Juniors refining their skills

Traveling Junior Archery

Thank you everyone for helping to grow the junior archery team. We have 21 archers for this year's indoor tournament season. While not everyone travels, we have a great young group learning the tournament process. And next year, we will help these young people bring home medals.

What are we doing to make this happen? We are shooting the A and B lines and with a shot clock and music in the background just like the tournaments. The returning archers are getting familiar with the equipment inspection and the time frame to get on the line. Everyone is getting comfortable marking the target and scoring. We been shooting ten ends to build shooting endurance. We will be shooting 20 ends, just like in the tournaments, in the upcoming weeks. The Wednesday trainings will have everyone ready for the upcoming indoor tournaments. If you would like to join us, stop by the indoor archery range. We are there Wednesday and Fridays evenings from 5:30 to 8 p.m.

As of Oct. 21, we have the range open Fridays for practice shooting. Archers will be working on their form during these open shooting periods. If you would like to come out and practice with us, please do. This would also be great time to get ready for the indoor spot league. We can't wait to see you on the range.

Election

Nomination letters are back in the office, eligibility has been determined and the slate of candidates is complete. We have 10 members that confirmed their dedication to our club and accepted nominations for the six available Board of Directors seats and two members accepted nominations for the ever important one available seat on the board of trustees. Each of the other executive positions has one candidate.

At the Oct. 5 DSC General Membership meeting, Chairman of the Board of Directors Joe Lupi, introduced the slate of candidates for the '22 election to the membership. We also invited the nominees to address the membership regarding their qualifications for office at the Nov. 2, General Membership meeting. All candidates will be permitted three minutes to address the membership and give their best pitch. So if you want to hear them live, come on out for the November meeting. If you prefer a bit more detailed and private way you can read all about the candidates, see their pictures and review their resumes on the DSC website and in the P & K Election insert.

Voting Timetable

The election officially kicks off Monday, Nov. 21. All voting will take place at the DSC Office or through the U.S. mail. Members may vote during normal DSC office hours during the week. The office will be closed for Thanksgiving Nov. 24 and 25. Additionally, the DSC Office will be open Saturday, Dec. 3, from 10 a.m. to 2 p.m. Polls close Dec. 7 at 8 p.m., prior to our General Membership meeting. You must be in the office to cast your vote prior to 8 p.m. to vote. If you would like, you may vote by absentee ballot (see Absentee Ballot Procedures insert). A sample ballot, with the slate of candidates, will also be printed in the November P & K and posted on the DSC website.

Election

Continued from Page 1

All voting is by official DSC ballot. Each member (or primary family member) gets to make one vote for trustee and you get six votes for directors. If you exceed these vote totals for any one office, you will void your entire ballot. This applies to both in-person and absentee voting. Remember, write in candidates are not permitted.

So...you know the candidates, you know the procedure, you know where the voting takes place, now get up, get out there and exercise your right to vote! As always if you have any questions don't hesitate to give me a ring or an email.

Tad Blankenburg - 2022 Election Committee Chairman

Rifle

"I just can't see iron sights anymore". I remember some of the older shooters telling me this when I first joined the high-power league 15 years ago. Now it describes me. The first real inkling of trouble started 10 years ago. Shooting the AR platform with A2 sights, I began to have difficulties seeing my target at 600 yards. I would start to line up the front post on the target and the target would disappear. I could see the targets on either side, but mine would disappear. Shooting glasses helped. At 200 yards, I was good for another 5 years or so. Then the x counts started dropping, then the tens. I blamed the barrel as it had around 5,000 rounds through it. I changed barrels and it didn't help. I could just see the front post but every year the target became fuzzier and my scores reflected it. Switching to the 03A3 rifle helped, as the front sight is much farther out. But now that is problematic also. Ten years ago, with my best handloads and the

03A3, I could shoot 2-inch 5-shot groups at 100 yards, sometimes better. The other day, the best I could do is 4-5 inches – Yuk. Yesterday, I shot my Remington 700 with a rudimentary 4X Nikon scope and 55 grain FMJ training ammo. Without trying hard, I shot a 1.8-inch group. With a factory gun, ammo and scope I beat my best iron sight, handload combo. No, I slaughtered it. It's time to drink the Kool-Aid and embrace scopes for 100 yards and up. For the time being, I can still hit with iron sights at 50 yards or less – This must be why I can still hit the targets on the muzzleloader's woods walk. Well, I'm sure the day is not far off when I can't do that anymore either. Shoot today, you don't know how long you have before the eyes go!

