

Junior Shooters
Trial of the Scholastic action Shooting Program
At
The Detroit Sportsmen's Congress

Junior Shooters: This program is for you!

Cost: \$5.00 per shooter per night, ammunition, \$4.00 per 50 rounds.

When: August, 7-14-21-28, 2024, 5pm – 7pm

Where: Outdoor Pistol Range, Detroit Sportsmen's Congress

Firearms: .22 cal. Magazine fed semi auto pistols or rifles, Bring your own, or use DSC pistols, sorry, no rifles, yet.

What will you be doing?

This program is modeled after the USPSA Steel challenge (sort of). The challenge is to combine accuracy and speed to shoot all steel targets in the lowest combined time. The intention is to build on the accuracy training learned during the winter Junior pistol and rifle programs, then add the speed component. As this is a trail run, your input will be valuable in determining if DSC will offer a full program next summer.
