

Next General Membership Meeting 2 Aug 2023

Volume 77 July 2023 Number 7

# On Target (Archery)

Rebecca Northcott signed up for the first outdoor JOAD session. She started off learning the basic archery steps with the club Genesis bows. Then, she received a very nice Bowtech bow on the fourth week of the JOAD session. The coaching staff helped with a few adjustments setting up her new bow. Week five we figured out Rebecca's draw length and bow weight. We made some further adjustments to the bow to improve the fit her. On the third end of shooting, Rebecca did her first Robinhood. Great job Rebecca. We are excited to see the quick accomplishments you are making.

Shannan Lancaster

# In FOCUS... with the DSC Juniors

Welcome to our first edition of In FOCUS. The plan is to make this a monthly feature. All committees are welcome to highlight a junior from their committee.

Please welcome DSC junior Sophie Siegfried . . .

Sophie is 14 years old, in the ninth grade at Shelby Junior High. She has been an active member of the DSC for a year. She participates in Junior Archery and Junior Rifle. She also completed the DSC Hunter Education spring class and managed to bag a nice turkey.

She likes doing Archery and Rifle at DSC and meeting new friends that share common interests with her, while improving her skill levels at both. She is looking forward to competions in the near future.

John Barber

# **Junior Shotgun**

So far we have had a great time shooting. We were invited to two Fun Shoots, North Macomb Eagles Trap and Skeet and Orchard Lake Clays Skeet and Sporting Clays.

At North Macomb, congrats to Matt Shepan, Dakota Gentry and Bryce Bolman for receiving Gold Medals in skeet. Also, Sydney Wells received High Gun with a total of 49 out of 50. Missed the last one. We waited to get back to our home grounds to shoot her hat for her first 25.

Orchard Lake Clays Skeet & Trap shoot was held at the Detroit Gun Club. No medals were given out, but Matt Shepan won a flat of ammo. Our athletes shot well and surely enjoyed the sporting clays course as well as skeet.

May 20, 2023, Detroit Sportsmen's Congress held the SE Conference Championships. I want to thank all of the parents, coaches and athletes who made the commitment to participate. First and foremost, I would like to thank all the DSC staff and members who made the SE Conference shoot

possible. In **Sporting** Clays, thank you Lea Hunawill, Ralph and Joan Hollowell, Bill DuPont, Dennis Boudia, Dennis McKeough, Dale Cardinal, Dave Oles, Rene Cruz and Alan McGee. In Skeet, thank you Chris Tomkow, Bill Saylor, Frank Pantalina, Rick Curlett, Jeff Horbatiuk and Rick Stanfield. Also. thank you coaches who

spent time at Sporting Clays and Skeet assisting where necessary. They are Bryan Salisbury, Jason Gottschalk, John Klobuchar, and Jason Gentry.

# DSC presents

# Remember 900 Shoot (Archery)

When: Sept. 10. Shooting begins at 10 am. Check in starts at 8:30 a.m.

Class: Two classes. Compound freestyle and compound bowhunter. <u>Freestyle:</u> Any type of sight can be used. Any release can be used. Rear stabilizer can not touch any part of the archer body.

<u>Compound Bowhunter:</u> Up to five sights pins can be used. Release aids are allowed. One anchor point allowed. **Stabilizer must be less than 12" from the** back of the bow. Rear stabilizer can not touch any part or the archer body. No adjustment to equipment during a round.

Cost: \$25 cash per archer, paid on the day of shoot.

Awards: First place \$100. per class. Second place \$50 per class. Third place \$25 per class

Distance: 60 yards, 50 yards, 40 yards. 5 ends of 6 arrows for each yardage at 122 cm rainbow target. Two practice ends at 60 yards only prior to competition.

Registration: Contact Shannan Lancaster at <u>sscaster@aol.com</u> or 586-764-2331 by Sept. 1.

Please do not procrastinate. Limited spots will fill up fast.

Rules: Anyone can sign up and shoot. Please note all ages and sexes compete against each other in the freestyle or bowhunter class.

All arrows must be all the same weight, length, diameter and have the same fletching. No arrows larger than 23 allowed. (9.1mm and less)

At the 7th end we will take a 20-minute break. 8th - 15<sup>th</sup> ends shooting order will be reversed.

Standard archery whistle commands will be used to signal the start and end of the shooting time. Disobeying the whistle commands will result in a zero for your score, and/or disqualification.

Scoring: For scoring, each ring from the outside is worth one additional point, except the innermost gold ring. This means that the rings are worth: White 1 & 2 Points, Black 3 & 4 Points, Blue 5 & 6 Points, Red 7 & 8 Points & Gold 9 & 10 Points

There are some peculiarities with the innermost gold ring (called the "X" ring). "X" s are used for tie-breaking purposes. It is written on the scorecard as "X" and is counted as 10 points. If two competing archers attain the same score at

# Junior Shotgun Cont.

In Sporting Clays, congratulations to Sidney Ryszka who shot Individual High in Collegiate and Individual High in Collegiate Skeet. Also, in Division 11, Jeremy Salisbury placed 3rd in the Senior Collegiate Buckle Race. In our squad's division in Skeet, 2nd place in the Senior Division went to Jeremy Salisbury, Chris Gottschalk, and Sydney Wells.

