Calling all Kings and Queens, Princes and Princesses, Lords and Ladies, and Knights of the Realm of Detroit Sportsmen's Congress! Horseshoe Lake Campground is proud to announce its Second Annual Renaissance Day! There will be knights in shining armour, jousting demonstrations, axe throwing, Highland Fling, craft vendors, kid activities, adult events, music and so much more! We've packed the day with activity! Come dressed in your best medieval costume and partake of the wonders of the day! It all begins at noon Saturday, August 6, 2022. . . and remember to follow us on our Facebook page at *Detroit Sportsmen's Congress Horseshoe Lake Campground* for the latest intel on other August activities.

July was a fantastic month! From Independence Day to our Christmas in July weekend, the fun never stops at Horseshoe Lake Campground. Archery for the kids, weekly crafts for the children to make, and family events such as music and movies at dusk are just some of the activities that DSC members enjoy at Horseshoe Lake Campground. A big "Thank You" to Bill the campground manager, the range officers, and all our volunteers. These memorable events wouldn't be possible without your time and support. *Thank You!*

## Black Powder

The July Black Powder Woods Walk was a success with ten shooters including 6 shooters from surrounding clubs. Match winner was Marty Greiner, he shot his little 32 pea-shooter. He has just improved it with a new set trigger. Dave Lidgley made us a wonderful lunch of small bites.

We have three events this month. Sunday, August 14, is the monthly Black Powder Woods Walk. There is also a Centerfire Pistol Woods Walk August 20. You get to shoot at hanging steel targets in various sizes and at various distances. It's a bit more fun than just punching holes in paper.

We have special event to honor and celebrate the DSC RO volunteers Saturday, August 13 from 9 a.m. -3 p.m. If you are an RO, you get to shoot for the \$1 fee and get to check out the BP range. Further details can be found on the coming events page of the DSC website under coming events (dscweb.org) or in this issue of the P&K.

Finally, I have some bad news concerning the availability of percussion caps. According to Mike Yazel, in the "Presidents Message" of the July issue of **Muzzle Blasts**, "CCI and others have said that they will likely not ship caps again until 2025 and RWS has said they have no plans to import caps to the US. Yes, you read that right. It seems there will be no percussion caps to be had for 3 years. You better start collecting flints!

## Did the Cowboys of the 1800s Really Wear Vests?

In just about every western movie we watch, cowboys are wearing "vests." The question arises, did cowboys of the old west really wear vests? To take a case in point, the accompanying picture shows that members of Company F of the Texas Ranger's Frontier Battalion are wearing vests. During the 1800s, mustaches, hats, boots and vests became fashion symbols among males in the American west.

The fashion started about two hundred years earlier, in 1666 Europe, when England's King Charles II took a liking to the sleeveless tunics brought back from Persia by British travelers. He decreed that his noblemen should sport these "vests." The rage was to wear the vest under a long, formal coat. The vest was cut so it stopped at the waist and became known as the waistcoat (pronounced "west kit").

In the Old West it was appropriate for men to wear vests over their shirts. Vests were worn by impoverished cowboys, well-to-do gamblers, bad-tempered outlaws, intrepid lawmen and straitlaced bankers. They would shuck the morning coat and opt for a vest. The cowboy vest served more as a function than a tradition. It was hard to retrieve articles from trouser pockets while riding in a saddle. The vest offered pockets in which to stow a pencil and notebook so the cowboy could tally cattle. Other pockets could carry tobacco another a jackknife. More importantly, the vest offered a sleeveless layer of clothing that kept him warm and allowed his arms the freedom to swing a rope or engage in other cowboy activities.

Vests were one of the few Old West styles that Hollywood got right in its western movies.

## Rifle

I thought that I would use this month's article to describe the new prone league. The original name was the tactical prone league, but the scope has expanded and grown to the point that just "Prone" league works well. The original intent was to get the AR-15 shooters that we see every day at open shooting to try a league. Well, this goal was never met as most of the prone league shooters are shooters already competing in other DSC leagues. Still attendance has been good and is growing. There are no weird rules concerning guns and ammo. Any safe centerfire gun and ammo combination is good to go. The course of fire is 20 shots from the prone position using a front rest or bipod (or a sling if you so desire). The target is the 600 yd reduced to 200 yd MR-52 target that is used by service rifle. There are currently about 12-14 participants.

