## **Junior Archery**

The archery summer outdoor JOAD banquet, held Aug.31 at the DSC, celebrated the archers' great success and recognized their achievements .

The junior archers had a choice of shooting 3-D or targets during the first of two eight-week sessions. The second session was all target shooting. We reviewed the 11 steps of shooting and focused in on form to help the archers improve in either shooting style (3-D or target) during the first session. As the archers improved, they would shoot at a further distances as described by the USA archery requirements. Each time an archer meets the requirements they would earn an award pin. The sesions started off with half the class shooting at 10 and 15 meters for their fist pin. By the end of the second session, the archers were shooting between 30 and 50 meters.

A huge thank you to Don, Jerry, Tony, Dave, Steve and Dean, without their help, the JOAD program wouldn't be this successful. With only one practice each week, the archers did great to improve in a very short time. Many have purchased bows and are looking forward to doing more with archery in the coming years.

I had been kicking around a sign project, for the DSC muzzleloaders for a few years. Then I saw some great looking signs get installed here and there at the club! This got me thinking that I'd like to make a black powder logo sign.

I knew it wouldn't be easy. I asked Gerry Ridener to make a projector image of the Clinton River Muzzleloaders black powder logo, which he did. I found a projector for really cheap and it worked out great! My idea was to project the image on a wooden plaque for tracing.

Next, I went to the store and bought 14, 4x4 Douglas fur, cut them in half and planed 1 side (I should have planed 3 sides). I glued, with waterproof glue, and clamped and screwed the boards together.

The next step was making it from square to round in a 4-foot circle! I added 2 cleats to the back side to keep it from warping. I traced and carved the logo 1/4" deep by hand, with a chisel, which seemed to take forever!

Painting and touch up came next! I put many coats of flat clear coat on both sides of the finished painting. (4 coats each side!) I bought and installed posts, to install the sign and then put stones around the base to put the finishing touch on it.

This project took 1-1/2 years, on and off, to complete and about 300 hours labor! I donated this to the DSC Clinton River Muzzleloaders.

The sign was installed at the DSC Delaney Park Primitive Range 8/28/23.

I would like to extend my sincere thanks to Ed Barnard, Dave Oles and John Klobuchar, for their assistance installing the sign.

### DSC Kids' Xmas Party Sat., Dec. 16

Our DSC Kids' Christmas Party is Saturday, Dec. 16, 2023 from 10 a.m. to 1 p.m.

Now is the time to signup your child/grandchild. Any child, age newborn to 12. related to a DSC member, and their parents and/ or grandparents are invited for breakfast, games, singing carols and welcoming Santa. The more the merrier! Each child will be able to visit with Santa, receive a free breakfast, door prize, a present from our DSC Santa and buy tickets to win one or more of the great raffle prizes. I have heard from Santa and he's already looking forward to flying into the DSC this year! Sign-up forms are available in the P&K, DSC Office and Clubhouse or the website.

A few volunteers have stepped forward but we need your help.

The Present Wrapping Party is in the Clubhouse Sunday, Dec. 10, 2023 at 3 p.m. (a great way to earn work hours). You only need a pair of scissors in hand and we'll put you to work.

## Pistol

Bullseye is the granddaddy of all popular handgun competition. Its three gun, 2700 point format goes back to the 1941 National Matches and has been the standard ever since for national, state championships, regional championships and other tournaments.

In 1903, President Teddy Roosevelt enacted Title 10 U.S.Code 54312 (National rifle and pistol matches: small arms firing school). The War Department funded these matches in order to promote improved civilian marksmanship and familiarity with the Service Rifle and Service Pistol firearms of the day. Today, Bullseye continues with the support of both the NRA and the CMP and local clubs like ours.

Bullseye pistol shooting is one of the most popular shooting sports, shot indoors and outdoors. The key to Bullseye shooting is not speed, but accuracy and precision. That means the shooter must focus on what we call the fundamentals, such as stance, breathing, sight control and trigger control. The objective is to achieve as many points as possible by hitting the target as close to the center, Bullseye, as you can.

