, but there are many new rounds (and challenges) to look forward to! So drop by the Range early... and drop by often... and start collecting that whole new set of scores... “for the sake of auld lang syne”!

NEW ‘WINTER’ HOURS at Skeet and Trap – The ranges will be open Wednesday and Thursday from 10am until 6pm (rather than the spring/summer/fall hours of 10am to 8pm). The reduced hours will be in effect until the Spring Leagues begin in late March. Weekend hours remain the same as always and the Pro Shop will still be open until 8pm on week nights.

There’s not much other news or events to report for January 2019, but be assured that there is plenty in store for the balance of the New Year! I’ll leave you with the last verse of “Auld Lang Syne”, as I find that I really like it. Maybe we should all take it a bit more to heart!

*And there’s a hand, my trusty friend! And give us a hand of yours!
And we’ll take a deep draught of good-will, For long, long ago.*

Tom Murphy is again running the Air Rifle E-Postal League this winter. This is an opportunity to get in some trigger time from the comfort of your home. Shooting is at 10 meters (32.8 ft). There are multiple Divisions to compete in. Shoot in as many Divisions as you want.

Fees: \$10 for first Division, \$5 for each additional Division.

Divisions are determined by selecting one from Column A and one from column B of each Category:

<u>Category</u>	<u>A</u>	<u>B</u>
Rifle	Commercial	Match
Sights	Optical	Iron
Position	Standing	Supported

Each score is based on 10 shots (100 - 10X possible) in the selected Division.

E-mail Tom your scores (tmurphy1596@gmail.com)

Division winners are determined by 10 best scores. Shoot as many scores as you like to improve your standing. Scores must be in by March 31.

Spread them out! Not all at once at the end!

Flyers, providing complete details, and sign-up sheets are available at the office or e-mail Tom for information.

Notable Native Americans

“Sitting Bull (1831-1890)–Warrior, Lakota Indian Chief, Medicine Man and Man of Vision”

*“Indians! There **are no Indians left** but me!”*

– Sitting Bull to a newspaper reporter

He was originally named “Jumping Badger”. Sitting Bull was born around 1831 into the *Hunkpapa* people, a *Lakota Sioux* tribe that roamed the Great Plains in what is now the Dakotas. He was initially called “Jumping Badger” by his family but earned the boyhood name **“Slow”** for his quiet and deliberate demeanor. He killed his first buffalo when he was just 10 years old. At 14, he joined a Hunkpapa raiding party and distinguished himself by knocking a Crow warrior from his horse with a tomahawk. In celebration of the boy’s bravery, his father relinquished his own name and transferred it to his son. From then on, **“Slow”** became known as **Tatanka-lyotanka**, or **“Sitting Bull”**. **He was the first man to become chief of the entire Sioux nation.** Due to his opposition of white encroachment on Sioux land, Sitting Bull’s uncle (Four Horns) campaigned to make the war chief supreme leader of all the autonomous bands of Lakota Sioux - a position that had never before existed. **Sitting Bull had a spiritual premonition of his most famous victory.** Though mainly remembered as a warrior and political leader, Sitting Bull was also a Lakota “Wichasa Wakan,” a type of holy man or Medicine Man believed to have the gift of spiritual insight and prophecy. It was during a Sun Dance ceremony in early June 1876 that he had a vision that he interpreted to mean the Sioux would soon win a great victory. A few weeks later, on June 25, the prophecy was fulfilled when Lieutenant Colonel George A. Custer’s Seventh Cavalry attacked the encampment in what became known as the **Battle of the Little Bighorn**. Spurred on by Sitting Bull’s vision, the numerically superior Indian forces surrounded the bluecoats and completely obliterated Custer’s contingent of over 200 troops. Many people have credited him with masterminding the victory, however, **Sitting Bull did not lead the Indians at the Battle of the Little Bighorn.** Energized by Sitting Bull’s

prophecy, the main heroes of the day were his nephew **White Bull** and the Oglala Lakota warrior **Crazy Horse**, who led a charge that supposedly split the soldier’s lines in two. Meanwhile, during the attack, Sitting Bull was active in protecting the camp’s women and children. He seems to have left the fighting to the younger men. **Other things you may not know about Sitting Bull:**

Sitting Bull spent four years in exile in Canada.

The U. S. Army tried to force the Indians onto reservations. Sitting Bull refused. In 1877 he led his followers across the border into Canada, “ the land of the Grandmother,” as he called Queen Victoria.

He considered Annie Oakley his adopted daughter.

Hugely impressed with her marksmanship, the two became friends after he requested a picture of her.

He toured with Buffalo Bill’s Wild West Show.