Next is the State Shoot held at the Michigan Trap Association, home grounds in Mason, Mich. This will be our new venue for all state shoots to come. Lots of space for our athletes and parents. Congratulations to Sidney Ryszka who was named to the 2023 Michigan SCTP All

State Skeet Team Collegiate Division.

We are looking forward to the SCTP Nationals, held at The Cardinal Shooting Center, Marengo, Ohio, July 8-15. This will be our last competition shoot for the year. Again, I have always been proud of our Junior Shotgun athletes. I heard from other squad parents that DSC represents themselves with good sportsmanship.

Rick Stanfield

# SERVICE RIFLE MATCH

SEMI-AUTO AND BOLT ACTION

# **Campground**

July is a terrific month at the campground. It offers us 31 days to break away from our everyday routine. We can take in some fresh air, enjoy the sounds of chirping birds and connect with nature. We can stroll under a canopy of trees, relax and swim at the beach or meet up with friends for a bonfire. Opportunities to de-stress are limitless and it's amazing to see how a day spent at the campground can do wonders for the soul.

And let's not forget about the July 4th holiday and the "Christmas in July" weekend – those are great times to spend with your campground family and friends. Be sure to stay up to date on campground activities via our Facebook page.

Has anyone noticed the air bubbles breaking on the water's surface just beyond the swim area? Last fall the campground installed two Bio-Health Pod Systems by Rigero. These pods are a long-term solution to improve the quality of the lake near our swim area while simultaneously protecting the fish and wildlife. These units operate 24/7 and are a natural aqua management system used to clarify water, inhibit algae blooms and reduce vegetation and organic muck. Significant results are expected year over year.

As always, we need volunteers! There are plenty of tasks still available to help keep the campground looking nice. If you haven't selected a project or committee for your work hours, please reach out to Bill O'Connell. We have openings for the Welcome Center, youth or adult activities, archery and ranger duty, just to name a few. Remember, work hours help to keep the costs down and the fun up!

Carolyn Doak

# **Black Powder**

The June Black Powder Woods walk was Sunday, June 11. The skies were overcast and threating rain. Four shooters came out for the fun. The author was the top shooter and hit 13 of 15. I shot my .50 caliber Tennessee Mountain rifle. I have been working on reduced loads and today I tried a 55 gr. load of FFFg instead of the usual 70 gr. Reduced loads have several advantages. They are more economical as you get more shots for a pound of powder. There is less recoil. This advantage is minor at best, as the 70 gr. load doesn't hurt anyways. Finally, since you are using less powder, you are generating less fouling residue and thus clean up is a tad easier. I plan to work a ladder to test out reduced loads at 50, 55 and 60 grains. I already know the 70 gr. load works great but it will be good to find another load that works well also.

The percussion cap drought continues. I have seen recent YouTube videos that claim that cap manufacturers will do a production run in July. I guess that means we may see some available in August or September. I plan to buy a bunch when they come available. It seems that the reloading supply droughts are getting more frequent and lasting longer. It is prudent to stock up on materials so to span future reloading dry spells.

There is no special woods walk in July but the regular black powder woods walk is July 9. Further details can be found on the coming events page of the DSC website <u>Coming Events | Detroit Sportsmen's Congress (dscweb.org)</u> or elsewhere in this issue of the P&K.

Walter Opdcyke

# Rifle

Leagues are continuing through the summer. Service rifle shoots Wednesdays, Fridays and Saturdays. Smallbore silhouette is running Tuesdays and Saturdays. And there is also sporting rifle Thursdays and Sundays. Come on out and give one a try. For more details check out the DSC website or check the DSC calendar page in this issue of the P & K.

I was wondering if the chronic shortage of reloading supplies has changed your shooting habits. I know it has for me. In the old days, I would pretty much shoot whatever tickled my fancy that day. The round count was rarely a consideration. Now I look at events and ask myself a few questions: Do I have enough ammo? If I do have enough ammo, am I going to runout quickly if I shoot this event regularly? Do I have another gun that uses cheaper or more available ammo? Over time, I have curtailed shooting the 30.06, 303Brit, and 8mm Mauser because components are both hard to get and expensive. I have been shooting more 223, as practice ammo is readily available and relatively inexpensive. The same goes shooting my 357 Mag rifle with reloads. With the exception of the primers, the components are all readily available and rather inexpensive. These reloading component droughts seem to becoming more often and lasting longer. When primers become available again, I plan to stock up.