Our Bullseye shooters group is affiliated with the NRA, the CMP and the South-Eastern Michigan Pistol Association. Gene Burbary is the Bullseye Pistol Representive. Burbary is a long time DSC member, former pistol chairman, chief range officer and a 30-year plus Bullseye shooter. He oversees weekly Thursday evening practices and competition. However, he made it explicitly clear that he is most thankful for his teammates, Bob Klein, Larry Frey, Marv Kohler and Mr. Stan Surratt, who provide assistance with all of the details involved in set up, registration, entry/practice fees, scoring, range safety officer duties, clean up, and, most importantly, keeping the range safe at all times. Gene reminded me that they have moved indoors until Spring. All shooting takes place in the basement of the Range/ Shotgun Building. Burbary then proceeded to explained the format of indoor Bullseve pistol on a "gallery course" of 50 feet. Participants may use a revolver or

semi automatic pistol that fires 22 caliber long rifle and/or a revolver or semi automatic pistol that fires 32 caliber or larger.

Any type of sight can be used except laser sights. Many competitors use iron sights, but the recent trend has been towards red dot sights, which lots of shooters find easier to use.

All courses of fire are from a standing position using a onehanded grip and shot in strings of five or 10 at different targets under different times. No more than five rounds are allowed in any pistol at any time. Each shooter uses six targets.

There are three courses of fire. Slow fire is 10 rounds fired in 10 minutes or less (target one.) Timed fire is 10

rounds fired in two five-shot strings at 20 seconds per string (target two). Rapid fire is 10 rounds fired in two five-shot strings at 10 seconds per string (target three). Repeat the courses of fire using targets four, five and six.

The aggregate is 60 shots that must be fired as a complete unit in the same session in order to qualify as a viable course of fire. The targets constitute the score cards. The scoring rings are six, seven, eight, nine and 10 (Bullseye) points. A perfect score is 600 - 60 Bullseyes at 10 points each.

Competitive matches are held throughout the indoor season. Members compete against each other or against other clubs within SEMPA. Prior to the pandemic, shooters traveled from club to club to compete. Currently, clubs shoot at their home site and then compare scores with their competitor. Scores are tabulated and winners are determined.

With so many options available, what does Bullseye shooting have to offer? Quite a bit, actually. For someone new to competitive

handgun shooting, Bullseye is a relatively easy and inexpensive way to dip a toe into the water and see if you like it. You can take up the sport with no more than a.22 handgun and a set of eye and ear protection. Due to its relatively uncomplicated format, Bullseye shooting is often recommended for beginners in shooting sports as a good place to learn the general fundamentals of marksmanship.

If Bullseye shooting sounds like a sport you would like to learn more about, Burbary and his teammates invite you to attend a Thursday evening practice from 5-8:30 pm in the basement of the Shotgun/Range Building or office at 586.739.3500 the DSC contact or dscoffice@gmail.com.

This year, as in past years, each DSC committee is asked to donate a raffle prize, or cash equivalent, worth approximately \$75. This gives us a greater diversity of raffle prize choices and helps defray the cost of the event. We've seen prizes range from drones, telescopes, BB guns and bikes to dollhouses, a giant teddy bear and numerous electronic toys. Each and every donation is greatly appreciated.

## Lever Action Rifle Woods Walk

Saturday, Oct. 21, 2023

The Clinton River Muzzleloaders are hosting a centerfire lever action rifle woods-walk on

the Primitive Range in Delaney Park at the Detroit Sportsmen's Congress. This is a fun shoot for centerfire magazine fed lever action rifles. Rain out date is Saturday, Oct. 28.

Registration: starts at 9:45 a.m. and closes at 11:30 a.m. The first safety briefing will be at 10 a.m. with the shoot commencing afterward.

Firearms with non-removable magazines will be loaded at the firing line only. Removable magazines may be loaded between stations but not inserted until the shooter is at the firing line. Steel core ammo is not allowed.

