

Another accomplishment from one of our DSC Junior Shotgun Athletes. Austin Smick, 10 years old, shot a 10-point deer Sept. 14, 2024, at 5:30 p.m. in Sears, Mich. He made the shot using a 243 while hunting with his Uncle Bob. Congratulations!

## Clubhouse

Saturday, Sept. 28 the Clubhouse held the annual Chili Cook-Off with a group of 10 different chilies in five categories. Everyone had a chance to try all the varieties but the judges had the final say on who would win each category and which chili won first place overall.

Category winners were:

Chili with beans – John Klobuchar representing Skeet & Trap

Chili with no beans - Joe Lupi representing Cowboy Action

White Chili – Sula Saylor representing the Pro-Shop

Wild Game Chili – Bob Labounty representing Camping

Hottest Chili – Brian Mathews representing the BOD

The Grand Prize winner, winner of \$100, was Bob and Lori Labounty's bison chili made with bison that Bob harvested himself.

Special recognition to the Cowboy Action shooters who came to the dinner sporting their best western wear in support of the cook-offs western theme. Thanks to Sherry for the corn bread muffins to go with all the chili. Also, special thanks to Bonnie and Sherry for their unwavering support of all the clubhouse events.

John Klobuchar

Chili Cook-Off winners left to right:

Bob and Laurie LaBounty, Brian Mathews, Joe Lupi, John Klobachar and Bill Saylor

# 2024 D.S.C. Election Candidates & Procedures

## President: Bill Saylor : 2002

Joined the DSC in Nov. 2002.  
President – 2008 – 2009 - 2010  
– Term Limits – 2015-2016,  
2017-2018 Current 2023-  
2024. 1<sup>st</sup> V.P. – Served 2 yrs. -  
2006 & 2007. Treasurer – 2020  
-2022. Trustee 2011-2013.  
BOD – 2005 and 2014, DSC Life  
Member – Aug. 2005  
Received “Member-of-the-  
Year” – 2006, 2010, 2012, 2016 and 2023.

Received Multiple “Presidential Service Awards”.  
Life Member NSSA/NCSA (National Skeet Shooting Association, National Sporting Clays Association)  
Life Member SASS (Single Action Shooting Society)  
NRA Certified Instructor for: Home Firearm Safety – Pistol – Rifle – Shotgun – Metallic Reloading – Shotshell Reloading and Personal Protection in the Home.

I do hundreds of work hours for our club each year – some recorded, majority are not. Donated 100s of thousands of dollars of equipment and manpower to our club. Spearheaded the Campground Bathroom Project, DSC Scholarship Fund, Open House, Clubhouse Renovation, worked on the Campground electrical, leading the backfill project. Involved in construction, maintenance/archery building and numerous additional projects, too many to list. Previous Head Coach for DSC Jr. Shotgun, still an Assistant Coach. Current President and State Advisor for the Michigan Scholastic Clay Target Program.

I have a reputation of trying my best to work with all club committees and maintain an open door policy with all of our members.

I wish to continue in this manner by returning as DSC president and seeing this club move forward for the benefit of the community – sportsmen – and our future members.

## 1st V.P.: John Klobuchar : 2019

I’ve been a member of DSC since Apr. 2019. Soon after joining I became a member of the Skeet & Trap Committee. As a member I have been very involved in the planning, organizing and running the Skeet and Trap fun shoots held over the last few years. I was also very involved in the planning, construction and installation of the DSC Junior Shotgun 5-Stand. I volunteer as an assistant coach for the DCS junior shotgun team. I have

NRA Range Safety Officer and NRA Shotgun Instructor certifications and DSC Shotgun RSO certification. I am a member of the National Skeet Shooting Association and the Michigan Skeet Association.

I’ve been an active member of the Grounds and Planning Committee since 2020. As a committee member, I’ve been involved in completion of multiple projects around the club including the archery extension, new windows for the cowboy building and the residing of all of the skeet houses. As a planning group we work with all of the venues to prioritize and address needed range development.