The 2022 Rifle Banquet is Saturday, Dec. 3. We will be in the clubhouse with drinks and appetizers at 6 p.m. and dinner around 7 p.m. I hope to see you there.

Life Member SASS (Single Action Shooting Society)

NRA Certified Instructor for: Home Firearm Safety – Pistol – Rifle – Shotgun – Metallic Reloading – Shotgun Reloading and Personal Protection in the Home.

Do hundreds of work hours for our club each year – some recorded, majority are not. Donated 100s of thousands of dollars of equipment and manpower to our club.

Spearheaded the Campground Bathroom Project, DSC Scholarship Fund, Open House, Clubhouse Renovation, worked on the Campground Electrical, leading the Backfill Project. Heavily involved in new maintenance/archery building, and numerous additional projects, too many to list. Previous Head Coach for DSC Jr. Shotgun, still an Assistant Coach.

Current President and State Advisor for the Michigan Scholastic Clay Target Program (MISCTP)

I have a reputation of trying my best to work with all club committees and maintain an open door policy with all of our members.

I wish to continue in this manner by returning as DSC president and seeing this club move forward for the benefit of the community – sportsmen – and our future members.

and on the Executive Board for 4 years. I been a life member of DSC for 3 years and the life member chairman for two years. I'm a life member on the NRA.

Experience; I was a technician and test engineer for 35 years. In that position I presented test proposals for military equipment, wrote test plans, designed test fixtures, and developed material lists. This experience qualifies me for the position of 1st vice president because it is similar to estimating jobs at DSC. I have been doing maintenance at DSC since I retired in 2012.

If elected; I will continue working with all the committees to improve their ranges. I will work with campground to continue their upgrades. I will continue a maintenance program to keep club equipment in working order.

Second Vice: Jim Rhodes: 2007

I am very fortunate to be able to represent the members of the Detroit Sportsmen's Congress in the matters of Safety for the past 10 years plus. I stepped into this job after being a member of the board for a short time.

I have been a member since 2007 and I started with the club down on the sporting clays range. As

time progressed, I became more involved in all the shooting venues at the club by spending more time on the all the ranges. Seeing all that the members before me had accomplished, I wanted to give back to the club in the way that they had.

I am the owner of a small business here in the Detroit area. Part of the work that we do is to help businesses meet all OSHA requirements for environmental and air quality standards. This has offered me insight to how our ranges should be maintained for safe operation. It is important to all our members to be safe and have a good time while using all the assets of the Detroit Sportsmen's Congress.

We have developed a working safety committee, involving representatives from each club committee. This has allowed us to communicate the needs of the different ranges, drawing from the knowledge of all the range officers in the club. We have been expanding the roll of the safety committee to lessen the burden on the office and the administration.

I still continue to strive to promote the Detroit Sportsmen's Congress. Safety for our members and our visitors is more important to our club now than ever. I look forward to serving another term working with the new board members as well as the members at large.

First Vice: Jim Estes : 2004

I joined DSC to shoot cowboy action. I have been active on the cowboy committee for 16 years. I'm a cowboy RO and a cowboy law enforcement RO. I've been a match director for 15 years. I been an officer on the cowboy committee for 15 years, secretary and safety. I been on the Board of Directors for 8 years

Secretary: Mert Wreford: 1984

Since my retirement as an Automotive Engineering Engineer, Manager and Director of more than fifty years, working in Australia, Germany, Holland, England and here in the US, I have been able to devote more time to the DSC. Specifically as a director, a range safety officer and a law enforcement range safety officer. I have also helped in the Basic Pistol and CPL Classes. I first joined the club in 1984, left for England in 1986 and rejoined in 1994. Following a brief time in Illinois, I came back to the Club in 2013 and have been active in Sporting Clays and Pistol. I was elected a director in 2020 and have served in that capacity ever since.

OPTIONAL EXPERIENCE

As far as experience as a contributor to the DSC, I have been a member, on and off, for 38 years and have served on various committees and as a director so I can contribute this experience plus knowledge of managerial practices to the efficient conduct of the club.

BENEFITS TO THE CLUB

If elected to the position of Secretary, I will make sure that the minutes of the BOD meetings are written and issued within the week of that particular meeting. I will, of course continue with my range safety officer and class duties.

Treasurer: Bob Savo: 1990

I have been a DSC member since 1990 and enjoy all the shooting sports. I have participated in many leagues in support of the DSC as well as representing the DSC at State and National Championships. Being heavily involved in education, my shooting time and thus shooting skills advancement are limited, but receive great satisfaction passing on our collective education committee knowledge to both Juniors and Adults. My ultimate goal is to see the DSC be strong and stable for our future generations.