There are four divisions: Adult - Iron Sights, Adult - Optical, Junior - Iron Sights, Junior- Optical.

Re-Entry for another division is allowed.

The junior division is for children 16 and under. Juniors must be accompanied by an adult.

The course of fire is five shots each on ten hanging steel targets at various distances between 20 and 60 yards in the woods. Range Officer scoring decisions are final.

Fee: \$10 per shooter. Children under 16: \$5.

## **Black Powder**

This month we have two special shoots on the black powder range. The Annual Memorial Shoot is Sunday, Oct. 8. This begins with a ceremony to honor DSC BP members who have passed away. After that, there will be shooting, and hawk and knife throwing contests.

The other special shoot this month is the ever-popular lever gun shoot. The date for this event is Saturday Oct. 21. You can find details on these events in flyers on the Coming Events page of the DSC website <u>Coming Events | Detroit Sportsmen's Congress (dscweb.org)</u> or elsewhere in this issue of the P&K.

In other news, the price of shooting muzzleloaders continues to climb. Round balls that used to cost 10-12 cents are now 13-16 cents. Schuetzen black powder that was \$16 for a pound only 4 years ago is now in the \$21-26 range. Who knows if/when the Goex plant will go back on-line. They were supposed to be back last spring. We are still waiting. The worst situation is percussion caps. Up until a couple of years ago, you could get a variety (e.g. CCI, Remington, Winchester) of caps for 6-8 cents each. Now the only supply available seems to be RWS and the new going price is 15 cents (OUCH!). I once thought of muzzleloading as being inexpensive. Well it's hard to make that argument any more. We note that modern ammo has also gone up in price. There is plenty available it just costs a lot more. We just have to get used to the new higher prices.

Walter Opdycke

## Rifle

The 2023 Sight-In season has begun. A flyer describing the dates and times can be found elsewhere in this issue of the P&K or on the DSC website About Us - Detroit Sportsmen's Congress (dscweb.org). Range officers are needed for Saturdays, Sundays and also Fridays as we near the end of the month. If you are a RO, please be sure to sign up to help work as an RO using this e-mail ro request@duaneburleson. com. Even if you are not an RO you can help. Please sign up on the same list. Let Duane know you want to help and when. He will put you on the schedule as a trainee. The range gets very busy at this time of year so

extra eyes can help keep the range safe.

It amazes me to see that open shooting participation is higher this year, so far, as compared with last year. At some point you would think that the 30-50% increase in ammo prices over the last couple years would deter shooters but the interest is still there.

If you reload, primers can still be an issue. Currently, there seems to be no large rifle primers available. Other sizes are available at the new normal price of 8-10 cents each but large primers are not in stock. We congratulate those of you who had stocked up at 3 cents a primer. No doubt we will never see anything close to that price again.

### **DETROIT SPORTSMEN'S CONGRESS SEPTEMBER GENERAL MEMBERSHIP MEETING SEPT. 6, 2023**

**President B. Saylor** opened the meeting at 7 p.m. with the following comments:

Recognized the past presidents and life members present

Offered a moment of silence for recently passed members: Richard Tyll and Jim Ray Sr.

Fall push now is to complete projects underway:

Skeet/trap building siding is 95% done; doors and trim next – then painting (help needed). Campground building structure is up with sheet metal started. Cowboy roof was primed & sealed – should allow several years until new roof needed. Help is always welcome and needed for the projects – good way to get work hours

Contact Dave Pierce (club photographer) if you want photos for any event – and submit to P&K

1<sup>st</sup> Vice President: (J. Estes) also reported on skeet/trap bldgs. and fences – with repairs and painting underway (need help painting!). Juengel Road fencing needs repair and some tree trimming needed at Delaney park. The parking lot blue bumpers also need painting. Outdoor pistol will be next big project (2024). Cowboy match is Sept. 17 and practice is on Saturdays. Life member meeting is Sept. 10 at 2 p.m.