Last year we added a new category - You can now shoot from the bench. This is, of course separate from the prone competition but with this new category, there are few physical limitations that would prevent anyone from competing. We currently have two shooters in the bench category. This year, I was requested to add a 22 LR category for the prone league. I didn't think it would generate much interest, but it sure did. We now have 6-8 shooters working on that. It is likely that we will have more soon as some of the shooters complete their 12 CF scores and have time to try out the 22LR competition.. Shooting a 22LR rifle at 200 yards is challenging. It is analogous to shooting a centerfire rifle at 600 yards. You can't have any position errors, you need to follow through, and you need to know how to read the wind or your scores will suffer. Despite this, I have seen 22LR scores in the 190s so far - a 200 may be possible. That is excellent!

If you are interested in this league, come out and give it a try. Your best opportunity is Thursday evenings. I am there most Thursdays and would be glad to show you how it works.

## Archery

Last month was the end of the Archery spring league. Congratulations to Ron Mifflin and Mike Long for taking 1<sup>st</sup> place in the Archery 3D spring league. In addition to great archers, there are some very good cooks who brought excellent eats to the potluck banquet. The spring league banquet was a lot of fun, all had a great time, got some really good food and everyone went home with a prize.

In addition, the Fall Archery 3D / Broadhead Combo League also started July 25. That league shoots on Monday evenings and runs through September 19. Remember, no league shooting on Labor Day. If shooting the archery league does not work for your schedule, the archery committee also has open shooting every Saturday and Sunday through the end of September 9 a.m. until 3 p.m.

One final note, if you are looking to step it up a notch from shooting archery at DSC, the Rinehart 100 National Archery Tour will be at Saginaw Field and Stream Club, 1296 North Gleaner Road, Saginaw, MI 48609, August 5-7. <https://www.r100.org/shop/saginaw-mi/> For more information.

# 2023 Officer Election Notice

## *DETROIT SPORTSMEN'S CONGRESS*

49800 Dequindre Road, Shelby Twp., MI 48317

phone: 586-739-3500 fax: 586-739-7704 email: dscoffice@gmail.com web: d-s-c.org

Happy July DSC Members!! It is time to start the process of electing a new slate of individuals to help govern the club for the next 2 years. Up for election are President, 1<sup>st</sup> Vice President, 2<sup>nd</sup> Vice President, Treasurer, Secretary, six Director positions and one Trustee position. Please note that the BOD is voting in September on a motion to reduce the size of the Directors-At-Large from six to four. So this number may change.

As your DSC Election Committee Chairman, I will provide you the details about the election, inform the membership of the positions up for election, and the timeline for the election.

I'm asking every committee chair to elect or appoint someone from their committee to serve as a committee rep for the 2022 election. The position entails soliciting and bringing nominations from your committee or the club to our first meeting on Wednesday, August 10, 2022 at 6:30 PM in via Zoom. The Election Committee rep has two additional meetings to attend, one in September and one in December to fulfill their commitment.

Additionally, we need hard-chargers to let their committee reps know that they would like to be nominated for a Board or Executive Committee position for the club. And if you know a hard-charger you think would be a great elected official, please nominate them. Competitive races are critical to elections, as it makes our Board more active and focused on the cause of pushing us further up the ladder of success.

To be clear, becoming a DSC elected official is a time commitment. We meet once a month on the last Monday of each month, attend each of the General Membership meetings, and the twice a year Committee Chairman's Meetings. The DSC Executive Board meets an additional meeting per month. Each DSC Board member is also assigned to be the representative of one or two of our standing committees around the club and attend their regular meetings.

One of the big benefits of becoming a member of the DSC Board or a DSC Trustee is you get the inside track on what's going on around the club and what's in store in the weeks, months and years to come here at the DSC. More importantly, you have the chance to become a permanent part of DSC history and its future successes. That is where the real excitement is.
