## Election

Hello fellow DSC members! Dave Pierce, election chair, here again!

So far, I have only received a couple of commitments from committees for individuals to serve on the election committee. Either the committee chairman or the individuals themselves can email me at [piercedavida@gmail.com](mailto:piercedavida@gmail.com) to get on this committee.

I also need nominations for one Trustee and six Director positions on the board! Sadly, I have received no nominations as of this writing. As I'm sure you are aware, the operation of the Congress requires many dedicated members. Our club needs you to step up to these positions in order to guarantee it's continued smooth operation!

Committees, please search your ranks for dedicated DSC members willing to work for the continuous success of the DSC and nominate them! Members at large, you can contact me at the same email to submit a nomination. I need these names submitted to me before the September general membership meeting!

As to the requirement for these positions, the individuals need to have been a member, in good standing, for two years.

Time is short! Please help make the DSC the best it can be.

Thank you!

## In Focus with the DSC Juniors

Please Welcome DSC Junior David He. . . .

David is a 15 year old, in the 10th grade at Troy High School and has been an active DSC member for a year. He currently participates in Junior Pistol and Junior Rifle. David has been advancing through the NRA Marksmanship Qualification program.

David enjoys all the activities that the DSC has to offer and hopes to participate in more of them. He says that the members and coaches at the DSC are always friendly and helpful. "They have taught me many things and have offered me helpful advice."

David He takes aim with his sister, Annie, in the background.

## Campground

The campground has been very active this summer with numerous events for both the young and the young at heart. Last month, Brian and Linda Mathews invited City Edge Church for a fun-filled weekend August 4 - 6 and they had close to 30 people attend. They had cookouts, made ice cream and had a movie night. Sunday's service included a baptism in the lake for Randi Hallas and Sarah Gordon performed by Pastor Craig Brundage. Everyone who shared in the weekend had a wonderful experience at the campground and stated they would be coming back again!

Aug. 12 we held the campground's annual Beach Party celebration. We celebrated with volleyball, beach time and enjoyed many treats and sweets with our Cake Walk contest, egg toss contest and water bottle contest.

Cake Walk contestants walk along numbered squares and wonder what number will they be standing on when the music stops.

September will be no different as the popular band, Silver Studs will be here Saturday, Sept. 2, 2023, to help us sing and dance the night away during Labor Day weekend. Other activities include Western wear day, our annual "lock up" jail (we will need volunteer "sheriffs"!), a golf cart skills assessment test and our annual closing ceremony with slide show are just some of the additional activities being planned, so be sure to check our Facebook page for the latest updates.

The new office is also on its way to becoming a reality. The concrete base was poured Aug. 5, and the following weekend construction of the building's shell began. If you have rough construction experience and/or are looking for work hours, please contact Bill O'Connell to see how you can help. This building was planned to be constructed by volunteers so, many hands make light work.

## Remember 900 Shoot (Archery)

**When:** Sept. 10. Shooting begins at 10 am. Check in starts at 8:30 a.m.

**Class:** Two classes. Compound freestyle and compound bowhunter.

**Freestyle:** Any type of sight can be used. Any release can be used. Rear stabilizer can not touch any part of the archer body.

**Compound Bowhunter:** Up to five sights pins can be used. Release aids are allowed. One anchor point allowed. Stabilizer must be less than 12" from the back of the bow. Rear stabilizer can not touch any part of the archer body. No adjustment to equipment during a round.

**Cost:** \$25 cash per archer, paid on the day of shoot.

**Awards:** First place \$100. per class. Second place \$50 per class. Third place \$25 per class

**Distance:** 60 yards, 50 yards, 40 yards. 5 ends of 6 arrows for each yardage at 122 cm rainbow target. Two practice ends at 60 yards only prior to competition.

**Registration:** Contact Shannan Lancaster at [sscaster@aol.com](mailto:sscaster@aol.com) or 586-764-2331 by Sept. 1. Please do not procrastinate. Limited spots will fill up fast.

**Rules:** Anyone can sign up and shoot. Please note all ages and sexes compete against each other in the freestyle or bowhunter class.

Arrows must be all the same weight, length, diameter and have the same fletching. No arrows larger than 23 allowed. (9.1mm and less)

At the 7th end, we will take a 20-minute break. 8th - 15<sup>th</sup> ends shooting order will be reversed. Standard archery whistle commands will be used to signal the start and end of the shooting time. Disobeying the whistle commands will result in a zero for your score, and/or disqualification.

**Scoring:** For scoring, each ring from the outside is worth one additional point, except the innermost gold ring. This means that the rings are worth:

White 1 & 2 Points, Black 3 & 4 Points, Blue 5 & 6 Points, Red 7 & 8 Points & Gold 9 & 10 Points

There are some peculiarities with the innermost gold ring (called the "X" ring). "X" s are used for tie-breaking purposes. It is written on the scorecard as "X" and is counted as 10 points. If two competing archers attain the same score at the end of the tournament, the victor is decided by "X" count. If the arches have the same amount of "X"s, then 9s will be counted to break the tie.

Equipment malfunction will be allowed for two ends make up. (Max. of 12 arrows)

Will have equipment inspection before shooting.

**Notes:** 20 archers minimum to run the tournament. Maximum of 48 archers. Estimated time to do the shoot is 2 ½ hours with the 20-minute break. Any other questions, please contact me. See above for contact information.

## Archery

I hope everyone has an enjoyable and safe Labor Day holiday weekend. The days are getting noticeably shorter which means hunting season is right around the corner.

