

2025 DSC WINTER INDOOR SILHOUETTE AIR GUN FUN LEAGUE

January through April

This is league you have been waiting for. Get out once a week and shoot some air guns with friends. This is a 16-week league for both air rifle and air pistol. Instead of the traditional steel targets, we will be shooting paper targets. If the league becomes successful we may transition to steel targets.

Air rifle will be shot at 30 yards. Air pistol will be shot at 18 yards. All targets are sized for stated distance. All shooting is done from the standing position. There will be white or black targets to use, whichever the shooter prefers.

If you don't have an air rifle you may be able to borrow one from another competitor. It never hurts to ask. Just don't beat them with their gun, especially if you borrow mine.

Location: Dean Burnett Indoor Archery Range.

Time: Tuesdays, 7 to 9 p.m. First night Jan. 7, last night to record a score April 22. Banquet May 1.

Equipment: Any air gun of either .177 or .22 caliber is allowed. Sights can be iron or scope. There is no limit on magnification. Red dots are allowed. Pellets only, no BB's. No shooting jackets other than a shotgun vest and no slings allowed.

Course of Fire: Pistol, the course of fire is 10 shots per animal, 4 animals per target, 40 shots per target. Rifle the course of fire is 5 shots per animal, with two of each animal. The animals are chickens, pigs, turkeys and rams. Scores are strictly hit or miss, so 40 is top score on a target. Any shot touching the target line will be scored a hit. 25 minutes per target. Four relays an evening with target change.

Divisions: We have four divisions, two for rifle and two for pistol. Rifle optical and iron sight. Pistol, optical and iron sight.

Fees: League \$15, \$25 for nonmembers for first division. Additional divisions at \$5 each. Range fees are the normal rifle / pistol fees. The league fees will go to prizes and a simple end of season "banquet" (pizza, sandwiches or something similar).

Competition: Competitors must have ten scores submitted in their division to be eligible to win a prize. There is no limit to the number of scores that can be submitted. Winners will be determined by their 10 highest scores. There must be at least two competitors per division to win an award. You must beat someone.

Rules: As is this a fun league the rules are fairly lax. Basically shoot what you have. If you are interested in the official rules, here is the link: <https://competitions.nra.org/media/8911/2023-silhouette-rifle-rules.pdf> The rules covers all forms of silhouette shooting not just air gun.

Notes: If you want to just come out and shoot an air gun, say for the postal league, that is fine as long as we have room. League shooters have precedence and you would not be have to pay the league fee. I plan on offering the juniors to come out and practice as long as there is room available also.
