

MCRGO Fall Firearm Festival Round Up

Rainy weather dampened attendance but not enthusiasm at MCRGO's Fifth Annual Fall Firearms Festival last weekend at Shelby Township. Thank you to the Detroit Sportsmen's Congress for hosting us, the volunteers who made the event happen, and everyone who attended this year including Macomb Prosecutor Pete Lucido and State Representative Phil Green. Special thanks to Detroit Sportsmen's Congress President Bob Savo for the many hours of work he put into organizing this year's event.