I became a Director in March 2022 when I filled a vacant position on the board. I have been the board rep for Archery, Skeet & Trap and Sporting Clays. I’m currently chair of the Clubhouse Committee, planning monthly member events in the clubhouse.

My career background is in engineering, 35 years with a major auto company, before retiring in 2006 as a senior engineering manager.

If elected I would like to continue working with the other board member and committees toward the continued improvement of the club facilities for the enjoyment of our members and the public.

## Secretary: Terry Crockatt : 2021

When I re-joined DSC in January 2021, I again became active as a certified pistol RO and pistol/CPL instructor. Since then I’ve also become a certified rifle instructor and rifle RO (pistol and rifle instructor certifications are both NRA and MCRGO). Three years ago, I worked with Bob Savo and other rifle instructors to develop the MCRGO AR-15 rifle basics course that DSC has now taught the last 3 years. I’m also a member of the pistol, rifle and education committees, serving as the education committee secretary/treasurer since 2022, and will do so again for 2025. Also during the last 3 years, I’ve regularly participated in the monthly CPL practice sessions which have improved both my personal and pistol/CPL instructor capabilities.

In the spring of last year, I was asked to consider running for the BOD secretary position as it had become vacant; and I was subsequently elected as secretary in June 2023. Serving as secretary the last year and a half makes me well qualified to continue in that role for the next 2 years.

If re-elected as BOD secretary I will continue to work with the BOD on a number of strategic club priorities. First is to continue to provide the confident and careful financial over-

sight members expect of the BOD, as the club's continued financial health is critical. But there are also key strategic challenges DSC faces in the areas of member retention, membership growth, marketing the club in a very competitive environment and overall sustainability of DSC into the future. The current BOD has initiatives on-going in these areas which I want to help develop and implement for the benefit of DSC, the membership and the generations that will follow.

---

## Treasurer: Bob Savo : 1990

I have been a member since 1990 and joined while taking my son to Hunter's Ed and never left. In 1992, I was elected to the BOD and have served as director, trustee, 1<sup>st</sup> VP, president and treasurer.

When elected to the BOD, I noticed that the Club was not in poor financial condition and having a good knowledge of finances and management from my everyday job at GM. I devoted much time to making the DSC financially stable and then improving every venue at both of our properties. I led major projects such as the electrical update at the Campground and the new maintenance/education building.

During the pandemic, I paid special attention to our finances and following the State Directives to open what we could as the situation got better. Unlike other organizations, we survived the pandemic. We will face new issues in 2024 and I stand ready to manage whatever financial problems develop.

None of my efforts would have been possible without strong support from the presidents in office at the time and equally strong support from the BOD, our maintenance team and operations manager.

If elected treasurer, I will devote whatever time is necessary to continue to maintain a sound financial program across all our committees. We are one club and will survive or fail as one.

---

## Trustee: Emil Silarski : 1976

I have been a DSC Member since 1976. I reached Life Member status in 1982.

Prior to my job retirement in Aug. 2010, I held the position of Design Services Project Coordinator, in which I monitored several projects, along with their schedules and budgets. This has assist-

ed me in my current office of trustee by providing the insight of the DSC budget system allowing to keep each committee on track of their allowable budget which is compiled by the DSC trustees each year and approved by the respective committees.

In the years of my involvement here at the DSC, I have held each of the club officer positions except for president and treasurer. I also held, prior to election to a DSC Officer position, the chairman's position of the Rifle committee and a member of the club SOP/by laws committee.

Having a good working relationship with the committees within the DSC. Also being a certified NRA instructor and MDNR recreational safety instructor allows me meeting many of juniors and non-members, which, as many of you know, is the future of this organization. My relationship with the other DSC trustees, treasurer and operations manager has helped me in keeping the DSC a financially sound corporation and around for the future generations to enjoy.

---

## Director: John Barber : 2002

I joined the club in 1983 as a pistol shooter. My credentials include being in the residential building business from age 18 on, a DSC member for 41 years, and past DSC president, treasurer and pistol chairman. I enjoy being active in the DSC.

