September 2021

Number 9

2021 Scholarship Recipient

Dear DSC Members and Board of Directors,

My name is Skylar Moorefield and I want to thank the scholarship committee for awarding me with a scholarship to continue my education this fall.

I stated my journey at DSC when I was 12 years old with Junior pistol and rifle nights. My pistol days did not last long because I was not very good. But, I continued on with rifle for about four years. I enjoyed attending the Christmas, Easter, and Thanksgiving shoots throughout those years.

During that time, those Friday nights were what I would look forward to every week. I met some pretty

amazing people who inspired me to be a better shooter and have fun. The person that brought me into the shooting world was my grandfather, Stan Surratt. He and my Grandmother would take me shooting every Friday night, where they would watch me shoot and provide encouragement. So, I want to thank them for being the best grandparents ever.

Stan is the reason why I was able to apply for this scholarship. He made me a part of an amazing community of people. I am grateful to be his granddaughter.

In the fall, I will be attending Oakland University to pursue a degree in electrical engineering.

Thanks to the generous scholarship I received, I will be able to focus more on the most important aspect of school, learning.

Lastly, I want to thank anyone and everyone who was a part of my journey at the DSC. I truly loved and have

missed spending my time there. I love this community!

Sincerely,
Skylar Moorefield,
Granddaughter of Stan Surratt
Oakland University -
Class of 2025

Black Powder

The Clinton River Muzzleloaders sponsored a special event to honor and celebrate the DSC Range Safety Officer volunteers. This special woods walk event was held Saturday, Aug. 14. Current RSOs of all venues had a chance to try out the DSC Black Powder/Woods Walk range. They got to shoot for no fees as all charges were picked up by a couple of DSC members. About 15-20 range officers came out and their reactions were quite positive. Some enjoyed shooting on a range that they barely knew existed. Others enjoyed learning about black powder shooting and all seemed to appreciate

that their Range Safety Officer service had been recognized and thanked. I hope we do it again.

The monthly muzzleloader wood walk was held Aug. 8. The weather was warm and muggy. Even so, seven shooters came out, braving the mosquitoes and mugginess. DSC was well represented by three musketeers. Marty Greiner, Eric Giesl and myself were the top three finishers. Of note, Marty had the best trick shot for the day. We challenged him to shoot the target through a leaf that was covering some of the

Show sponsored by the DSC Life Member Committee

Rifle

The DSC hosted the Michigan Rifle and Pistol Association State Championship for Smallbore Silhouette July 17 and 18. Fourteen shooters attended. The DSC was well represented in both attendance and honors. There are two categories. One is for rifle set-up specifically for smallbore silhouette competition – Standard Rifle. The other is for regular 22 hunting rifles – Hunting Rifle. In Standard Rifle, the DSC had two winners. Gary Dawson was the state champion while Steve Schneider finished first in B class. In Hunting rifle, Gary finished first in AAA class, Jim Rhodes was first in AA class, Corey Salo was first in A class, and the author finished first in B class. The weather was good and it was a fun event.

The DSC hosted two CMP Games matches on the Rifle Range Aug. 1. One was for M1 carbines and the other for vintage foreign military rifles. There were seven shooters for the carbine match. The top shooter was the author with a score of 347 – good for a silver medal. Next was Jim Rhodes with a 323 – one point from a medal. However, special thanks goes out to Jim for not only running the match but actually supplying the M1 carbines for six out of the seven competitors. I think I got to shoot his best one.

In the vintage military match, there were nine entries. The top shooter was Jim

Rhodes shooting a 257 with his M1917 Enfield. Special mention goes to Mike Lucas. He shot a score of 280 with both his M1 Garand and 03A3 but was out of competition for the foreign bolt gun category.

The DSC will host a match specifically for the M1 Garand and 1903 and 03A3 Springfield, Sept. 19, so Mike can do it again then.

This is another fun match for the old guns and I hope you can come out and give it a try. Further details on this event can be found on the “Coming Events” page of the DSC website or elsewhere in this issue of the P&K.

By Walter Opdycke

Steve Osinski

Steve ,passed away at the end of July. He was a long time member and shotgun shooter. Additionally , he was grandfather to member Andrew Bielman.

The Detroit Sportsmen's Congress

###Survivors#

The Detroit Sportsmen's Congress has two Proshops, one located on the first floor of the Pistol/Shotgun building on Dequindre Road and a second down in our Sporting Clays range building in Delaney Park.

Both Proshops stock a wide range of shooting accessories, including cleaning supplies, gun cases, holsters, magazines and eye and ear protection.

We can also special order firearms from all major gun manufacturers, including a wide variety of competition rifles, handguns and shotguns as well as all the most popular self-defense and hunting firearms.

Of course, if you are looking to feed your favorite 12ga shotgun or a new 9mm handgun or that 5.56 competition service rifle, the DSC Proshop has the ammunition and reloading components you need most.

DSC stocks a WIDE variety of powders, primers, projectiles, brass, wads, hulls and lead shot from all your favorite manufacturers including Berger, Sierra, Hornady, Remington, Winchester, Federal, CCI, Eagle, IMR and many more.

