Pasta for a Purpose Spaghetti Dinner

In September, we held the Pasta for a Purpose spaghetti dinner at the clubhouse. Because of everyone's generosity, it was a huge success. We raised \$2,700! \$500 of that was donated to Children's Hospital for arthrogryposis multiplex congenita patients.

We are working to obtain the specialized equipment, Obi Robot food tray and walker, for Destinee now.

Destinee and her family appreciate your huge hearts and donations. A special thanks for all who donated

raffle baskets and helped make this event successful. Thank you to D.S.C. for allowing me to hold this important dinner. And then, a huge thank you to Dave Oles, Christine Tonegatto-Salo, Dakota Gentry and family, Ellen Studer and family and Cheryl Smith for all their hard work and volunteering your time and hearts in making this an amazing evening.

We love and appreciate you all. Kim Soucie, Destinee and Family

Black Powder

November brings the cold, cloudy days and the first flurries of winter. Even so, Black Powder still has a few outdoor events on tap for the month. The monthly woods walk will be held Sunday, Nov. 10. There are 15-hanging steel targets at distances of 25 to 60 yards. On the positive side, the leaves are mostly down so some of those targets that were hard to see in the summer are easily seen now. No experience is necessary. The ROs and other shooters are happy to help out the new guys. Bring your black powder gun and give it a try.

Tuesday mini-rendezvous' continue through the month. They begin in the morning and last through the day. Every so often, someone

brings a Dutch oven dish to eat. This is another good event to shoot black powder in a relaxed atmosphere.

Black Power committee will run "Sight-In" at the rifle range for the end of the month as they have for many years now. The dates are Nov. 27, 29, 30 and Dec. 1. This is a good opportunity to tune up your muzzleloader for the primitive deer season or just a good opportunity to get out before winter shuts us in for the season.

Black Powder people are thrifty. Some might even call us cheap. To that end, I would like to point out that Joann Fabrics is a great place to save some money on loading and cleaning supplies. Two materials I have tested make for great patching ma-

terial: Drill 40 Unbleached, and Pillow Ticking Blue. Thickness for both fabrics is about 0.017" or so. If you use the ever constant 20% off coupon then the fabrics are about \$5 per yard. A yard will make 600-patches or more. Compare that with commercial patches at 100 for \$3, While your there, pick up some "White Cozy" flannel at \$2-3 per yard. This material is great for making cleaning patches. Finally, buy a rotary fabric cutter set. These cost between \$10-25. They make it easy to cut the patches cleanly and neatly to the proper size. Now you have something to look for when your wife drags you to the fabric store.

Walter Opdycke

Rifle

The Rifle leagues are over for the season. I am happy to report the results of two of those leagues here. In service rifle, we had 20-shooters turn in scores for the league and 13-shooters completed the 10 matches. The overall Grand Champion is Rick Nowicke with a final score of 4933-197X. Finishing second, was Larry Frey at 4920-172X and in third was Larry Platt at 4865-133X. Good shooting gentlemen! In the Tactical Prone League, we had eight shooters turn in scores. Six

of these shooters completed the 10 needed matches. The top Shooter was Gary Dawson with a perfect score of 2000-138X. Next was Jim Parsons with a final score of 1994-129X. In third place was Rick Nowicke at 1991-97X. Congratulation to all our top shooters.

A couple times last summer there were police rentals that interfered with league shooting. In order to help that from happening again, I will endeavor to publish this information both in the rifle

committee minutes and here in the P&K. Here is a list of additional police rentals of note for November 2019:

Fri. ~ Nov. 1 8 a.m.-4 p.m.
Wed. ~ Nov. 6 5-11 p.m.
Wed. ~ Nov. 6 5-11 p.m.

Finally, please remember that the Rifle League Banquet is coming up Dec. 7. If you have not yet completed your league registration, please do so as soon as you can. I hope to see you there.

2019 D.S.C. Election Candidates & Procedures

TRUSTEE: Tim Young : 1976

Member of DSC since the 70's (life member 19 years). I have been past president (2 terms), trustee, secretary, and director for numerous terms. I have served on the camping committee for over 40 years and numerous other committees. I am currently completing my three-year term as trustee.

I bring years of experience moving it forward with your support. with the financial makeup of the club and will continue

TRUSTEE: Corey Salo : 2000

I am currently a director, active with several committees in the DSC and a life member. I would like to take all my experience in this club and use it to put us on a sound and future-looking financial path.

I was first elected to the board in 2007 and served as Chairman of the Board from 2011 to 2019. I am most active with the junior rifle program as a coach. Most Fridays I can be found on the basement range working with the future of our sport.