My goals for the future include further promotion of DSC, keeping the club moving in a forward direction and financial soundness all for the benefit of our membership.

---

## Director: David Pierce : 2002

Fellow DSC members, I have been part of the DSC for over 40 years. I am a life member. I have served in many capacities.

I chaired the Clinton River Muzzleloaders. During my tenure, I exercised planning and oversight of construction of the range cohabitated by Black Powder and Cowboy committees. I spearheaded development of the Black Powder Primitive Range as well as the use of steel targets and construction specifications. Doing so, I interfaced with the Army Sniper Training Program.

I have served as director and parliamentarian. I was elected board chairman. During this time, I prepared a report on several safety issues on the indoor range including: air circulation, ventilation, range cleanup, lead handling, safety and range improvements.

Continued on page 6

## Director: David Pierce cont.

I interfaced with experts from the Bureau of Mines and Standards and other agencies including the U.S.Navy.

I have been involved in education for many years as NRA and MCRGO Instructor in the following disciplines: Basic Rifle, Basic Pistol, Basic Shotgun, Personal Protection in the Home, Refuse to be a Victim, Metallic Cartridge Reloading, Shot Shell Reloading and Chief Range Safety Officer.

I enjoy various shooting leagues the DSC has and am a Muzzleloading RSO, Rifle RSO and Law Enforcement RSO.

I continue to work on projects assigned by the officers and general manager. Most recently, I helped with the face lift of the indoor range.

I managed a \$70,000,000 a year advertising operation, with a 12- to 18- person staff, at a major retailer. Working as a commercial photographer and journalist, my work has appeared in over 26 national publications.

I produced and edited the world's first traditional shooting sports magazine on the World Wide Web. I still carry press cards from Professional Outdoor Media Association as well as Michigan Outdoor Writers Association.

I would like to continue serving.

---

## Director: Bob LaBounty : 2007

My name is Bob LaBounty; I have been a member of Detroit Sportsman's Congress since 2007. Back in Oct. 2023 I was elected to be on the Board of Directors. My wife and I, enjoy shooting pistol here at the range. We also are avid fishermen, our specialty are walleye, salmon and yellowtail snapper. We both

enjoy camping and are members at the Horseshoe Lake Campground; my wife Lori also joins me when we do our annual bison hunt in North Dakota. Enjoy shooting rifle when time permits. Most of my involvement with the club is behind the scenes doing maintenance and new installations at both the Dequindre Road location as well the Horseshoe Lake Campground.

I retired from Ford Motor Company in 2000 as a master electrician, working with the engineering department in lying out and installing large projects throughout the plant. I believe that my experience will help on the board on various projects particularly the electrical aspect.

I am a firm believer that we need to keep the club moving forward, improving the facilities and signing new members. I feel it is very important to keep the club and campground viable in the coming years.

## Director: Wayne Billings : 2002

I have been a member of the DSC, this time, since 2009. I was a member in 1972 and active as the pistol committee chairman and bullseye pistol shooter. I left the club in the 80s for obligations with the Army and Michigan National Guard, from which I retired from with 23 years.

Returning to the club and bullseye shooting, I spent a lot of time with the junior pistol and rifle shooters. Attended Jim Delany and Bill Saylor's NRA instructor class and became rifle and pistol RO qualified. I also took the Hunter Ed. Class and worked with that for a few years. I became a life member during that time.

My experience with the Army marksmanship program gave me much insight into instructing others with both rifle and pistol as that was my task when it came time to take a company of military police and infantry to the qualification range. I spend many hours of range time with Women of Aim as well.

It seems most of my long lasting friendships have come about through club activities. I've been around long enough to know most of the older members and consider them my friends as well.

---

## Director: Brian Mathews : 2016

I am 57 years old and an Army veteran. I have worked in the automotive field for 37 years as an auto-body and paint technician, including welding and fabrication. Specializing in prototypes, as well as custom and classic restorations.