For \$50 a week, the chief donned full war attire and rode on horseback during the show’s opening ceremony.

He was killed over his supposed involvement in the “GHOST DANCE” movement.

A spiritual movement that spoke of a messiah who would bury the white man’s world under a layer of soil and allow the Indians to return to their old ways. He was killed on the morning of December 15, 1890 when reservation agent James McLaughlin dispatched a party of Lakota policemen to arrest Sitting Bull. In the commotion of dragging the 59 year old from his cabin, one of the Ghost Dancers fired a shot at the policemen, setting off a brief gun battle. In the confusion a dozen people were killed including Sitting Bull, who was shot in the head and chest.

General Membership Monthly Meeting

December 05, 2018-Clubhouse 8:00 pm

Pledge of Allegiance: R. Hegelman

Conservation Pledge: W. Saylor

Presidents Report: (W. Saylor) Life Members and past presidents were recognized. • This will be my last meeting as President. As we speak we are counting the ballots to see who will be the new President. I am somewhat sad to stop, but sometimes you have to draw a line somewhere. I have to draw the line for reasons that have nothing to do with the club. The reasons make someone think that time is passing by to do other things. This will give me some time to participate in the various venues that we have to offer. I need to take a break. I sincerely appreciate the support that I have received from all the members and the BOD.

First Vice President's Report: (R. Savo) Our outdoor activities are winding down for the winter. We will be starting on some of the inside projects that were moved to the back burner, as we move forward through the nastier months of the year. We did start a project that was determined by the health department, which was the replacement of the kitchen floor. We were able to install a really nice waterproof floor in the kitchen which should last for many years. Ironically, the health department came in just a few days later to do the health inspection. The inspector did a very thorough inspection and she told Bonnie that she was delighted with the results. • We were also able to install new fencing in front of the skeet fields. We had two teams with 5 archers and 2 people from rifle. We got the job done and it looks great. • As we move through the year, you need to let your committee chair or the BOD rep what needs to be done so we can get it to the trustees and the planning committee, even though it may be starting in the spring, we can start budgeting money for it. This has worked very well in the past, so we want to keep that program running.

Second Vice Presidents Report: (J. Rhodes) There were no incident reports filed for last month. Things seem to be moving smoothly with no safety issues noted. • We had a handicapped motorized stair rail chair installed on the steps to the basement range. The Safety Committee members were trained on the operation of this chair. Keys will be available for use by the handicapped. The keys will be in the lockers of the venues affected, and in the pro shop and the open shooting locker. (W. Saylor) Many thanks to Mr. Don Purdie who helped us acquire the commercial quality chair as well as the installation and training in its use.

Treasurers Report: (T. Doudna) Mr. Doudna thanked the members for all their support for the eight years he served as DSC Treasurer. • The results for October are that we lost \$9,798.58. Year to date we are \$78,881.20 to the good, and our debt is down to \$126,473.85. This is not so bad, because last year at this time, we were about the same financially.

Secretary's Report: (R. Hegelman) The November GM Meeting minutes are on the table by the door and in the book behind the bar, as are the October BOD Meeting minutes.

Trustees Report: (D. Burnett) The budgets came in on time and have been reviewed and returned to the venues.

Chairman's Report: (C. Salo) Mr. Salo listed off the motions from the last BOD meeting. • Mr. Salo recognized Mr. Klauza for all his work with the rifle range. The rifle range court is now named for Mr. Klauza.

Operations Manager Report: (B. Palmer) The DSC Scholarship packets will be available from the office starting on January 1. The Scholarship program is available for member's children, grandchildren, and DSC Junior members. The applications need to be returned to the office by April 1.

Member of the Month: Chris Tomkow.

New Members: Dave Costello

Directors Reports:

Archery: (D. Oles) The December "Toys for Tots" shoot went very well. We had 35-shooters; 89-toys were collected and we received \$50 in donations. • Outdoor archery shooting is closed for the season. • The next archery event is the indoor spot league. It starts on January 10 from 5:30-8:30 pm on Thursdays. • Beginning/basic archery begins January 19. That will be on Saturdays from 11 am-1:30 pm.

Black Powder: (J. Reidner) • We are shooting in the basement range on Monday evenings. We are still having our mini rendezvous on Tuesdays from 10am-2pm. • We are having our first Woods Walk this Sunday. We will be having our committee meeting on the third Wednesday of this month @ 7pm in the clubhouse.

Camping: (R. Plante) The Campground is closed, nothing to report.