The key to us moving into the future is a firm financial footing. Building that solid foundation should start today. As a trustee, I will strive to achieve that goal. We need to do a better job of monetary planning for the future, projecting for more than just the upcoming year. This responsibility starts with the Trustees. We need to

look farther into the future, as best we can, to anticipate the club's current and future needs and expenses. This calls for wise forecasting so we have funds available for the club's normal operation, maintenance and repairs. Additionally, we need cash on hand to avoid tapping into our line of credit when emergency expenses arise.

I hope you, my fellow members, share my vision of the future and support my candidacy for Trustee. As always, I will strive to make the DSC better today than it was yesterday. Thank you.

DSC Absentee Ballot Procedures

1. After the November General Membership meeting, members may request the Detroit Sportsmen's Congress office mail an absentee ballot to them. The DSC takes no responsibility for any delays by the U.S. Postal Service, either in delivering or receiving of absentee ballots.
2. In the upper right hand corner of the ballot, you must legibly write your membership number.
3. Complete your selections on the ballot.
4. Place the marked ballot into an envelope and seal. Label this envelope "ABSENTEE BALLOT".
5. Place the sealed absentee ballot envelope and your DSC membership card into another envelope. Address and mail it to the DSC Office - 49800 Dequindre, Utica, MI 48317, also mark it; Attention: Election Committee.
6. The DSC office staff will punch your membership card and your sealed ballot will be placed into the ballot box. If your membership card is not included, the sealed ABSENTEE BALLOT envelope will be declared invalid and destroyed. You must include a self-addressed stamped envelope so that your card can be returned after it has been punched. If a self-addressed stamped envelope is not included, the card will be retained at the office for you to pick up. It is not the responsibility of the office or election committee to affix postage to return your membership card.
7. When the election committee tallies the ballots, they will open each sealed "ABSENTEE BALLOT" envelope, remove the membership number located in the upper right hand corner of the ballot, and count them as regular votes. These envelopes will not be opened by anyone other than the Election Committee.
8. Absentee ballots must be received by the DSC office before 8 p.m. the day of the Dec. 4 annual meeting. It is the member's responsibility to respond in a timely manner.

"SAMPLE" DSC CLUB BALLOT ~ 2019	VOTE FOR NOT MORE THAN 1 PER OFFICE	TRUSTEE	Tim Young	<input type="radio"/>
			Corey Salo	<input type="radio"/>
	VOTE FOR NOT MORE THAN 5	DIRECTOR	Joe Lupi	<input type="radio"/>
			David Ducey	<input type="radio"/>
			Carl Voelker	<input type="radio"/>
			Stan Surratt	<input type="radio"/>
			Randy Plante	<input type="radio"/>
			Sam Goldwater	<input type="radio"/>

FILL IN CIRCLE FOR DESIRED CANDIDATES.
VOTING FOR MORE THAN ALLOWED NUMBER OF VOTES WILL VOID YOUR ENTIRE BALLOT.

DIRECTOR : Joe Lupi : 2001

I have been a committee member on the Black Powder and Cowboy committees at DSC. I have actively participated in Cowboy Action shooting at DSC, competed within the State of Michigan, and competed in numerous U.S. locations. I also shoot skeet and trap regularly on Thursday mornings.

I have been a DSC Cowboy range officer since 2002. I have completed the SASS (Single Action Shooting Society) national RO I and II certifications. I have completed the SASS Wild Bunch RO certification as well. I have completed the NRA Chief Range Safety Officer, NRA Pistol Instructor, NRA Personal Protection in the Home, and NRA-RSO certification at DSC.

I developed and administer the Cowboy Bi-annual RO refresher course for all cowboy ROs.

Currently I am the Cowboy committee chairperson. I have held that position for 8 years. As a committee we have improved our cowboy town from 5 original stages to 12 stages and 3 shooting bays.

During the last 6 1/2 years I have served on the DSC Board

of Directors. During that time I have been the Board representative for DSC Outdoor Ranges, the DSC Boy Scout Troop, the Women of Aim, the Pistol committee, Skeet and Trap committee, and the Cowboy Action committee. I am the current DSC Chairman of the Board.

If elected, I would like to continue working on the long range planning for club improvements that have been discussed both formally and informally at the DSC Board level. I would like to be part of the working solution to see if some of these plans can come to fruition. I would like to continue to work to bring committees together for the betterment of the club as a whole. Energy spent working together is more productive than single groups going in their own direction.

