

Trifecta Military 3 Gun Fun Shoot

This is a multi-gun shoot based on WWII arms. It is also open to modern guns and there is also a rimfire division. In all cases the course of fire is the same. There are three divisions, military, modern firearm and rimfire. Military must use iron sights, any sight is allowed for modern and rimfire. You must use three different guns. There will be a 5 minute sighting period before each stage.

Date: May 1, 12 p.m. to 4 p.m.

Location: DSC Rifle Range

Fees: Member \$15, member junior \$5, non-member \$25 and non-member junior \$6.

Course of Fire: 58 rounds total, 18 pistol, 20 carbine and 20 rifle.

Stage #1 Pistol

Suggestions: military a 1911 pistol, modern 9mm pistol and any rimfire pistol. Shot at 10 yards at the MR-1 target. 18 rounds total. Starting position is the low ready position. 6 rounds max. in a magazine. Holsters not required.

Part A: 6 rounds in 60 seconds. Part B: 12 rounds in 60 seconds with a reload.

Stage #2 Carbine

Suggestions: military M1 Carbine, modern 9mm carbine etc. and any rimfire rifle. Ideally a pistol caliber if not a M1 Carbine. You can use a rimfire for the modern gun division. Shot at 50 yards at the MR-1 target. 20 rounds total. 10 rounds max in a magazine.

Part A: 10 rounds standing in 5 minutes. Part B: 10 round sitting in 60 seconds.

Stage #3 Rifle

Suggestions: military M1 Garand, modern AR-15 etc. and any rimfire rifle. Must be a centerfire rifle except rimfire. The rimfire rifle has to be different than used in stage 2. Shot at 100 yards at the MR-1 target. 16 rounds total. 8 rounds max in a magazine.

Part A: 8 rounds prone in 10 minutes. Part B: 8 rounds kneeling in 10 minutes.

Scoring

Total points of all stages, 580 points possible. In the event of a tie, a two-shot standing tiebreaker will be shot at 100 yards with the rifle.

Notes

Safety is our top priority. All firearms are always to be pointed below the top of the berm. You may trade guns between friends. The match is rain or shine, dress appropriately.

Club Garands will be available for use. A number M1 Carbines will also be available. You must bring your own ammo for all stages.
