

ARCHERY

Well after a several weeks of COVID-19 lock down and rationing paper supplies, the archery outdoor 3-D range and outdoor practice ranges are open. They have been open since the end of May and to date there have been no issues. But, by now, I think everyone knows how to be COVID safe.

We have had a very good turnout on the 3D range, mainly due to mother nature giving us nice conditions and, I think, some other venues are still limited.

Due to the COVID-19, the Archery Spring League did

not happen. Also, the banquet for the winter spot league has not taken place yet. Don't forget to let Byron know he still owes us a banquet.

For upcoming events, the fall 3D Archery League will start July 27. It will be Monday evenings from 4:30 p.m. until dark and run through Sept. 21. Each week, archers will be able to choose either the normal 3D course or the broadhead course to shoot. I hope to see you out on the 3D course.

The rifle range reopened to members only Friday, May 22 and then later to the public Monday, June 8. The summer leagues have restarted, albeit, with a few changes to comply with "social distancing" and other COVID-19 rules. Masks must be worn when on the firing line and we are currently using only the odd numbered benches to maintain distancing. Regardless of whether you are a member

or guest, you must sign a new waiver form that includes acknowledgement of the new COVID-19 rules. You must do this every time you visit the range. Otherwise, things are running near normal.

There are some calendar changes to note. First, the Wednesday evening High Power Matches have been moved to Thursdays to accommodate a

Vacant Board Seat

Director Sam Goldwater was elected to fill the remaining term as DSC secretary until December 2020. This leaves his seat as a board director vacant.

The vacant director's seat needs to be filled according to the following:

- (b) Board of Directors vacancies are available to eligible DSC members in good standing and shall be announced in the next issue of the Plaid and Khaki and at the next general membership meeting.
- (c) Any DSC member wishing to fill any vacant BOD position shall submit a letter of intent to the current chairman of the board, who will verify

that the member meets the requirements of "Article 1 Section 1.01b Qualifications for Election to Office" in the DSC By-Laws prior to their attending the BOD meeting for consideration to fill the vacant position.

Since we are not having a July General Membership meeting, I am sending notice via email and newsletter to alert the membership to this vacant director's position. Send your letter of intent to the DSC Office addressed to the DSC Chairman of the Board by July 24, 2020.

Sincerely,
Joseph Lupi
DSC Chairman

BLACK POWDER

June 14 Black Powder had a very big day. First, we completed the first black powder woods walk since March. Five shooters attended. There was a tie for first place between Dave Pierce and Eric Giesel. But, Dave won on the tie breaker

to be the match champion. It was a beautiful day and it was great to be back shooting.

After the match was over, Black Powder RO training was presented by Ken Ross.

BLACK POWDER cont.

While this is required for ROs every two years, this year, we had nearly every BP RO present. The policies and procedures were reviewed and there was good interaction between the ROs. Thanks to all for turning out and thanks to Ken for presenting.

After training, we had a short break and then our first BP committee meeting since February. The most important outcome of the committee meeting is that we found a way to honor a member, George Wildrick, who died recently. I believe that most of the readers of this article knew George. George attended most woods walks with his dog, Range George LOVED history and he would

often regal the members around the fire pit with stories of wars long gone by. He was a big man in many ways. To me, I think all the BP shooter will miss "Big George".

To honor George, the committee voted to rename the Service Rifle Woods Walk for him. And since we missed the service rifle woods walk in May because of COVID-19, we voted to reschedule it for July 25. There is more information on this shoot in the flyer that is on the "coming events page of the DSC website <http://dscweb.org/coming-events/> and also in this issue of the P&K.

lucrative law enforcement rental that will occupy the range all day Wednesdays. The sporting rifle leagues that was held Thursdays is now moved to share the range Tuesdays with small-bore silhouette.

The Michigan Rifle and Pistol Association Smallbore Silhouette State meet that is held annually at the DSC has been rescheduled. The meet is now going to be held Aug. 1 & 2.

