## JOAD Archery

The outdoor archery class is having great results. Most archers have earned multiple USA Olympic pins, earned by shooting at the required distances and achieving above minimum scores. The DSC will be handing out the largest amount of lanyards and pins than we ever have since starting the JOAD.

We added a few surprises to help with focusing on shooting. One of the items was water balloons. We hung the water balloons on the targets and after a couple of rounds, the archers were hitting the balloons. The kids became focused on popping the balloons. One of the archer's even robin hooded at 50 meters (54 yards). Another item that we used is 60 cm target faces. While we normally use 122 cm target face for all archers, we had the option of using a smaller 60 cm target face to help with focus improvement, the scoring went up significantly.

We also put a good amount of focus on shooting 3-D. Those archers that chose to shoot the 3-D course have shown great improvement. We have been providing this option for those that would like to shoot at IBO 3-D tournament, ASA 3-D tournament, or other 3-D shoots.

## DSC Election

As I mentioned last month I will ask for nominations from the floor at our September General Membership meeting. This meeting will be the last chance to get your name on the list.

This month I am summing up what we will be doing going forward from here. As your Election Committee Chairman, my responsibility is to give everyone the details about the election, inform the membership of the positions up for election, and the timeline for the election.

The hard part is getting everyone amped up about the energy and dedication of those individuals that have pushed their chips all in and let their committee reps know that they would like to be nominated for a board of directors position or trustee spot. I also hope to encourage all those members that have been nominated by another member (whether you told them to or not) to strongly consider staying in the game and accepting that nomination. There is nothing that tests the mettle of a prospective candidate more than some good old fashioned competition.

To be clear, becoming a member of the board is a time commitment. We meet once a month on the last Monday of each month, attend each of the General Membership meetings. Each Board member is also assigned to be the representative of one or two of our standing committees around the club and attend their regular meetings. On the other hand one of the big benefits of becoming a member of the board or a trustee is you get the inside track on what's going on around the club and what's in store in the weeks, months and years to come here at the DSC.

And even if you can't become a member of the board, PLEASE COME OUT AND VOTE! These dedicated nominees put a great deal of time, effort and thought into running for a seat and would love nothing more than to have our entire club come out to see the presentations at the November General Membership meeting and then come back with an informed and enthusiastic vote in December.

## Black Powder

August was a busy month. In addition to the usual Tuesday Rendezvous', Monday open shooting nights and the two Thursdays for the Cowboy range, we had three special shoots. The publication deadline for the P&K prevents me from reporting on the Centerfire pistol woods walk.

Saturday, August 13, Black Powder held it's second annual RO appreciation event. Any RO could shoot on the BP wood walk range for free (BP member covered the environmental fee). Those that attended had a great time. Unfortunately, we only had eight ROs to appreciate this day. I was hoping for a better turn out. The monthly Black Powder woods walk was held the next day. We had percussion, we had flinters, we had rifles and trade guns. We even had a replica Smith Carbine from the Civil War. The weather was excellent, and fun was had by all.

This month, the monthly black powder woods walk is September 11. The special woods walk this month is Sept. 24 and is for 22 rifles. What a great event to get ready for squirrel season. For more details, visit the "Coming Events" page of the DSC website [Coming Events - Detroit Sportsmen's Congress \(dscweb.org\)](http://dscweb.org) or look for flyers elsewhere in this issue of the P&K.

## Rifle

The rifle leagues have been in full swing for 4 months now, but the air is getting cooler as the days are grow shorter. Wed. service rifle now starts at 5:30 p.m. You still have the month of September to record those last few scores. Don't squander your opportunities as the weather may limit the dates.

There are two special events on the Rifle Range. First is the annual CMP Games Match for Springfields and Garands September 18. It is a 30-round match shot with 5 sighters. It is shot from the prone and standing position. These matches are a lot of fun and a good way to learn about these old guns and also about how service rifle competition works.

The second event is part of the MCGRO Fall Festival at DSC Sept. 25. Ooen shooting will be closed, but the rifle committee will host a fun competition on the range for all comers. Competitions will be shot at 50, 100 and 200 yards as separate events. You can shoot any or all of them. The targets are \$10. The 50-yard range is meant for juniors and will feature rimfire ammo only. Any safe ammo except 50 caliber can be used in the other 100 and 200 competitions. All shooting will be from the bench. Further details on these events can be found on the "Coming Events" page of the DSC website or elsewhere in this issue of the P&K.

