Skeet & Trap

HELLO from Skeet & Trap!

We have a LOT to report this month, which is a good thing.....

First and foremost, we are very pleased to welcome our new full time range officer, David Brown. He started Saturday, June 12. We look forward to the resumption of our standard Skeet and Trap Range 'Open' hours of: Wednesday 10 a.m. - 6 p.m., Thursday 10 a.m. - 6 p.m., Saturday & Sunday 10 a.m. - 4 p.m. and Friday 4 p.m. to dusk (thank you Women of Aim) Note that the last scoreboard goes out a half hour prior to closing.

Special thanks to Bonnie Palmer and Chris Tomkow who helped so much through this process. Also, thanks to the DSC members who volunteered their own time in order to keep the range open as much as possible prior to Brown's start date. While only a few did, it was nice to see some go far out of their

way to support our club. Without such commitment, none of it works!

July 3 & 4 is the Evans Memorial registered skeet 2-day event. A Doubles event will be held that Saturday morning. It is \$40 per event including fees and their normal 'added money'. Come on out and give it a try! They are always very well-run events and a LOT of fun.

A special thanks to Rick Trawinski and his crew for all of the time they put into these events. Give him a call. He's a great guy and always willing to help with any questions you may have. He can be reached at rick-traw@gmail.com or 586-634-1795.

You may not know it yet, but there is now a 5-stand set-up at Skeet & Trap. Come out and give it a try!! Believe me, Bill Saylor has some interesting presentations and he and his crew have put a

Camping

Summer is under way at Horseshoe Lake, with campfires, swimming and memories being made.

June 12 was our youth fishing contest and we had a blast. We had prizes and plaques for Most Fish, Biggest Fish and Smallest Fish.

Congratulations to the winners, Luke, Raylan and Alex & Noah. Yes Alex and Noah fished together, but to keep it fair we divided their total in half. They caught 30 fish giving them 15 fish each. They earned the title of Most Fish.

Raylan caught 7 fish. His last catch of the day being an 11" bass earning him Biggest Fish. Luke caught 4 fish with the smallest being just

3" giving him the smallest fish. Way to go boys!

July will hold even more summer fun. During 4th of July weekend, we will host another movie night, bounce house for the kids, glow parade and live music. Please remember fireworks and sparklers are not permitted at Horseshoe Lake.

We will feature a youth craft July 10 and the 2nd Annual Water Wars and Shop the Lake July 17 from 11 a.m. to 4 p.m.

To wrap up the month, July 24 we will have Christmas in July with our special visitor. Let's keep making great summer memories.

Rifle

The DSC held a Civilian Marksmanship Program (CMP) "Modern Military" match June 6. This match focuses on modern semi-automatic military type rifles. Twelve shooters participated. The top shooter was Larry Frey with second and third going to Jim Parsons and Rommel Suelan, respectively. I was not able to attend but have heard that it was a fun match and is a nice compliment to the other CMP matches that the DSC holds every year.

Once again, the DSC will host the Michigan Rifle & Pistol Association (MRPA) state championship for smallbore silhouette. This will take place Saturday and Sunday, July 17-

18. Please note that the rifle range will be closed for other activities that weekend.

The next CMP matches are Aug. 1 with Vintage Military Rifles such as old Mausers and Springfields. The other match is for M1 Carbines and it follows directly after the vintage military rifle shoot. These matches are nice low-key competitions. They are a great way to try out rifle competition so come out and give it a try.

Further details on these upcoming events can be found on the coming events page of the DSC website or elsewhere in this issue of the P&K.

Archery

The Spring 3-D league is wrapping up already. With two weeks to go, the team of Bob M. and Gary L. have a half point lead over the team of Jeremy Y. and Jack D. There are several teams that still have a shot (pun intended!). So far, it has been a great spring league with good weather and great camaraderie.

It is almost time for the Archery Fall 3-D and Broadhead Combo League to start. The first evening of shooting is July 26. Sign up starts at 4:30 p.m. and there is no set start time, you just need to be done before dark. In addition, the second session of the Junior Olympic Archery Development (J.O.A.D.) will begin July 15.

Food Drive Donations

Our first 5-day Food Drive provided a second collection was a success! A great big thank you to all the DSC members who donated items to supply the Veteran and Community Food Pantry run by American Legion Post 351 and Utica Trinity Lutheran.

A team of DSC volunteers braved the rain and wind June 19 to work the contactless collection from members who drove to the club with donations. The campground

provided a second collection site.

We received instant oatmeal, canned meat, fruits and vegetables, pastas, spaghetti sauce, single serve canned meals and Boost protein drinks. The pantry is open to anyone that needs assistance. Call 586 801-0081 for more information, schedule an appointment or pick up donated items.

Dangers of Being a Western Cowboy on an 1800s Cattle Drive – “It Was No Sunday Drive”

Cowboys keeping diaries on cattle drive was rare. However, a book titled “Trail Driving Days” does mention one diary kept by an early cowboy on a south Texas to Iowa cattle drive in 1866. This was about 10 years before cattle were driven up the long Western Trail to Dodge City, Kansas.

This particular 1866 drive consisted of about 1,000 head of cattle. The diary makes mention of two big fears, weather and stampedes. The diary was kept George Duffield.

Here are some excerpts from his diary that best describe the hazards of a long cattle drive:

May 1, “Big stampede. Lost 200 head of cattle”. May 8, “Rain pouring down in torrents. Ran my horse into a ditch and got my knee badly sprained”. May 9, “Still dark and gloomy. River up. Everything looks blue to me”.

George Duffield continued to drive the cattle through Texas and after a difficult crossing of the Brazos River near present day Waco, Texas, he attempted to cross the Red River into Indian Territory.

His diary entry of May 31 states, “Swimming cattle is the order. We worked all day in the river and at dusk got the last beefe (diary spelling) over. There was one of our party drowned today”. “15 Indians came to herd and tried to take some beeves. Would not let them. Had a big muss. One drew his knife and I my revolver.

After crossing the Arkansas River June 27, George Duffield wrote. . . “My back is blistered badly from exposure while in the river and I with two others are suffering very much. I was attacked by a beefe in the river and had a very narrow escape from being hurt by diving”.

George Duffield’s cattle drive finally ended when the herd reached Ottumwa, Iowa Oct. 31. There he sold his herd. By the time the cattle drive reached its’ destination it had about 500 of the original 1000 head.
