December 2022

Number 12

Pistol

This season, many a work hour was spent cleaning up what winter 2022 left behind, fixing and redoing, remodeling and repairing and making significant improvements to the Pistol outdoor shooting range and its several storage structures. A big thank you to all the volunteers who donated their time and their expertise to complete these projects!

Taking advantage of a beautiful November day, master tool man Larry Hafner (pictured below) puts the finishing touches on shed P2's recently installed steel roof. With new siding and a fresh coat of barn red stain, shed P2 will be ready to rock and roll next spring!

"What's next Stan? This is fun and we still have a couple of hours before dark."

From the members of the pistol committee to our entire DSC family, "Merry Christmas and a Happy New Year!"

DSC Scholarship

The Detroit Sportsmen's Congress Scholarship Fund is accepting applications for our two DSC scholarships from the children and grandchildren of voting members in good standing with a minimum of two years of DSC membership and our junior members. Each student is asked to complete an application and essay. Applicants must also include two applicant appraisal forms and an official high school/college transcript. Application packets are available at the DSC office now. Deadline for submission is March 1, 2023.

Start the year right. Reactive target shoot Jan.1 at the rifle range from 10 a.m. to noon.

Sight In Season is now over and it was good year in spite of the scarcity of ammo. We are now back to our usual winter hours for open shooting – Sundays, 11 a.m. to 3 p.m. The next special event is the annual Christmas cookie shoot, Sunday Dec. 18. For details, see the flyer on the “Coming Events page of the DSC website or in this issue of the P&K. The annual Rifle banquet is Dec. 3. League winners will be announced.

The Tactical Prone league had 12 shooters compete, with 7 shooters completing the 10-match course of fire for high power and 4 shooters did so for the 22 rimfire league. The overall high-power winner was Larry Remynder with a score of 2000-139x. Rick Nowicke won the “Highest X Count” and finished second (2000-120x). High single match award went to Gary Dawson with a 200-15x. Larry Remynder won the 22RF league with a 1914-53x.

In High Power League competition, we had 16 shooters compete and 12 completed the 10 required matches. The Grand Champion was Rick Nowicke with an average score of 491.7. The position champions are; Standing – Jim Parson (486.6-146x), Sitting – John Calabria (481.6-121x), Rapid Prone – Larry Remynder (472.8-111x), and Slow Prone – Gary Dawson (476.5-96x) The Highest Single Match award went to Larry Frey (493-16x) The Lewis Class award winners were Matt Dering for Class A, and Stan Surratt for Class B.

Black Powder

The recent shortages on shooting materials has me thinking of the various black powder shooting components again. I mostly shoot 50 cal. round balls. Traditionally, I have shot Speer Round balls. This for no particular reason except that they were what one could easily find at most muzzleloading supply houses or big box stores. Then they dried up for about 18 months. I was forced to look for other sources. I was given some cast balls and used them for some time. They shot well. I really couldn't tell much difference except that every once in a while, there would be a ball that was hard to start or gave a an unexplained flyer. For a while, casting seemed the way to go. Recently, I saw the Speer balls on sale, so I bought them. I was interested so I compared them to the cast balls. Well, there is no doubt about it, the swaged balls are more uniform in size and weight. I guess I shouldn't be surprised by this, and one should not read into this that swaged round balls are better than cast. First, cast round balls are dirt cheap and you never have to worry about run-

ning out of them. But to get the maximum accuracy, you do need to do some work. It would pay dividends to separate the cast balls by size and weight. Those outside the averages should not be used but simply recast. In that way, it is unlikely that you will be able to see a difference between cast ball and swaged ball performance. There is a parallel in modern rifle shooting. Top service rifle shooters frequently weight the bullets they use for the 600-yard line. It's the same thing.

Sunday, Nov. 13 was the Monthly Black Powder Woods Walk. It was a cold grey overcast day with spitting snow flurries. Four Shooters participated for this 15-shot event. Everyone else must have been over at rifle getting ready for the firearm deer season. The participants had a good time. The author made bean soup for lunch and we finished it off. The next BP woods walk is Dec. 11.

Cowboy Range Schedule of Events for December 2022

Saturday, Dec. 17 – 10 a.m. Cowboy Committee Meeting

Cowboy Range Match Results

Nov. 6 – Cowboy Silhouette Match. Twenty-Two participants. Top five shooters as follows: (1) Terry Davis; (2) John Larson; (3) Fred Janeczko; (4) Dan Fox; (5) Paul Lape.

Week of Oct. 16 - Land Run, SASS National Championship, Oklahoma City, Okla.

Three DSC Cowboys participated in this SASS National Championship. The DSC Cowboys were Tom Doudna (Camptown); Kerry Hammer (Shelby Kid) and Joe Lupi (J.J. Longley). In all, there were 680 competitors who shot 12 stages over three days. Joe Lupi reports that this was one of the most well-run Cowboy matches he has attended. In addition to a great match, there was a Wednesday night reception for all competitors at the National Cowboy and Western Heritage Museum. An awards banquet was held in the museum banquet hall on Saturday evening. Some incredibly fast shooters were awarded top honors along with 100 clean match competitors. We are happy to report that Joe Lupi, DSC Committee Chairperson, shot the National Championship "clean". Nice job, Joe, and congratulations.

Cowboy Range Winter Schedule

Except for practice on Saturdays, Cowboy Range competitive events are closed for the remainder of the year. The DSC Cowboys would like to thank everyone that participated in Cowboy Range events throughout the 2022 shooting season. We value your support at our scheduled matches.

You are invited to join us in 2023. Our next scheduled event is a Cowboy Action Match, April 16, 2023. In the meantime, the Cowboy Range is open for practice every Saturday from 10 a.m. to noon. You are welcome to join us.