My club involvement includes the following: four years as lead ranger at the campground, one year on the campground committee as safety chairman, six years as range safety officer for youth archery at the campground, six years of pistol range safety officer. Most recently, one year as campground committee chairman, one year as pistol committee vice-chairman, one term as director on the DSC Board and also an active volunteer on the clubhouse committee.

I am confident that the years of my professional occupation has given me the necessary skills required for this position. Such as communication, problem solving, working with others as a team and team building. I am ambitious, eager and will help my DSC family in any way that I can.

If re-elected, I will continue to promote the many venues DSC has to offer, as well as serve the DSC with professionalism and honor.

# 2024 DSC Election Absentee Ballot Procedures

1. Following the November General Membership meeting, members may request the DSC Office mail an absentee ballot to them. The Detroit Sportsmen's Congress takes no responsibility for any unforeseen delays by the U.S. Postal Service, either in delivering or receiving absentee ballots.
2. In the upper right hand corner of the ballot, you must legibly write your membership number.
3. Complete your selections on the ballot.
4. Place the marked ballot into an envelope and seal. Label this envelope "**ABSENTEE BALLOT**".
5. Place the sealed absentee ballot envelope and your DSC membership card into another envelope. Address and mail it to the **DSC Office - 49800 Dequindre, Utica, MI 48317**, also mark it **Attention: Election Committee**.
6. The DSC office staff will punch your membership card and your sealed ballot will be placed into the ballot box. If your membership card is not included, the sealed ABSENTEE BALLOT envelope will be declared invalid and destroyed. You must include a self-addressed stamped envelope so that your card can be returned after it has been punched. If a self-addressed stamped envelope is not included, the card will be retained at the office for you to pick up. It is not the responsibility of the office or election committee to affix postage to return your membership card.
7. When the election committee tallies the ballots, they will open each sealed "ABSENTEE BALLOT" envelope, remove the membership number located in the upper right hand corner of the ballot, and count them as regular votes. These envelopes will not be opened by anyone other than the Election Committee.
8. All ABSENTEE BALLOTS, **must be received by the DSC Office before 8 p.m. Dec. 4, the day of the annual meeting.** It is the member's responsibility to respond in a timely manner.

---

## Director: Mark Thuemmel : 2018

I am lucky enough to be able to take most Tuesdays mornings off work to hang out with the Black Powder people at their rendezvous where I can sit by a campfire by the Clinton River and enjoy good company. Anytime I want, I can get up and go to the range to shoot some steel targets and then many times come back for some homemade food goodness I or one of the other people brought to share. My wife says I have finally met my tribe here.

I am an Black Powder Range Officer and I run the Black Powder Hotline. You might have seen me on some of the many special events that I enjoy here such as the black powder woods walks, the tannerite shoots and other rifle special events like Easter eggs or Christmas cookies. I love watching the cowboy matches and sometimes bring my lead ammo that I reloaded myself for their steel targets on practice days. I do have fun trying to hit the clay targets at Trap and I like the .22 Steel matches too.

I enjoy attending many of the trainings that are held here at the Congress and I think I always learn something new by being there.

I think a lot of people are happy the way things are, but I think most people recognize that we are a dying breed and need to do some things to increase our membership. It seems like a lot of the ideas I've had have already been tried here in the past.

There are a lot of people around here with a lot of skill and experience that want to help somehow. We just have to figure out how.

## Junior Donations

Due to the successful trial of the Scholastic Action Shooting Program this summer, we are moving forward with making the S.A.S.P. a permanent part of our junior programs.

To that end, we are in need of some equipment the club does not currently possess. Specifically, we are looking for a number of Ruger 10/22 rifles and Mark Series 22 pistols. Additional items needed are red dot sights for the rifles and magazines. We need a minimum of five magazine per rifle or pistol. These items do not have to be new, just functional. So, if you have one taking up room in the gun safe, this may be the best way to make room for another gun. If you would like to donate any of the above items or cash toward there purchase, please contact the office or drop them off at the clubhouse. Firearms must go to the office and be prearranged before drop off.