**2<sup>nd</sup>. Vice President:** (J. Rhodes) thanked everyone for a safe month and year so far. Noted a minor incident where a damaged picnic table collapsed; message being to report damage as it happens so it can be promptly fixed. Other points:

Let office know if you remove DSC property (especially firearms) from storage or DSC grounds Reminder that anyone can call a CEASE FIRE on any range (RSOs will close range & then address the issue)

Thursday night skeet/trap league is still on-going, rounds bought before 6pm will be allowed to shoot to dusk.

Secretary's Report: (T. Crockatt) August 2 GMM minutes available and posted behind the bar .

**Treasurer's Report:** (R. Savo) the July financial report was reviewed, the highlights are:

July: income = \$79,458; expenses = \$69,820; for a net gain = \$9,638

YTD (thru July): income = \$767,557; expense = \$590,419; for a net gain = \$177,138

Note that materials for 2023 projects have already been purchased (reflected in expenses)

Kubota loan balance of \$6,673 (@ 0%) is only outstanding debt – no hurry to pay it off

**Senior Trustee:** (T. Murphy) 2024 committee budgets were mailed – due back by Nov. 1. Keep an eye on the pro shop for specials next month.

Trustee's Report: (E. Silarski) No report

Trustee's Report: (C. Salo) No report

**Chairman's Report:** (J. Lupi) reported that there are now 2 open BOD seats for terms through 2024 – and nominations will be accepted through 9/15. 9/25 BOD mtg will review and vote to fill positions. 8/28 BOD meeting motions were:

To reduce BOD by 4 director positions – deferred to Sept. BOD meeting

Allow archery to hold Jan., Feb., & Mar. chili potluck shoots as fund raisers for juniors – approved

Allow "Vets Returning Home" non-profit to place clothing collection bin at/near archery bldg. – approved

To reduce BOD by 2 director and 2 trustee positions – deferred to Sept. BOD meeting

**Operations Manager:** (B. Palmer) The Sept. 8 rib dinner has two openings remaining – and reservations are a must. Help is needed for Friday's rib dinner, then set up afterwards for the sports show (Sept. 9). Brats will be served Thursday prior to the rifle committee meeting. Address any 2024 budget questions to her. Sports show Saturday, Sept. 9 from 9 a.m. – 2 p.m., with breakfast available to purchase (biscuits & gravy/breakfast sandwiches).

**Member of the Month** (B. Saylor) Aug. member of the month was the entire campground new building crew doing great job quickly getting building up.

### Committee Reports:

**Archery:** Summer JOAD finishing up, and will start again Sept. 20 (weekly through Mar. 27) – 32 kids signed up. Archery party Sept. 30 with a fun shoot. 3D is ending for the season with Sept. 18 banquet. Sept. is last month for shooting outdoors. **Black Powder:** Operates the rifle range Monday nights 6 p.m. – dusk through Sept., and Cowboy 50-yard range Thursday nights 6 p.m. – dusk Sept. 7 and Sept. 21. **Membership & Show, Conservation:** next new member orientation is Sept. 17. Conservation topics reported were: 2nd biannual Dequindre Road cleanup is Sept. 23 at 8 a.m. DNR has identified two new invasive species (mountain pine beetle & water primrose plant). Next Eagle webinar series is Oct. 3, 1 - 2 p.m., topic about our water/water safety. Did you know that there are fresh water jellyfish in the great lakes? (yes indeed). DNR still seeking public input to their varies committees DNR is teaming up with Detroit Tigers to sponsor a hunting & fishing game night Wed. Sept. 27 (free beanie). Bird owners reminded to protect your birds as migration season has started. Small game season starts Sept. 15, check as there are some new rules for 2013. DNR sponsoring a women's pheasant hunt Sept. 17 at the Rooster club, can sign up for either a 8 a.m. or 12:30 p.m. hunting times.