# Election continued

Ok to the easy part. This year the following positions will be up for election (1) Trustee, and (6) Directors (or 4, pending BOD Vote). Nominations were accepted right up to the end of the September General Membership meeting. At the conclusion of that meeting, I will submit the final slate of nominees to the office and the nominee letters will go out the following day. Nominees will have eight (8) days to respond in writing of their acceptance of the nomination and provide a brief summary about yourself and your club involvement you would like included in your resume included in the November Plaid & Khaki, as well as what experience you have that you feel will help qualify you for a position on the Board of Directors or as a Trustee, and if elected what would you like to do to benefit the club during your term.

Keep an eye on your email and the P&K for more details as we get closer to the election. And as always if you have any questions about the election or getting on the ballot, let me know.

## **Camping**

Horseshoe Lake campers would like to thank Trustee Tom Murphy who came to August's campground meeting to explain why lot rates are going up for the next three consecutive years. It is always a pleasure to have DSC's leadership visit the campground and we invite all DSC directors and officers as well as every DSC member and their family to come out and spend a day or a weekend at Horseshoe Lake Campground. Why not join us for some fun and camaraderie on Labor Day weekend?

Speaking of which, did you know that as of September 1, there are only 61 days left in the 2022 camping season? That means there's only nine weekends and one big holiday celebration remaining - Labor Day Weekend! The fun begins Friday night, September 2 with a family movie at dusk. Additional activities on the schedule include: For kids, a sand castle contest, face painting, a children's carnival and an archery Fun Shoot with balloons. Adults will be able to test their axe throwing skills Saturday and their driving skills with a golf cart race Sunday. On top of all this, "The Sensations" band will be here on Saturday from 7 p.m. - 11 p.m. For the latest updates and a complete list of activities planned for Labor Day weekend, see our Facebook page at Detroit Sportsmen's Congress Horseshoe Lake Campground.

## Legendary Women of the Wild West Era

They found independence in the rough-and-tumble territories and stamped their names in Old West lore and history.

**Annie Oakley:** Born Phoebe Ann Mosey in 1860 in a cabin in rural Ohio, she deserves special status in the annals of Old West history. At age eight she was hunting and selling game to feed her impoverished family. At age 10 she was sent to work as a servant for a local family and toiled in near slavery conditions for two years before finally running away. At age 15 she defeated professional marksman Frank Butler in a public shooting match. Eventually she became an international celebrity as a sharpshooter as she toured with Buffalo Bill Cody's Wild West Show. Cody called her **L'il Miss**. Sitting Bull, the famed Sioux Chief, who temporarily appeared in Cody's show, called her Watanya Cicilla, or "**Little Sure Shot.**" The world new her by her stage name-**Annie Oakley**. She amazed audiences by firing pistols, rifles and shotguns (with either hand) while riding on a horse. She shot dimes tossed in the air and it is told she could split playing cards held on-edge at 30 paces. With her shooting skills and cheerful spirit, Annie Oakley epitomized the American ideals of frontier fortitude skills usually attributed to men.

**Belle Starr:** The West's most famous woman outlaw. She wore buckskins and boots and a men's Stetson hat. And she spent lots of time in saloons. She had an association with outlaw Cole Younger and was shot to death by an unknown attacker in 1889. "I regard myself as a woman who has seen much of life," she once wrote.

**Calamity Jane:** Born Martha Jane Cannary, she was a hard-drinking frontierswoman, dance hall girl, and scout claiming to have earned her nickname ("Calamity Jane") by saving an Army captain during a conflict with Native Americans. She became a popular storyteller in Buffalo Bill's Wild West Show. She legendarily loved "Wild Bill" Hickok, whom she is buried next to in Deadwood, South Dakota.

## Archery

Summer is wrapping up, school is back in session, the days are noticeably shorter, and the outdoor archery 3D range will be closed after September.

However, that means Fall and archery deer season is right around the corner. Anyone looking to get tuned up for archery deer season should come out any weekend in September. The outdoor range and 3D course are open 9 a.m. to 3p.m. every Saturday and Sunday through the end of September. We also have some layered foam targets available on the practice range to sight in crossbows. Sorry, no crossbows on the 3D course.

If you are looking to get some practice in using broadheads and not part of the fall 3D / Broadhead Combo League, there are a few opportunities left to shoot the broadhead course. You can shoot the broadhead course as a guest Monday, September 12 or 19 from 4:30 p.m. until dusk.

One final note, if you heard about the mail truck incident, I just wanted to let everyone know that Rich T. was not injured.
