Tom Zwierzchowski shows off his double fish winner from the 2021 Winter Fest held Feb. 13.

## Camping

Welcome back campers. It was great to see everyone that made it out for Winter Fest. It was a fun-filled day with lots of events and games. Unfortunately, none of our kiddos caught any fish. We did have one lucky guy catch two big ones. Congratulations to Tom Zwierzchowski who won, First Fish and Biggest Fish.

Camping season is finally here and we are very excited to have you all back. We are making a few changes for the 2021 season. Starting this year, the boathouse has been transformed into the Youth Activities Center. Here we will have games (free),

snacks, drinks and ice cream sales. We plan to open this on weekends and all holidays. Also new for this year, we will have bigger and better movie nights. We received a new movie screen, projector, popcorn and cotton candy machines from generous donations.

Another new addition this year will be a monthly newsletter. This will have all the latest happenings at the campground including upcoming camping events and campers' meetings. We are looking forward to another great season, happy camping.

## Pistol

Yes, with the warming of the sun; the chirp of the season's first birds; let the sweet sound of lead on steel ring out. It is once again time for one of DSC's favorite activities for both young and old – the .22 Steel Match.

This match, see flyer on Page 8, is held on the outdoor pistol range one Sunday a month {between April and October} giving shooters the opportunity to not only try their hand at speed shooting, but on something other than paper. I keep being told that there is something satisfying about the instant feedback of the ringing of those steel plates.

This is also a great way to introduce and recruit new members as upwards of half the shooters are 'walk-ons'

from outside the DSC. Many of the groups are family members who compete against each other – boys, girls, young, old, experienced and novice.

The way we run the course of fire allows for a less demanding "all in fun" competition while still being safe for a first timer to try their skills without extensive training or practice. The only frustration I see is people who are challenging themselves to do better each time they come. And, that is what I tell anyone who asks – you are really competing against yourself. That is the key; self-motivation. It drives the 'fun' part of the sport. Isn't that just what it should be?

## Black Powder

In competition news, we had two events in the last few weeks. In late February, we held the annual Winterfest event. The weather was cold but sunny with no wind. Fifteen competitors signed up for the fun. The winner of the shooting contest was Larry Mobley with a score of 12 of 15. We also had Hawk and Knife throwing competition and the winner there was Gary Radue. It was close, as three competitors scored 9 points, but Gary won on tie-breakers. It was a nice turnout for a very cold day. A couple weeks later was the March black powder Woods-Walk. The weather was sunny again and cold. There was absolutely no wind. When you shot, the smoke hung thick in the air. Five shooters again braved the weather and were rewarded with a good time for their efforts. The top shooter was again Larry Mobley. There was a great turnout of range offic-

ers and general support for both events that made the events go smoothly and fun was had by all. The mini-rendezvous continue on Tuesday every week and the

# Rifle

The Fred Wallwork Memorial Potato Shoot was held March 14. In this event, 6-potatoes hanging at 50 yards are shot using rimfire rifles. Firing is from the standing position except juniors, who can shoot from the benches. The weather was cold, sunny and very windy. Those little potatoes were swinging in the wind. A record 32 shooters participated. That is probably eight—10 more than we have ever had. We can probably thank Jim Rhodes for his extra advertising in e-mails to the DSC google groups. In the junior category, the winner for least time was Jack May (2:06) and the winner for lowest rounds (13) was Chris Gottschalk. For the adults, the winner for least rounds was Jim Rhodes (11 shots) and John Edgell won for the least time (3:48). Complete results are on the DSC website "Shoot Results" page.

April is a busy month for the rifle committee. We start

with the Easter Egg Shoot Saturday, April 3. This event is ever popular. The contest is to shoot 6 decorated hard-boiled eggs. There are three award categories, least time, least shots and the best decorated eggs. Shooting is done from the prone position. Given the turnouts at the groundhog and potato shoots, I expect a lots of shooters. Next, we have the annual range work bee Saturday, April 17 at 8:30 a.m. Because of COVID, we did not have one last year. This means we really need to clean and organize the range building, the 200-yard container and repair target backers and frames. Come on out if you need some workhours. Finally, the CMP service rifle clinic and match is Friday evening April 23 and during the day Saturday, April 24. See the flyer in this month's P&K or on the education page of the DSC website.

## Archery

Happy Easter! The Archery Committee is wrapping up the first league in the new indoor range. Looks like we may have a new Spot League champion as well. Ken Adams has been shooting lights out the last few weeks to take over the top spot. This is a big improvement from what he was shooting early on in the league. Ken definitely has left his mark this league.

This month will bring on the outdoor Spring 3-D league. We were not able to have this league last year, so I am hoping for a good turn

out this year. The league starts April 26 with a shotgun start at 6 p.m. This will be an eight-week league with a banquet June 21. For those who have not shot this league before, the format is 2-person teams shooting 15 targets each. Scoring is handicap based so everyone has a chance to win. In addition, work bees will continue on Mondays until the start of the Spring 3-D league. These work bees will be Mondays from 4 p.m. – Dusk. One final note. May 1 the 3-D range will be open on weekends.