DIRECTOR : David Duey : 2002

Membership & Show Committee – Contributing member of Chair since 2002; Created / coordinated the current New Member Orientation program; Open House Coordinator for multiple years.

Pistol Committee – Active member, RSO, or Officer since 2003; Contributed & Com-

DIRECTOR : David Duey : 2002

pleted the pistol portion of the DSC DEQ report; Planned several improvement projects; Served many times as a Match Director.

Education Committee – DNR H.E. instructor; support / range assisted as requested for various classes and Junior Small Bore Shooting for multiple years.

Conservation Committee – Added DNR notices to general member meeting and conducted the Dequindre Road clean-ups for multiple years.

Current BOD Director – In previous years have represented Pistol; Membership & Show; and Club House. Current rep for Conservation and

Life Members.

In addition to the above team member and leadership roles within the club, I bring from industry a background of project management and departmental management geared toward finding solutions to the challenges that are sure to come up when working with a group of individuals with diverse life experiences to accomplish a common goal.

I will continue to bring my “can do” / “get’er done” skills to get to the root cause of problems and work with people to achieve what is in the best interest of the club for its future.

DIRECTOR : Carl Voelker : 2011

I am currently a DSC Board of Director and the representative for Black Powder. I’ve always been a very hard worker and a member of the Cowboy Committee. I have been happily married for 44 years and an avid hunter and fisherman. I love to shoot all disciplines when I can.

1987 - 2000 I owned and operated a carpentry company with up to 150 men. I also owned and operated 2 hockey rinks in Fraser, Michigan and Louisville, Kentucky until 2015. I am now retired on

disability. If re-elected, I would like to solve issues, raise money for the club and do whatever the club needs me to do.

Voting starts Monday Nov. 18

You may vote during normal office hours or by absentee ballot. Absentee ballot voting procedures are described on the previous page. Additionally, the DSC Office will be open Saturday, Nov. 23, 2019, from 10 a.m. to 2 p.m. Polls will close Wednesday, Dec. 4 at 8 p.m. You must be in line at 8 p.m. to vote. You must present your membership card to vote.

DIRECTOR : Stan Surratt : 2013

After Barak Obama's second election, (my best chronological reference) my wife told me to go buy some guns before we can't get any. As a dutiful husband, I went out and bought a Remington 870, followed by a Springfield XD subcompact. Going out for my first practice, I drove past DSC, by about seven miles, to a commercial range. Unsatisfied, I stopped at DSC on the way home, met some very friendly, helpful people, joined the club and have never regretted the decision. I have been the Pistol Committee Chairman, am currently on the Board of Directors, a CPL instructor, a CRSO, and worked on enough work bees to win a challenge coin for the last two years.

Retiring in 2010, I had over 50 years of work experience. The most relevant experience includes executive management at Chrysler Motors, various management positions in a number of volunteer organizations, including Rochester DDA chairman, and Promotions Committee

Chair, and as a small business owner for 10 years.

The biggest challenge I see facing DSC is an aging membership population, coupled with a lack of interest by today's Millennials. To attract new members, we have to begin offering the types of competition popular today (think "Call of Duty"). By this I'm not suggesting dropping current member leagues and benefits, but rather to be open to, and support, new types of competition and offer options such as steel targets for rifle and pistol shooters (which is mainly what I do).

DIRECTOR : Randy Plante : 2013

During this time I have enjoyed participating in camping at the Oxford property, shooting at the Rifle Range, Pistol Range, Cowboy Range, and Black Powder Range. I have participated in Christmas with the kids, Fun Shoots on the Rifle Range, and Black Powder Woods Walks. I especially enjoy the Tuesday Mini-Rendezvous

DIRECTOR : Randy Plante : 2013

with my friends from the Black Powder Committee.

I have advanced my involvement by becoming a Rifle Range Officer, a Law Enforcement Range Officer, and am currently the Camping Committee First Chair. In early 2019, I was honored by being selected by the Board of Directors to fill a Director vacancy. During my involvement in the club, I have successfully worked with others to develop a team that transformed the campground into the beautiful, successful campground that it is today. I give input where I can to "think outside of the box" and make the DSC a financially stable club, where the members are serviced and valued.

My personal experiences include a 20-year career at

the Utica Police Department where I am a full time Police Officer and firearms instructor. I also maintain a part-time position with the Utica Fire Department where I am the Assistant Fire Chief. I was also named the City Emergency Manager in 2017. In these capacities, I bring the experience of managing people, policies, and budgets.