I have served on the DSC Board of Directors since 1992 as director, trustee, president and 1st vice president. I helped institute committee level budgets at the DSC. Before my retirement from GM, I worked as both service engineering manager and building manager which required serious attention to budgets, finance, building management and construction/reconstruction. I have already applied my financial

Treasurer: Bob Savo cont.

management skills as trustee. I also have extensive project management experience which I applied to both the clubhouse bathroom renovations and the Oxford Campground total electrical upgrade project. Finally was project manager for the new maintenance building and archery extension.

First and foremost, I want to continue a sound financial position for the club. I will draw the committees closer together and to the BOD. I will continue our well-established capital improvement program. Finally I want to see to completion the 3 major projects we have to complete. Lastly, I want to continue to increase the equity of our club for each of it's members.

Trustee: Tim Young : 1976

Member of DSC since the 70s (life member 22 years). I have been past president (2 terms), trustee, secretary and director for numerous terms. I have served on the camping committee for over 40 years and numerous other committees. I am currently completing my three-year term as trustee.

I bring years of experience with the financial makeup of the club and will continue moving it forward with your support.

Trustee: Corey Salo : 2000

I joined our club in 2000 and immediately became involved with the rifle committee and silhouette competition. I became the rifle co-chair and was the chairman for several years. In 2007, I was elected to the board as a director. Then in 2011, I was elected as chairman of board, a position I held through 2018. During 2012, I was nominated and selected to become a life member. So as time has progressed, I have become more knowledgeable and hands on within the club.

After earning my certification as a rifle coach, I have been teaching and then leading our award-winning junior program for more than 15-years. Each year I also instruct several rifle classes at the DSC. Additionally, I am deeply involved with our club's relaunched hunter education program. I believe that strong junior programs and participation are important foundational cornerstones that ensure the club future.

Trustee: Corey Salo cont.

If elected as trustee, I will monitor our financial footing and with the other trustees, help steer us on a fiscally responsible path. The coming years will be a challenge for all clubs, not just the DSC. With the economy, inflation and the current political climate, clubs that survive, are going to have to be proactive not reactive. If you are reacting it is already too late.

Director: Dave Pierce : 1983

I have been part of the DSC for 39 years. I am a life member. I have served in many capacities.

I chaired the Clinton River Muzzleloaders. During my tenure I exercised planning and oversight of construction of the range cohabitated by Black Powder and Cowboy committees. I spearheaded

development of the Black Powder Primitive Range as well as development of steel targets and specifications. Doing so, I interfaced with the Army Sniper Training Program.

I have served as director and parliamentarian. I was elected board chairman. During this time, I prepared reported on safety issues on the indoor range including: air circulation, ventilation, range cleanup, lead handling, safety and range improvements. I interfaced with experts from the Bureau of Mines and Standards and the U.S. Navy.

Most recently, I am serving as a director and representative for Education and Cowboy as well as sergeant at arms. Presently, I am working under assignment to find ways to increase membership.

I have been involved in education for 20 years as NRA instructor in the following disciplines: basic rifle, basic pistol, basic shotgun, personal protection in the home, Refuse to be a Victim, metallic cartridge reloading, shot shell reloading and chief range safety officer. I am also certified by MCRGO.

I enjoy various shooting leagues the DSC has and am a muzzleloading RSO, rifle RSO and law enforcement RSO.

I managed a \$70,000,000 a year advertising operation, with a 12- to 18- person staff, at a major retailer. Working as a commercial photographer/journalist, my work has appeared in over 26 national publications. I produced and edited the world's first traditional shooting sports magazine on the Web. I carry press cards from Professional Outdoor Media Association as well as Michigan Outdoor Writers Association.

I would like to continue to serve.

Director: Ray Ostrolecki : 1982

Been a Member of DSC since 1982, In past years have helped with youth activities, Also worked at the haunted forest for Halloween. Currently work at the welcome center .

Experience: Was enrolled in the UAW leadership training program before retirement, union steward at Borg Warner Automotive. Was a team leader @ Flame Furnace Co.

If Elected: Have been a asset to the club since 1982 and a dedicated member. Enjoy helping out in club activities.

Director: Bill Endean : 1997

Hello my name is William Endean. I've been with the club for 25 years since September 1997 afterwards I became a work B worker and work throughout the campground after that I became a ranger.

I also work security during the change over at the campground. I became assistant manager to Bill O'Connell for 2 1/2 years. I took one year off and then I became lead ranger. I've been lead ranger for more than two years now I have been a lifetime member for almost 5 years now and I still work my hours.