Clubhouse: (C. Tonegatto-Salo) The Kids Christmas Party will be December 15; right now we have 40 kids signed up. We are allowed to spend no more than \$20 per kid. I shop throughout the year and sometimes I can find a \$40 toy that is marked down to \$20. Each child gets breakfast provided by the club, they get a door prize and they get to see Santa. Weather permitting Santa will be arriving by helicopter again this year. They also get a photo of them with Santa and their gift.

All of this is made possible by the hard work of our members and the committees. I will be raffling off the items. ● We will be having a gift wrapping party in the clubhouse this Sunday at 3pm. Bring some scissors and tape if you can. We will put you to work; this is really easy work hours. On December 14@ 8 pm, will be setting up for the kid's party. On the 15 we ask the volunteers to show up @9 pm and the party starts @ 10 pm. Will be selling raffle tickets for the rest of the meeting.

Conservation: (D. Duey) Mr. Duey informed the members of changes on the DNR website. ● We have filed with the DEQ the permits for the application of algaecide at Horseshoe Lake at the campground.

Cowboy Action : (J. Estes) Mr. Estes reported on the match results and upcoming match dates.

Work Hours: (J. Estes) Thanks to the crew that installed 420-feet of fencing along the skeet ranges. It was a lot of work.

Education: (R. Savo) There are two CPL classes left this month. We have a one day class with openings available this Saturday. There is one Refresher Class on the 18. Watch the P&K for classes that begin in January. These listings will be through the middle of the year. If you have any questions regarding firearm or CPL issues get a hold of me and I will keep you on the straight and narrow. ● If you have a firearm, under Federal law, you cannot use marijuana as the use of it is still a Federal crime. On the state level, marijuana is considered an intoxicant like alcohol, for driving, etc. ● CPL renewals can now be on line. There is no longer a need to see the county clerks to renew your permit.

Life Membership: (W. Saylor) The next Life Membership meeting will be at December 9 at 2 pm in the clubhouse.

Membership and Show: The NMO this month will be on Sunday, in the clubhouse @ 1 pm.

Pistol: (T. Blankenburg) All leagues are going well with high levels of participation. ● On Monday, all four Pistol Committee Officers were re-elected for 2019. ● The next CPL class is on December 8. The December CPL practice will be on December 9 (intermediate) and December 16 (basic). December 15-16 will be the USPSA Setup and Match. There will be no open shooting that weekend. December 18 is a CPL refresher course. Open shooting on Friday-Sun from 10am-2pm unless otherwise notified.

Plaid and Khaki: (W. Saylor) Please get your articles and pictures in by the 15 of the month.

Rifle: (C. Salo) Rifle had their "Toys for Tots" shoot last night. The archers won. They had only one shooter attend over rifle. ● Mr. Salo covered the upcoming shoots with the members present.

Skeet and Trap: (J. Meske) The Vintage Side by Side and Pump event is this Saturday December 8 at 10:30 am. The contact person is Andy Bielman. ● Junior Shotgun will be from noon to 2 pm on Sundays, December 16 and 30. ●The Potluck is Sunday the 16, starting at 11 am in the shotgun building. ●Skeet and Trap winter hours are open for Wednesday and Thursday from 10am-6pm. ● Congratulations to Rick Trawinski. He was voted in as Michigan Skeet Association President for 2019. ●Look for the Fun shoots to restart sometime next year. ● There will be no Skeet and Trap committee meeting in December.

Sporting Clays: (P. Koehn) Winter hours are in effect, see Al or Leah if you need work hours.

Website: (W. Saylor) Get the information in to Emil by the 15.

Women of Aim: (W. Billings) Mr. Billings updated the members on Women of AIM activities.

Work Hours: (M. Schany) Work hours have been turned in. They should be on the website, and in the office.

Members at Large: Mr. Purdie thanked Mr. Saylor for his efforts over the years. (Standing round of applause). ●(D. Duey) What is the timetable for the erection of the new steel building? (B. Savo) Mr. Savo explained the time line regarding permits, drawings, etc. ● A question was raised about photo of past presidents being on display. We have photos of past presidents on a video disc and it is available for use by the members.

Old Business: None

New Business: (B. Burnett) Mr. Burnett explained the various programs that are available from "Benefit 4 Kids", and the programs they have available for members. ●The election results are as follows: Mr. Salo-President, Mr. Estes-1-VP, Mr. Rhodes-2-VP, Mr. Purdie-Treasurer, Mr. Hegelman- Secretary, Mr. Burnett-Trustee, Mr. Koehn, Mr. Murphy, Mr. Neff, Mr. Oles, Ms. Tonegatto-Salo-Directors. ● Mr. Salo administered the oath of office to Mr. Savo, the incoming president. Mr. Savo outlined three areas of his presidency: a financially sound club, to improve the club venues, and to bring juniors into our various junior programs.