If honored with another term as Director, I will strive to grow the club, providing input in major projects while staying in tune with the needs and desires of the members. I will continue to familiarize myself with all venues, so as to best be able to serve the members. I wish to thank you all for your support, past, present and future.

DIRECTOR Sam Goldwater : 2017

I am an active cowboy action shooter, Black powder and Rifle range officer, shoots sporting clays, and assist with the club's new 3-gun program.

I am also a certified chief range officer from the NRA and a certified instructor for basic pistol, personal protection both inside and outside of the home.

Qualifying experience- I was on the Board of Directors for Michigan Gun Owners for four years and have also worked in a leadership role in the firearms industry for 10 years.

If elected, my goals will be to organize more events to

bring in the new generation of shooters. I would also like to expand the program and gain more interest from the females in the community to gain more membership in that area as well.

will damage our targets.

Grounds and Planning

The Grounds and Planning committee identifies and prioritizes projects, both new construction and repairs around the club. This monthly column will keep the DSC membership informed about the projects and an estimated cost for each project.

Let's start by identifying a project that was completed about three years ago. As everyone should know the Utica campus sits on a land fill. This land fill must be maintained. On the rifle range is a 57-foot-deep sump pump pit. All the land-fill areas drain into this pit. Occasionally, the pump needs to be replaced because the leachate (liquid in a landfill) is very corrosive.

This maintenance involves replacing the pump, pump controller, two flowmeters and 100 feet of stainless-steel pipe. The cost was \$49,700.

Earlier this year, two septic systems were installed on the Utica campus. The first was for the clubhouse including the kitchen. A grease tank and pump tank were installed for the kitchen. Each tank is 500 gallons and require pump controllers. Also, two 1000-gallon tanks were installed with a drain field. The kitchen pump tank and the clubhouse rest rooms both empty into the large tanks. Sporting Clays also received a new septic system, a 500-gallon pump tank with controller and two

1000-gallon tanks. Because of the high water table, there is no drain field. The tanks will be pumped when full. The cost of this project was \$67,000.

We are getting closer to starting the new pole barn construction.. All the permits are in place. The next step is selecting a contractor. Estimates have ranged from \$100,000 to \$200,000. More info will follow as the project progresses.

Two projects which have just gotten underway are the land slide behind the office and the landslide by sporting clays station #3. Repairs to the sliding banks will be in the \$25,000 to \$30,000 range each.

Jim Estes

Archery

Not much to report from the Archery committee this month. We have had a few successful Michigan archery deer hunters that I am aware of. Congratulations to Mike N. (8-pointer), Alan B (8-pointer), and me (7-pointer). There is a work bee planned for Saturday, Dec 7. This will be to set up for the Toys-for-Tots shoot Sunday, Dec. 8. The Toys-for-Tots archery 3-D shoot will be from 9 a.m. to 3 p.m. and is open to the public. You can shoot for \$1 if you bring a toy to donate.

US Cavalry (1865-1890) – Notable Military Leaders, Indian Wars

George Armstrong Custer (1839 – 1876)

1st Vice President

George Armstrong Custer was a United States Army officer and cavalry commander in the **American Civil War** and the **American Indian Wars**. He graduated from West Point in 1861 at the bottom of his class. Due to a demand for trained officers at the start of the Civil War, he was brevetted Brigadier General of Volunteers at age 23 where he commanded the **Michigan Cavalry Brigade**. Custer did unexpectedly well in the Civil War. He fought in the **First Battle of Bull Run**, and served with distinction in the **Virginia** and **Gettysburg Campaigns**. After the Civil War, he was sent west to **fight in the Indian Wars**. In July of 1866, Custer was appointed **Lieutenant Colonel of the Seventh Cavalry**. June 25, 1876, while leading the 7th Cavalry Regiment at the **Battle of the Little Bighorn in Montana Territory** against a coalition of Native American tribes, he was

killed along with more than one third of his command during the action later romanticized as **“Custer’s Last Stand”**. On the verge of what seemed to him a cer-

tain and glorious victory for both the United States and himself, Custer ordered an immediate attack on an Indian village. Contemptuous of Indian military prowess, he split his forces into three parts to ensure that fewer Indians would escape. The attack was one of the greatest fiascoes of the United States Army, as thousands of Lakota, Cheyenne and

Joe Lupi

lupij@wowway.com

Arapaho warriors forced Custer’s unit back into a long, dusty ridge parallel to the **Little Bighorn**, surrounded them, and killed all 210 of them. Custer’s blunders cost him his life, but granted him everlasting fame. His defeat at the Little Bighorn made the life of what would have been an obscure 19th century military figure into the subject of countless songs,

books and paintings. Flamboyant in life, George Armstrong Custer has remained one of the best-known figures in American history and popular mythology long after his death at the hands of Lakota, Cheyenne and Arapaho warriors at the Battle of the Little Bighorn.