I've been working with people for the last 25 years and beyond in my work history I am a people person and I would like to learn how the club works even though I've been working at the campground most of my 25 years I did do haunted forest there I would like to get more involved in the club operation as well as the campground.

I work really well with people like I said before I'm a people person I would like to learn about the different operations that go on at the club like range. Archery rifle range skeet black powder or anything that has to do with the club.

Director: Mary Ann Hilton : 1995

Hi my name is Mary Ann Hilton. I've been an active member of DSC Campground along with my husband, Roy, since 1995. I've been a ranger, worked the Welcome Center worked many of the dances throughout the years. I've also worked the boat shack Started and run the Shop The Lake for four years in a row with the money we've collected we've helped the Tree

fund, Youth Archery at the Campground and the Youth at the Campground. I now work as an assistant deputy ranger in charge of the B Team Welcome Center and rangers. I love the Campground, my children and grandchildren have been coming here as long as we have been members, and I'm happy to say this year my daughter, son-in-law and their family also camp. I'd like to see both the Club and Campground work together as one and believe I can help make that happen.

Director: Paul Koehn : 2004

December 2004 became a member of the DSC. Became a member of the Sporting Clays Committee January 2005-present Safety Officer for Sporting Clays (took NRA's class for Certified Range Safety Officer) Participated and /or set up work bees for Sporting Clays. 2021 Became a Life Member of DSC

Director: Christine Tonegatto-Salo : 2000

I've been honored to represent our membership as director for four years and hope to continue serving you as director. I've been privileged to be the Women of Aim, Juniors, Clubhouse, Facebook, Plaid & Khaki and Website representative and participated in the Skeet and Trap reorganizing meetings.

My family joined the DSC in 2000 and I became an individual member in 2014. Through the years, I've participated in our club's classes and venues from basic rifle, shotgun and pistol, hunter's education, CPL and Refuse to Be a Victim to rifle leagues, charity shoots, Women of Aim and camping.

I became the P & K publisher in 2019 and used my training and skill as a journalist/editor to unify its formatting and reporting. I became the Kid's Christmas Party chairman in 2005.

After an early retirement from the Marine Corps, I used my leadership and public relations skill for veterans' groups then carried it over to DSC. I have fundraised for our junior programs with craft shows and ballgame outings, promoted the club through social media and helped run the Toys for Tots rifle shoot and toy collection.

Like many organizations, our club has an aging membership. We have a social media presence, through Facebook and our website, that appeals to younger audiences, but we need to draw in the next DSC generation by holding shoots and events they like. I also hope to make DSC a great community partner. I started the DSC Food Drive in 2021 and will continue to make DSC an outstanding neighbor.

Director: Dave Cusick : 2015

I have been a member for seven years. I have been assistant manager of campground for 3 years. I have helped at campground with splitting wood, cleaned bathrooms worked as ranger and welcome center. I love the DSC and want to be more involved in the club. Willing to do the best I can in any way to help club. Fresh ideas and thoughts help. Hard worker. Strive to succeed for the club.

Director: Brian Mathews : 2000

I am 55 years old and an Army veteran. I worked in the automotive field for 35 years as an autobody and paint technician. Specializing in prototypes, as well as custom and classic restorations. My club involvement includes the following: 4 ½ years as lead ranger at the campground, 1 year on Campground committee as safety chairman, 4 years as range safety officer for Youth Archery at campground and 4 years of pistol range safety officer.

I believe that with the years of prototype work that I have done it has given me the necessary skills required for this position. Such as communication, problem solving, working with others as a team and team building. I am ambitious, always willing to get involved and volunteer when needed.

If elected, I would seek additional ways to improve overall membership, promote DSC's name recognition within the sportsman's communities, as well as serve the DSC and all venues equally.

Director: Ed Miller : 2017

My name is Ed Miller I have been member of the Detroit Sportsmen's Congress since 2017 I'm active in pistol, rifle and camping also a lifetime member of the NRA.

I'm also a member of the campground Breakfast Club we prepare and serve breakfast on all holidays and Christmas in July to all campers.

Now that the fall & winter months are upon us October to April, I volunteer most Sundays at the rifle range as a ranger office since 2018. I enjoy all the special rifle events and enjoy working and assisting the various shooters. I also attend pistol CPL practice starting in October.

I pride myself on my abilities to think outside the box. See outside the box, I believe with this ability this would be a great asset. This would lead to focusing on growth, improvements at DSC.

If provided the opportunity to join the board, I would be (honored) to be a part of the future plans for DSC and the campground. My main goal is to see all DSC venues are utilized their full potential. I forward in assisting in the future growth of our DSC.

