Traveling JOAD Team

DSC archers had a road trip to Louisville, Ky. to attend the National Field Archery Association National Indoor Championship. Each archer chooses if they would like to shoot at a bullseye or five-spot target. The two-day perfect score is 600 – 120X. The center of the target being X ring.

Coach Dean Burnett did a great job with a score of 572-46X in the freestyle silver senior class. Coach Shannan Lancaster shot compound in the bowhunter freestyle senior class with the total of 557-35X. Stefan Lancaster, who's in college full time, had to shoot in the freestyle adult male slot, without any opportunity to practice like his teammates. Stefan's total was 593-73 X.

Our DSC Juniors shot very well for the first time at nationals. Natalie Monterosso, who shot freestyle limited recurve young female class, shot 483-14X earning 14th place overall giving her a great first year start. In the bowhunter freestyle youth female class, Isabella Monterosso and Dakota Gentry shot their best score to end the indoor tournaments. Izzy shot 516-2X placing 15 in the class. Dakota shot 548-25X and placed 10 in the class. Congratulations to everyone as we look forward to another fun year next winter.

Rifle

It's May and the summer leagues have started. There is High Power Friday and Saturday mornings and Wednesdays in the afternoon. Sporting Rifle, including the new "Tactical Prone" League, shoots Thursday afternoons. Finally, there is Smallbore Silhouette League shooting Tuesday and Saturday evenings. There is plenty of league action at the DSC and the league shooters are always eager to help new shooters. Come out and try a league. League registration forms are on the rifle web page and in the office.

Open shooting is now expanded to both Saturdays and Sundays 11 a.m. to 4 p.m. for the summer. This means we need twice as many range officers per week as we do in the wintertime. If you are currently a range officer, please help by volunteering to RO. To reserve a time slot, contact Duane Burlson at ro_request@duaneburlson.com. If you are not a range officer, please consider becoming one. It's probably the easiest way to acquire your needed club work hours.

Our last fun shoot was the Easter Egg Shoot. Top junior shooter was Kimber Slykhouse. Best decorated eggs award went to Jim Rhodes. The least amount of shots was won by Jim Parsons with eight rounds. Finally the least amount of time taken to shoot all the eggs was won by Mike Lucas with 1:06.

Black Powder

The weather was cool but sunny for the April Black Powder Woods Walk. Six shooters participated. The top shooter this month was Larry Mobley. He shot 14 of 15. His only miss was the tootsie-roll pop. He hit it in the revenge round. Larry was shooting a flintlock. Second place went to Winton J. shooting a Vincent inspired rifle of his own making. It has very handsome wood. He hit 11. Marty Grennier finished first in the trade gun category. He hit 6. He says it's hard to see that little front site with the mirage over the barrel after a few shots. After shooting, all participants enjoyed a bowl of chili around the campfire. Our next Black Powder woods walk is May 1.

May 21, Black Power is hosting the 3rd Annual George Wildrick Service Rifle Woods Walk. This is one of the best attended Black Powder special events. It is common to see everything from Mausers and Lee-Enfields to M1 Garands and AR-15s. While the Black Powder shooters can hit the target in one shot, the service rifle types generally need 8. After a few rounds, the orange targets become a uniform gray and is hard to see. It's a fun shoot - I hope you come out to give it a try. See the flyers elsewhere in this issue of the P&K or on the "coming events" page on the DSC website.

Prominent Stage Lines of the Old West – San Antonio and San Diego Mail Line (a.k.a. THE JACKASS MAIL)

This is a story about an old west stagecoach line whose modest beginnings and short-lived operation is buried deep in the pages of history. **The Jackass Mail** was given virtually no mention in the accounts of pioneer transportation of the **Old West**. Jackass Mail not only preceded the renowned **Butterfield Overland Mail Company** but outlived it. **The Jackass Mail**, also known as, **San Antonio and San Diego Mail Line** was founded

by James Birch, who also made a fortune running stagecoaches during the Gold Rush in California. He had powerful friends in Washington, so it was no shock when he was awarded the contract, with a \$600,000 government subsidy, to haul mail and passengers over the nearly 1,500 miles from San Diego, Calif. to San Antonio, Texas. It was dubbed the “Southern Route”. The Jackass Mail was the first overland stagecoach and mail operation from San Antonio to California. It operated about four years, from 1857 to 1861. This contract required semi-monthly service in four-horse coaches known as **Celerity Wagons or Mud Wagons**. Coaches were scheduled to leave San Antonio and San Diego on the 9 and 24 of each month. Thirty days was allowed for each trip. The \$200 one-way fare included all meals and a 30-

pound baggage limit. It is believed there were three classes of passengers. First class remained in the coach; second class passengers sometimes had to get out and walk while those traveling third class had to get out and help push the coach up the hill. The mail line was

quickly nicknamed “Jackass Mail” because in the most severe part of the journey, crossing the California desert just west of the Colorado River, there was no stage service. The passengers had to get out of the coach and climb on the back of a mule. James Birch, the founder, was lost on a trip at sea in 1857 and the company failed soon after. Still, the Jackass Mail became this nation’s first transcontinental passenger and mail service. The San Antonio and San Diego Mail Line re-organized and merged its interests under the title of the **Overland Mail Corporation** in March 1861.

Archery

The archery committee spent the last month clearing the trails and building a new shooting platform on the 3D archery range. We had great turnout for the work bees even though the weather did not cooperate at all. There were several rainy Mondays that made the work bees difficult. So, a huge thank you to all that came out to lend a hand.

The spring 3D league is now under way... Or should be by the time this is published. This 3D league shoots Monday evenings with a shotgun start at 6 p.m. May also brings the beginning of weekend 3D open shooting. The outdoor 3D range will be open most Saturdays and Sundays through the end of September from 9 a.m. and last out is 3 p.m.

For Memorial Day weekend, the archery range will be closed Sunday, May 29. In addition there will not be league shooting Memorial Day Monday, May 30.

Archery

Congratulations are in order to our very own Dean Burnett. He was awarded the Michigan Bow Hunters “Bow Hunter of the Year” award during their spring banquet held April 9.

This award goes to a member who exemplifies the true spirit of a bow hunter, and works to increase archers in the MBH and their local club. He has really earned this award through his dedication to the sport during many years.