DSC General Membership Monthly Meeting

Oct. 2, 2019—Clubhouse 8:00 pm

Pledge of Allegiance: R. Savo

Conservation Pledge: J. Lupi

Presidents Report: (R. Savo) Past President and the Life Members were recognized. • The Shelby Twp. Police Department was presented with honorary memberships in the DSC. • I am not sure if we will get the concrete for the new building. While we still have time, we are told that it is very difficult to get right now. • The gas alarm at the Rifle range has been going off. We did several tests to see if any gas was present to set it off and we found none. The gas alarm is only good for about 10-years and ours is several years past that. We have purchased a new one and I have sealed off any possible openings where gases from the landfill could be present. There is no evidence of noxious gases present. • We have been spreading topsoil around the club to bring up the soil to the top of the septic tanks to make the lids level with the rest of the ground. We are looking for shrubbery to hide them. • We have two erosion projects that are under way. That is why there are piles of concrete in the parking lot. There is an area behind the bar and the office that is badly eroded by the water from the culvert under Dequindre Rd. We have also an issue with the catch basin that drains water from the pistol and rifle range and it goes to Sporting Clays and then into the Clinton River. The catch basin is broken and it is under the drain pipe which is eroding the berm. If the weather cooperates we can fix it and get the water to go again into the river. • We are going to put a concrete walkway from the parking lot to the club entrance and down to the kitchen as well. We could use some help with this project and all the other projects as well. • We have increased our handicap parking in the lot. • One of the fan motors in the basement range failed and we have ordered a new one which should be in tomorrow. The range is still usable with only one exhaust fan working so we don't have to shut down the range.

Secretary's Report: (R. Hegelman) The August BOD Meeting minutes and the September GM meeting minutes are on the table by the door and in the book behind the bar.

Treasurers Report: (D. Purdie) The financial results for August 2019 are available. Our YTD income for August is \$781,153.27. YTD expenses were \$688,458.85. The YTD net through August is \$92,694.42. Income for the month of August was \$92,061.66. Expenses for August are \$109,874.69. The July loss is \$17,813.03. Most of the expenses are from the large order we made for the pro shop last month due to the circumstances that I mentioned last month. • Our loan balance is \$103,942.25. I signed checks tonight for \$10,859.19. About \$5K is for the erosion projects. The financial reports are in a book behind the bar if you want to take a look at them.

1st Vice President's Report: (J. Estes) We will start digging up the ramps to the clubhouse, we will start next week. They will be replaced with new concrete ramps. The plan is to pour concrete next Thursday, and the handicapped ramp will not be available until the concrete dries. I will be sending out an e-mail to the club when the concrete will be poured. • For 2020, the Rifle committee wants to rebuild the range backstop. They are thinking about having a firm from Kentucky to do the work which may be over \$150K. The new rubber is projected to cost \$75K alone. • The skeet buildings will need new siding, and we are going to have to replace the concrete walkways there as well. • The Life membership swap meet went very well. • The Cowboys are having practice from 10 a.m.-2 p.m. Saturdays. We had a Cowboy on the 7th last month, we had a silhouette match last Sunday. We are having a 3-gun match on the 5th. We are keeping the attendance to 36-shooters because that is all we can handle on the Cowboy range. We are having our Cowboy Service Rifle match Nov. 13.

2nd Vice Presidents Report: (J. Rhodes) We had two incident reports last month. Unfortunately both were regarding firearms. One was someone who was banned from using our facilities and the other was just not mentally stable enough to be using our facility. We are all range officers. We are all members of our club. Please keep your eyes open for problems from the time when you get out of your car until the time you leave the club. • We are coming up on the busiest time of the year with sight in season and expanded usage of our ranges. • We are having a shortage of LERO's. We need them because of the law enforcement usage of our ranges is a substantial part of our income. If you are retired and have some time available, let us know and we will make sure you have the training to become a LERO. • By the time we have our next meeting we might have snow on the ground. Please have ready the things necessary to keep our ranges safe. (salt, snow shovels, brooms, etc.)

Trustees Report: (D. Burnett) We have approved several expensive projects to control the erosion in back of the office and in other areas of the club. We are concerned about spending a lot of money to get these done. If you send in a proposal for a project, it might be put on the back burner because we are spending a large sum of money to get these very important projects done.