Thank you for giving me this opportunity.

Director: Mark Thuemmel : 2018

I am an active Black Powder range officer usually hanging out at the range with the Muzzleloaders on Tuesdays and their Woods Walks. I often go to the .22 Steel matches and sometimes you'll find me on the rifle and trap ranges. I love watching the cowboys and sometimes bring my lead ammo that I reloaded for their steel targets on practice days. I've spoken to a few people at Archery introducing myself and getting their input on how things run there and what they'd like.

I try to attend many of the trainings at the club including AR-15, reloading, NRA, pistol, rifle, muzzleloader, shotgun, CMP Garand, LERO, and cowboy. I regularly attend the general and Black Powder meetings and others occasionally.

I started and manage the Black Powder Hotline (586-382-9015). I enjoy cooking and maybe even bringing White Castle's out on the Tuesday Rendezvous with the Black Powder people. I was involved with starting the Range Officer Appreciation Day. I've brought relatives and friends for some of the fun shoots and had a table at the swap meets.

I think I can bring some new blood to the board, a suggestion that I hear from some other members. I think it's important to somehow have food and people at the clubhouse more often. There might be times spending money on advertising or other things that might be worthwhile as well as figuring out what free options are available to us not yet taken advantage of. I'd like more deals at the Pro Shop and more youth participation events. I'd prefer to spend my efforts with "Lessons Learned" from experiences that members liked and did not like and will focus on how we can foster high-quality debate and ideas to move forward.

Director: Matt Ehresman : 2019

I have been a member with the DSC since 3/2019. I have held a seasonal site at the camp ground. During my time at the camp ground. I have helped with odds and in's for things that need to be done on the camp ground grounds. Also I split wood for a full camping season. Along with my wife and I have assisted with various activities for the Youth program. Currently, I am rebuilding the Putt Putt course.

Some of the qualification that I feel I have for the Board of Directors? Currently I run a program at my church called Acts of Kindness. What this involves is I ask members of the church to help other member and or families to with things that they may need done (examples: handy man, gardening, taxes, driving them places). This gets myself and others in-

2022 Absentee Ballot Procedures

1. Following the November General Membership meeting, members may request an absentee ballot be mailed to them from the DSC office. The DSC takes no responsibility for any unforeseen delays by the U.S. Postal Service, either in delivering or receiving absentee ballots.
2. In the upper right hand corner of the ballot, you must legibly write your membership number.
3. Complete your selections on the ballot.
4. Place the marked ballot into an envelope and seal. Label this envelope "ABSENTEE BALLOT".
5. Place the sealed absentee ballot envelope and your DSC membership card into another envelope. Address and mail it to the DSC Office - 49800 Dequindre, Utica, MI 48317, also mark it Attention: Election Committee.
6. The DSC office staff will punch your membership card and your sealed ballot will be placed into the ballot box. If your membership card is not included, the sealed ab-

sentee ballot envelope will be declared invalid and destroyed. You must include a self-addressed stamped envelope so that your card can be returned after it has been punched. If a self-addressed stamped envelope is not included, the card will be retained at the office for you to pick up. It is not the responsibility of the office or election committee to return your membership card.

7. When the election committee tallies the ballots, they will open each sealed "ABSENTEE BALLOT" envelope, remove the membership number located in the upper right hand corner of the ballot, and count them as regular votes. These envelopes will not be opened by anyone other than the Election Committee.
8. All ABSENTEE BALLOTS must be received by the DSC Office before 8 p.m. the day of the December annual meeting. It is the member's responsibility to respond in a timely manner.

Director: Matt Ehresman cont.

involved and helps others in need. Also, I am a foreman for a commercial HVAC company. At any given time I have several people looking to me for answers and or solutions. I communicate with others and willing to help others if needed.

Benefits that I can bring to the DSC? I feel that I could assist in getting more people involved with activities at the club and camp ground. Which in turn would get more interaction with club members between the Club house and the Camp ground. I have the personality to connect with many different personalities. Which gives me the ability to get along well with others and get them involved in activities and with others. This can assist in making the club and camp ground a better community.

COMMITTEES - Past & Present

For fifty years the club has survived through the combined efforts of its Officers and Committees. We Salute the committee chairman and their committee members for the work and leadership they have displayed to make the D.S.C. "A Club For People OF All Interests." Although, for one reason or another, all Committees may not currently be active but they did serve a purpose and were a very important part in the growth of our club.

Conservation Pledge

I give my pledge as an American, to save and faithfully defend from waste, the natural resources of my country, its air, soil and minerals, its forests, waters and wildlife.
