

Junior Shotgun

by
John Klobuchar

Congratulations to our SCTP Junior Shotgun teams for their success in their recent shoots.

The Trap team on the line at North Macomb Sportsmen's fun shoot.

Beginning with our new trap squad, made up of four sixth graders, Holden South, Enza Tong, Canial Krasnov and Drew South, who won silver medals in their very first competition at the North Macomb Sportsmen's Club fun shoot. They followed that up by taking bronze medals at the SCTP Southeast Conference Trap shoot held at Michigan Trap Association (MTA) fields in Mason Michigan.

The Bronze winning trap team and their proud coach with their medals.

Not to be outdone our SCTP Skeet Team also scored medals at the North Macomb fun shoot. In the Intermediate Division Kyle Neely, Colton Calvin and Dylan Alexander took gold medals and Holden Southwood, Enza Tong and Tong Tong taking silver medals. The Senior Division squad of Matt Shepan, Dakota Gentry and Keegan Wettstein won gold medals with Matt Shepan taking High Gun honors.

Next up for our athletes will be the SCTP Southeast Conference Skeet and Sporting Clays competition May 18th here at DSC followed by the SCTP State shoot at TMA in June and the SCTP Nationals in July at the Cardinal Center in Marengo Ohio.

Thanks to all the coaches and instructors for preparing these young shooters for competition and for helping to preserve the sport we love.