Chairman's Report: (J. Lupi) Please advise your committee chairperson of the following: They need to provide the BOD with a yearly venue/activity calendar which is due Oct 1. I have received the year's calendar from Cowboy Action, Archery, Rifle, Education and I just received it from Black Powder. • The yearly budgets are out to the committees. Please return the Budgets to the Trustees by Nov 1. The committees should review their SOP's, Range rules, and Committee Rate Sheets annually by Nov 1. Send revisions or notification of no change to the BOD Chairman. Campground, Cowboy Action and Black Powder have sent revisions to the DSC SOP committee for review. • The Committee inventories are due in the DSC office by Dec 1 • Mr. Lupi covered the motions brought to the BOD at the Sept. 23 meeting with the members present. Discussion followed.

Operations Manager Report: (B. Palmer) Nothing to report.

Member of the Month: Joseph McRoberts - Mr. Savo complimented and thanked the Peters brothers for their work in upgrading the software of the office computer.

Committee Reports:

Archery: (D. Oles) The fall JOAD training class began Sept 26. With 13 enrolled, we still have room for five more and is held Thursdays. • Open shooting is now on the indoor range Fridays from 6:30-8 p.m. Regular rates apply. • The Fall Outdoor League concluded Sept 23 with a

banquet in the clubhouse. We had a great time and would like to thank the "Clubhouse Crew" of Kim, Ellen, Sherry and the two Cheryls for working that event. • The annual Ironman Shoot was held Sept. 28, and despite a lower than average turn-out it was a fun event. • The next outdoor event will be the annual Toys 4 Tots 3D shoot Dec. 8. More on that next month.

Black Powder: (G. Ridener) We are still having our mini-rendezvous Tuesday's from 10 a.m.-2 p.m. • We are having a Woods Walk fun shoot Nov. 13. Registration starts @ 10 a.m. • We are shooting on the basement range Monday evenings from 6-8 p.m.

Camping: (R. Savo) Things have pretty well wound down. They are open until the end of the month. They will be open to deer hunters taking advantage of the state lands around the camp ground.

Clubhouse: (C. Tonegatto-Salo) I am the Kids Christmas Party chairman again this year. We will need volunteers to decorate the clubhouse and to wrap presents for the kids, etc. If you have any questions, please do not hesitate to ask me. • Regarding our Facebook page, we have had a lot of likes this month particularly with our Halloween and Hunter's Ed postings. Keep sharing information to the page so we can keep getting more likes to get our club recognized. • Nov. 15 deadline for getting your articles and pictures into the P&K for publication.

Conservation: (D. Duey) Mr. Duey covered the new information from the DNR. • We had the Dequindre Road Cleanup last Saturday. Only four volunteers showed up. Four people cannot do this job. Everybody worked very hard but we were able to get only 2/3 of the job done. We need to get the entire job done in order to keep our rating with the state and with our road sign. We are required to do this twice per year, once in the spring and once in the fall. I need help with this as one or two people cannot get the job done. • This month's NMO will be Oct 20 in the clubhouse starting at 1 p.m. I appreciate any committee people who show up to answer any questions about their venue.

Cowboy Action/ Life membership: (J. Estes) Covered under 1st VP report.

Education/Election: (R. Savo) At the November GM meeting all the nominees for the BOD election will have 3-minutes to explain their qualifications to the members.

Pistol: (T. Blankenburg) The PPC Fall League has started and shoots Wednesdays. • There will be a USPSA Match Oct. 20. Range will be open Friday, but closed Saturday and Sunday for the match. • The .22 Steel Match will be Oct. 27. • There is a CPL class Oct. 26, so open shooting will end at 12:30 p.m. • CPL Practice resumes for the winter. The Intermediate Practice will be Oct. 23; orientation for the Basic CPL practice in Oct 27. Attendance is the Basic Orientation session is mandatory to begin shooting at Basic practice. • We installed 1000 lbs. of new rubber in the backstop on the indoor range. • The next Pistol committee meeting is Monday, Oct 7 at 7p.m. in the Shotgun building. • If any one of you have the pistol key #21 and are not using it, we need it back. We need these keys to issue to new pistol RO's. • After the Oct. 27 .22 steel match, we will have a work bee to clean up the pistol ranges for the winter, starting around noon.

Plaid and Khaki: Covered under Clubhouse report.