September is the last opportunity to come out and get your archery equipment tuned up before hunting season begins. The outdoor range and 3D course are open 9 a.m. until 3 p.m. every Saturday and Sunday through the end of September. For crossbow hunters that need to sight in, the outdoor practice range also has targets that can be used for crossbow sight in.

A new event for the Archery Committee is planned for Sept. 10. This is the Remember 900 shoot that Shannan Lancaster is hosting. Registration was due before Sept. 1, so hopefully anyone interested has already registered. For upcoming events, the next one will be the Toys for Tots shoot Dec. 2. Good luck to all the hunters.

# Kids Christmas Party

Are you ready to see Santa??? After a 3-year absence our Annual DSC Kids' Christmas Party is back and set for Saturday, Dec. 16, 2023 from 10 a.m. to 1 p.m.

Any child, age newborn to 12, related to a DSC member, and their parents and/or grandparents are invited for breakfast, games, singing carols and welcoming Santa. The more the merrier! Each child will be able to visit with Santa, receive a free breakfast, door prize, a present from our DSC Santa and buy tickets to win one or more of the great raffle prizes. I have heard from Santa and he's looking forward to flying into the DSC to see you!

This year, as in past years, each DSC committee is asked to donate a raffle prize, or cash equivalent, worth approximately \$75 by Nov. 1. This gives us a greater diversity of raffle prizes and helps defray the cost of the event. We've seen prizes range from drones, telescopes, BB guns and bikes to dollhouses, a giant teddy bear and numerous electronic toys. Each and every donation is greatly appreciated. Raffle tickets will be available at the December Membership meeting and at the Kid' Christmas Party.

The Present Wrapping Party is scheduled in the Clubhouse for Sunday, Dec. 10, 2023 at 3 p.m. (a great way to accumulate work hours). You only need to show up with a pair of scissors in hand and we'll put you to work.

Work hours are available to help coordinate this event and to volunteer on party day. We also need members to set up the evening of Dec. 15 at 8 p.m. at the Clubhouse. We arrange and prepare the tables and put out the gifts Friday night to eliminate the rush the next morning.

A few volunteers have stepped forward but we need your help. If you would like to volunteer, donate items for the party, or need more information, call the clubhouse at 586 739-3500 or Christine Tonegatto-Salo at 586 801-0081

## Rifle

The Rifle Committee held two CMP Games matches Sunday Aug. 13. The first match was for M1 carbines. There were 8 competitors. The top shooter was Rick Nowicke with a 347/400 score which was good for a silver medal. The second event was a vintage military match. There were a variety of rifles entered: M1 Garands, 1903A3 Springfields, an M1917 and some modern guns. The top shooter for this match was Mike Lucas. He shot a 277/300 which was good for a silver medal.. Overall the M1s did a better job that the vintage bolt action rifles.

September is the last month for league shooting for the year. Start planning to get those last scores in before the end of the month and season. Likewise, Sight-In season begins in October. If you want to sight in a rifle now would be the best time before it gets to crowded.

# Black Powder

In August, the tarp covering the lean-to that serves as the Black Powder range office was replaced. That tarp was very old and had more than a few holes that let in the rain. The committee purchased a new one and it was installed at the Aug. 1 Mini-Rendezvous. While serving a utilitarian purpose, the new tarp also improves the appearance of the range. A warm thanks goes out to everyone who helped install the new roof.

Sunday Aug. 13, the monthly Black Powder Wood Walk took place. Six shooters participated. The top rifle shooters were Marty Greenier and Jeff Boni. They tied with 13 hits each. The tie breaker was target #7 which they had both missed. They both hit it on the second try. At this point, we could have continued with the tiebreakers but since both shooters were shooting so well we decided to stop as we didn't want to be there all day. The top Trade Gun shooter was Dave Pierce.

The Black Powder Committee holds two special events this month. Sunday, Sept. 10, is the monthly Black Powder Woods Walk. There is also a 22LR rifle shoot Saturday, Sept. 23. This event is a good chance to test out your squirrel rifle for the

upcoming season. Further details on these events can be found on the coming events page of the DSC website [Coming Events | Detroit Sportsmen's Congress \(dscweb.org\)](#) or elsewhere in this issue of the P&K.

Finally, a reader pointed out an error I made in the May 2023 P&K. In that article, my poor writing skills made it seem that hooked breeches and Patent breeches were synonymous. They are not.

My confusion came from a misreading from page 18 of Ned Roberts "The Muzzleloading Caplock Rifle." In it, he referred to both in the same paragraph and I got confused. In any case, they are not the same. A hooked breach is rather obvious. The breech plug has a hook that fits into a tang on the stock to allow easy barrel removal. On the other hand a Patent Breech is a coned breech such that the fire from the cap is concentrated in line behind the main powder charge whereas most sidelocks shoot the flame into the side of the charge. For a really good description and picture of a Nock's Patent breech, see Greener's "The Gun and Its Development" page 118.

## Cigarette Makin's – Some Little Known Facts from the Old West

Old time cowboys never smoked “tailor-mades.” They always rolled their own cigarettes from “makin's.” A cowboy carried a pack of **Bull Durham** tobacco and a “Bible” – a packet of cigarette papers. The Bible was also called a “prayer book” or a “dream book.” Tobacco was known as “heifer dust,” “rest powder” or “Scandihoovian dynamite.”

If a cowboy ran out of makin's, he could ask another cowboy and never be turned down, unless the refusal was an intentional insult. Makin's usually were carried in a vest pocket. Riding in a saddle, made it difficult to reach into a pants pocket, and many shirts were collarless pullovers with only two or three buttons and no pockets. Most cowboys wore vests, and soon a “stockman's vest” was manufactured with four front pockets.
