2024 Detroit Sportsmen's Congress Memorial Shoot

After a fairly dry summer, October 13th started out with a rain forecast. Range Officers decided to forget the forecast and begin our Memorial Ceremony.

According to our Committee, this year we had 21 Muzzleloaders who have passed away to date. As each member's name was read, our bell was rung and our flag lowered.

Muzzleloaders with their gear then met for a picture and our range safety review.

Once the targets had all been tossed around by everyone's lead, Knife and Hawk and Fire Starting was available for everyone.

Lunch was served, thanks to Dave's cooking and helpers. Scores were announced and prizes were given. Top shooters were: Jeff, Jennifer and Walt. Knife and Hawk best was: Larry.

Thanks to all Range Officers, helpers, and best of all the rain stayed away 'til later. Lastly, we appreciate all the shooters who came out to make fire and smoke.