Walter Opdycke

# Detroit Sportsmen's Congress JOAD INDOOR ARCHERY CLASS

Are you interested in indoor archery tournaments?

If so, enroll in Indoor Junior Olympic Archery Development (JOAD). This class is to introduce you in shooting in indoor tournaments.

Dates: Wednesdays, Sept. 20 through March 27 No shooting Nov. 22

Location: Inside the archery range.

Time: 6 p.m. to 8 p.m.

**Objectives:** The objective is learning proper form and attitude of archery shooting in NFAA & USA tournaments. We will go over the indoor rules and proper etiquette per each type of tournament and how to score. We will have you shoot at different types of targets for each type of tournaments, plus able to earn indoor JOAD pins. All instruction is under the direction and supervision of USA Archery Certified Instructors.

This course is for both youth and adults to enjoy.

USA archery membership is required. Please visit website for details on USA archery membership. <a href="https://www.usarchery.org/memberships">https://www.usarchery.org/memberships</a>

Fee: DSC Members \$100 Guests: \$175 (Payable on the first day of class)

For additional information please contact Shannan Lancaster @ (248) 766-3912 or email @ <a href="mailto:sscaster@aol.com">sscaster@aol.com</a>

Registration: If you email the form without the parental signature please bring the signed parental consent form with you on the day of class or you can sign the first day of class.

Must have the parental consent signed to participate. Payment due first day of class.

The total round count is 40 + practice rounds

#### Information:

Jim Estes [terrebonnebud@comcast.net] 248-709-5254

# **Cowboy Action**

## **Cowboy Match Results**

Our May 21 Detroit Sportsmen's Congress Cowboy Action Match drew 22 shooters.

We had ideal weather with a mix of sun and clouds and low humidity. A perfect day for outdoor shooting.

When the smoke finally cleared, Rifle Rick (Rick Nakula) took top honors among the DSC Cowboys. He was followed by J. J. Longley (Joe Lupi) and the Shelby Kid (Kerry Hammer) who came in third.

Rifle Rick and J. J. Longley shot clean matches. Camptown (Tom Doudna) and John Weston (Chris von Wormer) also had clean matches.

Don Rybski

# HOWBOY ACTION SHOOTING

# PRESENTED BY THE ROCKY RIVER REGULATORS AT THE DETROIT SPORTSMEN'S CONGRESS

COWBOY RANGE 42:3925.9'N 83:05:08.8'W

# Sunday July 16, 2023

#### Match Schedule of Events

Registration: 8:30 to 9:30 a.m. Safety Meeting / Match 9:30 a.m.

# **Archery**

Hopefully all had a safe and enjoyable Independence Day. The Archery Committee has the spring 3D league in the books.

The Fall 3D / Broadhead Combo League starts July 24. Sign up for the Archery 3-D / Broadhead Combo League starts at 4:30 p.m. and there is no set start time, just need to be done before dark. This is an 8-week fun league with a banquet and prizes at the end. Each week you will have the choice to shoot 15 3D targets or 15 broadhead targets. See the flyer. For those that hunt, the fall league is good practice just before the archery deer season opens in October. In addition, the outdoor 3-D Archery range is open every Saturday and Sunday for the remainder of July. Weekend shooting times are 9 a.m. to 3 p.m. If the weather is bad, the indoor archery range will be available during the same hours.

Jamie Ploof

# **Junior Archery**

At the time of this writing, the outdoor JOAD is going into week six of eight weeks for the first session of outdoor archery. We have a great class of archers. Our instructors started out going over the basic shooting form. We shot at blank bales to focus on the basic shooting form.

Week three, we divided up between 3-D shooting and target shooting. The archers, who did 3-D, learn how to shoot at different elevations, angles of a 3-D target and how to shoot in different positions while in the woods. The target archers shot for JOAD pins based on requirements of USA archery. Many of the archers did a great job and advanced to the next pin requirement in week four. During week four, lots of the archers showed impressive improvement in both 3-D and target shooting, earning 21 pins at this time. The 3-D shooters

also showed improvement by hitting the proper scoring area of the targets instead of the rear end of the 3-D targets.

Week five, all the archers shot at blank bales for the first two ends. Then we placed water balloons and clay targets up for the archers to hit. The archers had a great time shooting at different items. We will be finishing up the first session with shooting 3-D and targets.

The second session begins July 6, which is also an eight-week shooting session. We will be going over advance training of shooting form and target panic. The archers have been doing so well, most of the target shooters will be shooting between 20 meters (22 yards) to 60 meters (66 yards) at either 122 cm (4 feet) or 80cm (2.5 feet) targets, while the 3-D archers will also be shooting at different elevation and angles

between 30 to 60 yards.

We welcome everyone to come down to the PA range Thursdays between 6 & 7:30 p.m. to see the archers performed. If you would like to help out, please asked one of the coaches. If you would like to try to shoot in the elements with the bugs, come on out.