Thanks to our direct buying relationships with major suppliers and manufacturers we offer **MEMBER ONLY** pricing for almost all items in the Proshop.

We also offer a wide variety of DSC logo gear from all your favorite venues including polo shirts, hoodies, t-shirts, hats, vests, and other classic DSC swag.

To place an order or ask any questions about inventory or other items offered for sale please contact the DSC Proshop at **(586) 739-3502**

Monday & Tuesday
CLOSED

Wednesday & Thursday

10 a.m. - 6 p.m.

Friday- CLOSED

Saturday & Sunday

10 a.m. - 4 p.m.

The Proshop accepts most forms of payment including Cash, Personal/Business Check Master Card or Visa

We love our customers and always welcome your suggestions for products and services offered in the Proshop. Please don't hesitate to contact us to tell us what we are doing right or what we can do to improve.

Junior Skeet & Trap

DSC has developed our Junior Shotgun Program into a great youth program dedicated to the shotgun clay target sports. As our motto states; "We Break Clays". We are partnered with the Scholastic Clay Target Program to participate with a fantastic organization dedicated to teach and demonstrate sportsmanship, responsibility, honesty, ethics, integrity and teamwork. This allows us to develop coaches under the Positive Coaching Alliance, team funding through USA Midway Foundation and opportunities to shoot under National Skeet Association, National Sporting Clays Association, American Trap Association and USA Shooting to pursue their Olympic dreams.

Our DSC Junior Shotgun Team has participated in three organized shooting events, S.E. SCTP Conference Championship hosted by DSC, SCTP State Shoot hosted by The Detroit Gun Club and SCTP American National Championships hosted by The Cardinal Shooting Center in Marengo, Ohio.

The DSC Junior Shotgun Team competed in the S.E. SCTP Conference Championship hosted by DSC May 15, 2021. Let's give a big shout out to the following athletes who competed in this event: James Beatty, Bryce Bolman, Dakota Gentry, Chris Gottschalk, Blake Griffith, Colton Hensley, Logan Lambert, Sid Ryszka, Jeremy Salisbury, Matthew Shepan and Sydney Wells.

The day was split between sporting clays in the morning and skeet in the afternoon. Watching our athletes getting ready for their competition, I noticed a mixture of nervousness and excitement. We practiced over the prior months getting ready for the event; forming our squads, developing friendships and increasing the competitive experience. Our day finally arrived and glint of our athlete's eyes showed them thoroughly vetted in the upcoming tournament.

As the horn blew for sporting clays, shots rang with an echo. DSC junior shotgunners summoned all they had and shot the entire 100-round course. When finished, up to the skeet fields to prepare for another shotgun sport. A small break, something to eat and hydrate, change chokes and get ready to shoot skeet when the referee called your squad. With no time wasted, the DSC Junior Shotgunners went through another 100 rounds in record time.

When all is said and done, medals were coming our way. There were eight gold, six silver and three bronze medals awarded our DSC Junior Shotgunners including one member, Matt Shepan, who was awarded gold medals as TOP Shooter Athlete in Sporting Clays, Intermediate/Entry Level and TOP Shooter Athlete in Skeet, Intermediate/Entry. As an added bonus, Matt shot his first 25 in skeet competition!

I want to give thanks to the many people who made it pos-

sible for us to run this event. Without them, it would never have happened. Thank you Al McGee and crew in Sporting Clays for a job well done, Rick Trawinski for setting up the skeet and special thanks for Frank Pantalina and Rich Curlett for going well beyond what was expected; all day pulling and refereeing for a multitude of shooters! The SCTP officials, participants and I appreciate everything you did to make it happen.

In final thought, as their head coach, I could not have been more proud of our athletes. They represented themselves with dignity and good sportsmanship throughout the games. As our motto says: "We Break Clays".

Congratulations to the following athletes and team squads in sporting clays; Matt Shepan Gold Medal for Top Gun Intermediate/Entry level class, Team Squad Members Matt Shepan, Dakota Gentry, Bryce Bolman; Gold Medal winners Intermediate/Entry level class, Team Squad Members Colton Hensley, Sid Ryszka, Jeremy Salisbury; Silver Medal winners Senior/Varsity level class.

Congratulations to the following athletes and team squads in skeet; Matt Shepan Gold Medal for Individual High Gun Intermediate/Entry level class, Team Squad Members Matt Shepan, Dakota Gentry, Bryce Bolman; Gold Medal winners Intermediate/Entry level class, Team Squad Members Colton Hensley, Sid Ryszka, Jeremy Salisbury; Silver Medal winners Senior/Varsity level class, Team Squad Members James Beatty, Logan Lambert, Blake Griffith; Bronze Medal winner Junior Varsity Level Class.

The DSC Junior Shotgun Team had also competed in the SCTP State Shoot at the Detroit Gun Club June 18-20. Thank you to all the parents and athletes; Bryce Bolman, Dakota Gentry, Chris Gottschalk, Colton Hensley, Logan Lambert, Sid Ryszka, Jeremy Salisbury, Matt Shepan and Sydney Wells.

