

Oxford Campground Halloween Theme Weekend

As we close out another successful season, we look back at the new friends we've made, the friends that have become family, the fun times and the quiet peaceful moments.

Our Halloween theme weekend was great with plenty of activities including a rubber ducky hunt, trick or treating and a hayride with cider and doughnuts. I would like to congratulate Paul and Holly Wilson as winners of the Best Decorated Lot as announced at the Monster Mash family dance.

The final event of the season was our Chili Cook-off and pot-luck dinner with a wonderful assortment of chilis, appetizers, side dishes and desserts. The winners of the cook-off are as follows:

- Lisa: Best Spicy Chili
- Dave and Sharon: Best Bean Chili
- Vickie: Best No Bean Chili
- Shannelle: Best Wild game and Best overall.

I would like to thank all the volunteers that helped with several upgrades and projects this season. Our new campground office, electronic security gate system as well as our memorial area and walkway have really taken the campground to another level we all can be proud of.

Brian Mathews