Rifle: (D. Carbery) We had a team come out and replace the sign on Junegal road. It looks really good. • The old 25-yard sight in box was replaced with a new one on this last Monday. Thanks to the 10 guys that came out for that. They did a great job. • Sight in starts this weekend. Open shooting on Saturday and Sunday is now open from 10 a.m.-4 p.m. We will also be open for sight in week days later in the season. Please check the website or the P&K for more information. • The Rifle banquet will be held in the clubhouse Dec. 7 starting at 6 p.m. • The Rifle committee meeting is tomorrow evening starting at 7p.m.

Skeet and Trap: (R. Stanfield) The results of the Michigan State Skeet Championships are in and they include a number of DSC shooters. Please refer to the Plaid and Khaki. • Skeet and Trap will again have our 9th Annual Skeet Club Championship Sunday Oct. 13. This event is open only to members of the DSC. It is a double elimination bracketed tournament. The entry fee is \$10. You pay for your rounds. • Oct. 26 & 27, we will have our Trick or Treat 400 which is a 4x10 target event. Also, on those dates will be our Turkey Trot Open; a registered skeet event hosted by the DSC. Please contact Rick Trawinski for further details. • Junior Shotgun continues to meet Sundays from noon until 4 p.m. If you know of any family interested, please have them contact Bill Saylor or myself.

Sporting Clays: (P. Koehn) Fall hours are Wednesday/Thursday from 10 a.m.- 5 p.m. and Sunday from 10 a.m. to 3:30 p.m.. • Tuesday, Oct. 8 we will be closed for a Ducks Unlimited event. Thursday, Oct. 10 we will be closing early for a private function. • Winter hours start in November, Wednesday/Thursday 10am-4pm and Sundays 10 a.m.-3:30 p.m. We will be closed for Thanksgiving. • The Sporting Clays banquet will be Dec. 12. We will be closed Wednesday Dec. 24-25 for Christmas Eve and Christmas Day.

Website/Facebook: Covered under Clubhouse report.

Women of Aim: (V. Billings) Our next meeting is Oct. 10 in the range building at 7:15 p.m. • WOA is putting on a "Refuse to be a Victim" class Oct. 22. • Information is in the P&K and on the website. The class fee is \$35. • Ladies pistol will be the second & fourth Sunday night of the month in the basement range, open to women only from 6:30-8 p.m. If you or somebody you know is having a problem with their pistol or just needs coaching, send them down. • We are having a bake sale at the GM meeting Nov. 6 to support the children's Christmas party.

Work Hours: (M. Schany) Work hours have been turned in. They should be on the website, and in the office.

Members at Large: (R. Savo) Thanks to everybody that worked so hard to replace the roof on the Archery building. • The Kids Pheasant hunt was a great success. Those kids that scored 100% on the Hunters Ed test were placed in a lottery and eight of them were chosen to go on the hunt. (J. Estes) I forgot to say that the Cowboy match on the 20th will also be our chili cook off.