**Education**: Fall classes are on the website – contact the instructors for any questions. Hunters Ed class (including juniors) is Sept. 16 & 17 and is now full – you can check for cancellations. Sept. CPL classes were moved to October (2,3,9) with CPL refresher Oct. 10. NRA basic pistol Sunday Oct. 1. Oct. 8 is NRA RSO class. Junior rifle & pistol shooters are beginning their Friday night shoots in the basement range. CPL practice re-starts in Oct. (Oct. 8 intermediate, beginner Oct. 22 with orientation Oct. 15)

**Elections & Promotion**: Mr. Dave Pierce, 2023 election committee chair, is seeking nominations – several were offered at this meeting. There are sufficient reps from each of the committees to assist the elections. Members can also self-nominate – and any member in good standing for at least 2 years can run. A club promotion will be in the Sept./Oct. "Woods & Water News" – offering \$5 coupon for open shooting and CPL classes.

**Pistol**: Thanks to Mr. Savo for re-wiring the outdoor range. In Sept. bullseye and PPC will move indoors, USPSA and .22 steel matches will shoot outdoors through September & October (weather permitting)

**P&K**: (B. Saylor) Submit articles and pictures by the 15<sup>th</sup> to be included in next month's P&K

**Rifle**: Aug. 13 a vintage rifle & M1 carbine rifle match was held. Rifle RSO refresh and orientation is Sunday, Sept. 10. ## DSC KIDS CHRISTMAS PARTY REGISTRATION FORM

### SATURDAY, DEC. 16, 2023 10 a.m. – 1 p.m.

List the children's names and ages attending the party. Children 12 and under are eligible. Choose gift preference, boy, girl, or gender indifferent, so an appropriate gift can be bought for each child (i.e. if a girl doesn't like dolls or girl-oriented toys, choose gender indifferent and a gift like a game can be purchased). Or if your child has a favorite toy, like Barbie, My Little Pony, Hot Wheels, Legos, dinosaurs etc, list that instead. If possible, we'll try to get that type of present. Also, list # of adults who will be eating breakfast. Finally, please note member's name, phone and card # for family identification. Kids will be listed under the members' name at check-in. Call the DSC Office at (586) 739-3500 if you have any questions.

Check-in begins at 9:45 a.m. (please don't arrive before then) and children will see Santa in order of their arrival. Breakfast will be served, starting at 10:15 a.m. Children receive a free breakfast. Adult breakfast price is \$8. Games and songs will follow with Santa arriving last.

# Archery

The Monday all 3-D / Broadhead Combo league had 36, 2-person teams and finished with a banquet on Sept 18. Turnout for this league is like the last few years. Thank you to Byron Hamm for running this league again, good job.

The archery outdoor 3-D range has been shut down for the winter. Thank you to all that helped throughout the year to clear the trails, set up targets, repair targets, and clean up at the end of the season. The only remaining 2023 event planned for the outdoor 3D range is the Toys for Tots shoot Dec. 3.

Open shooting Fridays will be on the indoor archery range from 5 – 8 p.m. beginning Oct. 13. Good luck to all the hunters and hope to see pictures of those who are successful.

### Historic Henry and Winchester Rifles

Oliver Winchester, a successful shirt manufacturer from New Haven. Conn., embarked into an unfamiliar area when he purchased a bankrupt firearms factory in 1857. Knowing little about firearms, he hired a gifted young gunsmith, named B. Tyler Henry, to produce a repeating rifle for his New Haven Arms Company. Metallic cartridges necessary for such a weapon, were still in early development stages. Henry quickly developed a metallic "rimfire" cartridge and began to design a rifle to use it. The .44 caliber rimfire rifle was released in 1860 as the Henry repeating rifle. It was loaded from the mouth and carried 16 cartridges in the magazine tube, plus one round in the chamber. A lever attached to the trigger guard fed cartridges from the loading tube into the chamber. The 17 shot Henry could be emptied in 11 seconds. 120 rounds could be released in less than six minutes.

"You can shoot the Henry all week and not reload until Sunday." (An old saying about the Henry long barreled repeating rifle)

In 1866, the Winchester 1866, an improved repeating rifle, that could be loaded from the side of the breech was introduced. It later became known as "the gun that won the west" the first of several successful repeating rifles that bore the famous Winchester name.