The biggest special event for July is a CMP Games match double header – an M1 carbine match and a vintage military match. The

date is Sunday, July 12. The carbine match leads off at 11:30 a.m. and is then followed by the vintage military match starting at 2:30 p.m. or whenever the carbine match is over.

These shoots are a lot of fun and you get to try out guns you probably haven't used in a while. There is more information elsewhere in this issue of the Plaid & Khaki or see the flyers in the "Coming Events" section of the new DSC website <http://dscweb.org/coming-events/>.

Famous Outlaws & Lawmen of the Old West

JOHN WESLEY HARDIN-Outlaw (1853–1895)

Wes Hardin was an American Old West outlaw. He was one of the most prolific killers of the Old West. Hardin killed his first man at the age of 15 - pumped three slugs into the chest of a former slave. He claimed it was in self defense. He was pursued by lawmen for most of his life. In 1877, at age 23, he was arrested for murder. At the time of his sentencing, Hardin had claimed that he killed 42 men. Contemporary newspaper accounts, however, attribute only 27 deaths to him. In August 1871 in Abilene, Kansas, he is known to have killed a man in a bed, in a hotel room next to his, for snoring. As he saw J. B. Hickok approaching the hotel with four policemen, he escaped by leaping from a second story window of the hotel onto the roof then, onto the street where he hid in a haystack. In the morning, he stole a horse and rode to a cowcamp 35 miles outside town. It is believed that sometime later Hardin wrote, ***“that if Wild Bill found***

me in a defenseless condition he would take no explanation, but would kill me to add to his reputation”. There is another interesting anecdotal encounter between Hickok and Hardin. One night in Abilene, Kansas, Hardin was confronted by **“Wild Bill”** who told him that he was wearing guns in violation of town ordinance and was ordered to hand over his guns, which he did, but he did it in a quite surprising way. Hardin reached down, pulled his revolvers from the holsters, and handed the guns to Wild Bill butts forward, then swiftly rolled them over in his hands. Suddenly Wild Bill was staring right into the barrels. Both men, however, backed down. At the time, Hickok had no knowledge that Hardin was a wanted man traveling under the assumed name **“Wesley Clemmons”**, so he just advised Hardin to avoid problems while in Abilene. In 1877, Hardin was arrested by a Texas Ranger. He was sentenced to 15 years in a Texas penitentiary. While in prison, he studied for the bar, wrote an autobiography and piously taught Sunday school. He won release from prison in 1892. He practiced law in Junction, Texas and married a young woman, who left him on the day of the wedding. Hardin became restless and

SKEET & TRAP WE'RE BACK!!!!

Yup, Covid-19 couldn't keep us down forever... and we are now re-opened for some skeet and trap shooting! Things are not completely back to normal yet, so please make sure to check at the Range Building or on the Web-Site to make sure what the rules are before coming to the Range. We have also re-opened to the public, but there are still rules in place for Covid-19 protection... like maintaining 6' social distancing, wearing masks inside the Range Building, etc. So make sure to check the current requirements at the time of your visit, as things will probably continue to change as the days go by and we come to better grips with life in the Corona Zone. Anyone for a lime with their Corona?

Continuing on from my last submission to this most distinguished publication, I have some additional awards to mention that were presented in the world of Registered Skeet for last season's competition... the Class All American's. Detroit Sportsmen's Congress is home to 3 First-Team Class All-American's. Basically, what this means is that these individuals earned a sufficient number of points during the season to put them at the top of their respective Classes. The Classes, themselves, are based on shooting averages, with the higher averages being slightly better shooters. Points are accumulated based on winning either Event or Class top places at registered shoots during the season.

Those DSC shooters that earned spots in the NSSA Class All-American Teams were:

Andrew Bielman
Class A First Team

Jerry Kott
Class B First Team

Pat Fowler
Class C First Team

Please join me in wishing the 2020 Class All-American Team members from DSC a hearty congratulation!

That's it for now!