Congratulations to the following athletes and team squads in sporting clays; Team Squad Members Matt Shepan, Dakota Gentry, Bryce Bolman; Bronze Medal winners Intermediate/Entry level class.

Matt Shepan also won Michigan All State Team 2021 Sporting Clays Intermediate/Entry level class.

Congratulations to the following athlete in skeet; Dakota Gentry who won the Michigan All State Team High Lady 2021 Skeet Intermediate/Entry level class.

As the summer progressed the SCTP American National Championships presented itself at The Cardinal Shooting Center, Marengo, Ohio between July 10-17, 2021. It was my understanding that the SCTP and SASP set a new record attendance and event participation. Our DSC Junior Shotgun Team had two representatives, Colton Hensley and Jeremy Salisbury. A great time was spent by all as there were many side shooting activities, sporting vendors, great food, etc. to choose from.

Clinton River Muzzleloaders Present:

22 Rimfire Rifle Woods-Walk Shoot Saturday Sept. 25, 2021

Primitive Range in Delaney Park at the Detroit Sportsmen's Congress.

This is a fun shoot for 22 rimfire (S,L and LR) rifles.

Registration: 9:45-11:30 a.m. The first safety briefing begins at 10 a.m. with the shoot commencing afterward. Firearms with non-removable magazines will be loaded at the firing line only. Removable magazines may be loaded between stations but not inserted until the shooter is at the firing line.

There are four divisions; Adult – Iron Sights, Adult – Optical, Junior – Iron Sights and Junior - Optical.

Re-Entry for another division is allowed

The junior division is for shooters 16 and under.

Juniors must be accompanied by an adult.

The course of fire is five shots each on 10 hanging steel targets at various distances between 20 and 60 yards in the woods.

Range Officer scoring decisions are final.

Fee: \$10 per shooter. Shooters 16 and Under: \$5.

For Safety Reasons, NO 22 MAGNUM or 17 Rimfire AMMO!

target. He put a nice hole in the leaf and hit the target too. The most interesting rifle at the match was a Hall rifle made in the 1820s. It is notable because it was the world's first military breechloading issued in significant numbers. They were made at the Harpers Ferry Arsenal. This example had been converted to percussion sometime before the Civil War. It was cool to

see it shoot.
September brings us two special Black Powder events. Sunday Sept. 12, we have the monthly Black Powder Woods walk and Saturday, Sept. 25 we have the 22 rim-fire rifle woods walk. You can find details on these events in flyers on the Coming Events page of the DSC website or elsewhere in this issue of the P&K.

1800s American Cowboy Fashion & Dress

The American cowboy roamed the plains west of the Mississippi River. His job involved tending cattle, usually miles from where he lived and for months at a time. So, the cowboy developed a functional manner of dress that suited his unique lifestyle. Some of the key elements of cowboy attire have entered the American popular imagination and become symbols of a romantic and lost way of life.

American cowboys borrowed much of their clothing ideas from the earlier “vaqueros” or herdsmen of Mexican and American Indian descent who migrated northward over the Rio Grande River into Texas. Necessity dictated the cowboy’s way of dress. He had to carry everything he might need with him on his horse. Cowboys were plagued by many dangers, including hostile American Indians, cattle rustlers, rattlesnakes, sudden rain-

storms, flooding rivers and stampeding cattle. Consequently, everything the cowboy wore or kept close at hand was designed to help him overcome these obstacles. A typical cowboy outfit consisted of the following items: **Shirt** usually made of muslin (cotton fabric). In the 1890s most work shirts were of the pullover variety, had buttons or lacing running partially down the front. A large **kerchief/neckerchief** tied loosely around the neck performed a variety of functions. He could use it to protect his mouth and nose from dust, cover the back of his neck to protect against sunburn, or use it as a makeshift sling for a broken arm. A **wide-brimmed hat** to protect the wearer from the harsh elements of the open plain. The most famous cowboy hat of all was designed by John B. Stetson of Philadelphia, Pa. Many cowboys wore Stetson hats that came to be known as “**The Boss of the Plains**”. To protect his legs while riding through the thorny brush, the cowboy wore a set of leggings called **chaps**. “**Chaps**” is the Mexican word for leggings. They were made of leather or hide, often with fur left on the outside, and covered only the front of the legs to allow for movement. The most expensive item of cowboy wardrobe was their **boots**. A high “Cuban” heel would prevent the boot from slipping through the stirrup. They could grind the heel into the ground when roping a steer or calf from the ground. **Spurs** were used to control, but to never punish, the horse. At times there was a need for **guns** and all men carried them. No pistol of less than .44 caliber was tolerated on the range. .45 caliber being the most universally used. The **saddle**, a cowboys most valuable possession. A good stock saddle weighed 40 to 50 pounds. It came with a prominent front horn made of steel and a **rope** coiled and tossed over it.