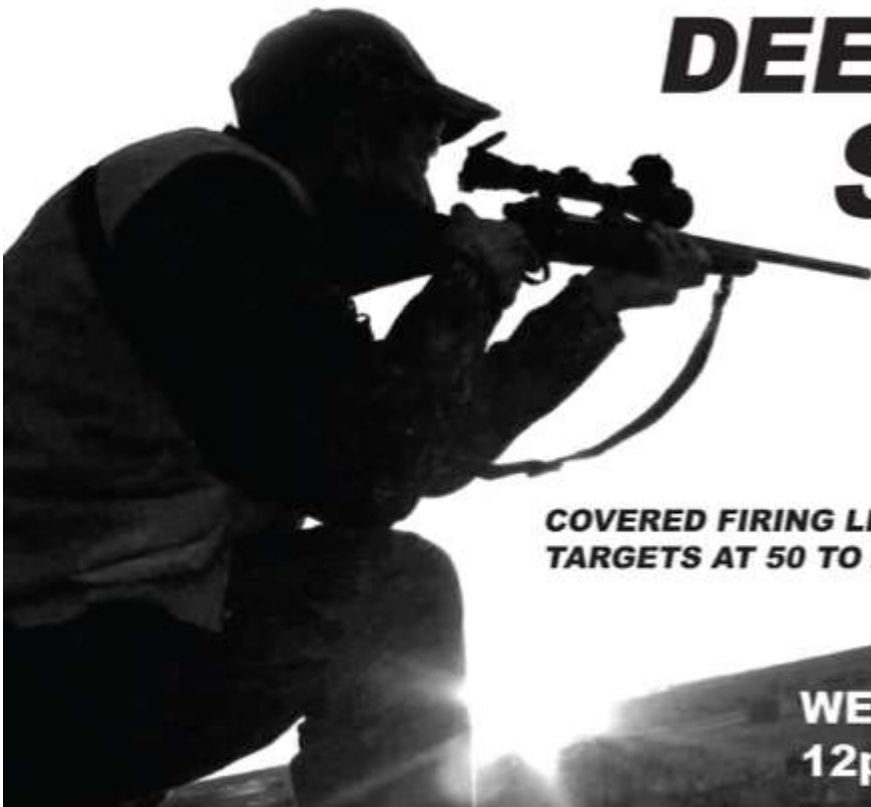

New Members: John Klobuchar

Old Business: None

New Business: (R. Savo) When we have an overflow crowd like we have now for the GM meeting, we found that we needed to expand our handicap parking spaces. So what you now see in the parking lot will be only for large meetings.

Membership Drawing \$450: Lynne Burke had the winning number; however since she did not attend the GM meeting, the money will be \$550 for next month.

50/50 Drawing: Dave Duey- \$100

Annual DSC Kids' Christmas Party Sat., Dec. 21

Our Annual DSC Kids' Christmas Party is set for Saturday, Dec. 21, 2019 from 10 a.m. to 1 p.m.

Now is the time to sign-up your child/grandchild. Any child, age newborn to 12, related to a DSC member, and their parents and/or grandparents are invited for breakfast, games, singing carols and welcoming Santa. The more the merrier! Each child will be able to visit with Santa, receive a free breakfast, door prize, a present from our DSC Santa and buy tickets to win one or more of the great raffle prizes. I have heard from Santa and he's already looking forward to flying into the DSC this year! Sign-up forms are available in the P&K, DSC

Office and Clubhouse or the website.

A few volunteers have stepped forward but we need your help.

The Present Wrapping Party is scheduled in the Clubhouse for Sunday, Dec. 15, 2019 at 3 p.m. (a great way to accumulate work hours). You only need to show up with a pair of scissors in hand and we'll put you to work.

Work hours are available to help coordinate this event and to volunteer on party day. We also need members to set up the evening of Dec. 20 at 8 p.m. at the Clubhouse. We can arrange and prepare the tables and put the gifts in order Friday night to eliminate being rushed the next morning.

This year, as in past years, each DSC committee is asked to donate a raffle prize, or cash equivalent, worth approximately \$75. This gives us a greater diversity of raffle prize choices and helps defray the cost of the event. We've seen prizes range from drones, telescopes, BB guns and bikes to dollhouses, a giant teddy bear and numerous electronic toys. Each and every donation is greatly appreciated.

If you would like to volunteer, donate items for the party, or need more information, call the clubhouse at 586-739-3500 or email catsusmc@gmail.com.

DSC KIDS CHRISTMAS PARTY

REGISTRATION FORM

SATURDAY, DEC. 21, 2019 10 A.M. – 1 P.M.

List the children's names and ages attending the party. Children 12 and under are eligible. Choose gift preference, boy, girl, or gender indifferent, so an appropriate gift can be bought for each child (i.e. if a girl doesn't like dolls or girl-oriented toys, choose gender indifferent and a gift like a game can be purchased). Please be sure note the video game system for each child if your family has more than one child attending. Or if your child has a favorite toy, like Barbies, My Little Pony, Hot Wheels, Legos, dinosaurs etc, list that instead. If possible, we'll try to get that type of present. Also, list # of adults who will be eating breakfast. Finally, please note member's name, phone and card # for family identification. Kids will be listed under the members' name at check-in. Call the DSC Office at (586) 739-3500 if you have any questions.

Check-in will begin at 9:45 a.m. (please don't arrive before then) and children will see Santa in order of their arrival. Breakfast will be served, starting at 10:15 a.m. Children receive a free breakfast. Adult breakfast price is \$5. Games and songs will follow with Santa arriving last.

Please print:

NAME (first & last) AGE GIFT: BOY / GIRL / GENDER INDIFFERENT

CHILD/CHILDREN OWN: (Circle which platforms apply and write child's name below)
Wii U/Switch, Playstation 3/Playstation 4, X-Box 360/X-Box 1, DS/3DS

Welcome New Members

The Detroit Sportsmen's Congress wants to welcome these new members. We congratulate you on your good choice in joining our club. Get involved in what you like and in what we have to offer. Getting involved does not mean work; it means enjoyment. We want each of you to be active in the years to come, making this a club for everyone to enjoy. Thank you for joining the DSC!

Fellow members please make them feel welcome!