***FILL IN CIRCLE FOR DESIRED CANDIDATES***

**VOTING FOR MORE THAN THE ALLOWED VOTES WILL VOID THE ENTIRE BALLOT**

## Blackpowder

I recently stopped by Cabelas just to look around. The gun library was open and had a pretty good selection of used firearms. The prices were high, but with current inflation that is to be expected. The “New Gun” racks were full and ammo seemed quite plentiful. I didn’t really look at the prices but you can easily get your needed supplies. Then it struck me – “Where are the muzzleloaders and where are the muzzleloading supplies”?

There weren’t any muzzleloaders in the “gun library.” At least I don’t remember seeing any. I looked through the hunting and shooting area several times. On my third pass, I found the muzzleloading supplies. The reason I had missed them is that they now only occupy about half of one side of a row – maybe 10 feet in all. I looked again at the new guns in their racks but didn’t see any muzzleloaders. Ok, to be clear, I didn’t see any traditional muzzleloaders. When I got home, I checked out their website. They still have a selection of muzzleloading rifles, about 25. Of these, 21 are modern in-line rifles meant for deer hunting and not much else. There were only 4 offerings in what I would call traditional side lock muzzleloading rifles. There seems to be very few

people interested in traditional muzzleloading anymore. And the ones who are interested are getting older.

Watch collecting has been another hobby of mine. Recently, I went to a regional meet of the national association. The last time I went was about 2012. Hundreds if not a thousand people attended. Now this show is about a third to a fourth the size it used to be. And the average age of the participants is way up. Thirty years ago, I was one of the younger people there. I still am. Shooting sports are similar.

When I joined the DSC back in 2005 at age 47, my age seemed about average for the club. Unfortunately, at 66, my age is still about average. I sure hope we can figure out how to attract younger people before all the art is lost.

Walter Opdycke

# Campground

As we close out another successful season, we look back at the new friends we've made, the friends that have become family, the fun times and the quiet peaceful moments.

Our Halloween theme weekend was great with plenty of activities including a rubber ducky hunt, trick or treating and a hayride with cider and doughnuts. I would like to congratulate Paul and Holly Wilson as winners of the Best Decorated Lot as announced at the Monster Mash family dance.

The final event of the season was our Chili Cook-off and pot-luck dinner with a wonderful assortment of chilis, appetizers, side dishes and desserts. The winners of the cook-off are as follows:

- Lisa: Best Spicy Chili
- Dave and Sharon: Best Bean Chili
- Vickie: Best No Bean Chili
- Shannelle: Best Wild game and Best overall.

I would like to thank all the volunteers that helped with several upgrades and projects this season. Our new campground office, electronic security gate system as well as our memorial area and walkway have really taken the campground to another level we all can be proud of.

Brian Mathews

## DETROIT SPORTSMEN'S CONGRESS GENERAL MEMBERSHIP MEETING Oct. 2, 2024

**President B. Saylor:** Opened the meeting at 7 p.m. by recognizing the past presidents and life members present. President Saylor then reported:

Dequindre road project progressing quickly & on schedule - being prepared for paving (soon).

Activities now transitioning into our fall schedule – getting cooler and leaves falling (caution around wet leaves as they present a slip/fall potential). 5-stand repair project now done – with #12 platform re-build next.

**1<sup>st</sup> Vice President:** (J. Estes) Again reminded that help is always needed. Clubhouse and range building decks/steps/ramps painting is now complete. Cowboy buildings painting almost done in prep for the Oct. 19 & 20 State “Wild Bunch” match. Current projects are cleaning brush along Juengel Road fence and brush leading into Delaney Park.

**2nd Vice President:** (J. Rhodes) Thanked RO's for contributing as there were no major safety issues last month. Be cognizant of the changing seasons: it's getting darker earlier; falling leaves will accumulate and are slippery when wet. Sight in season is here and ROs are needed – even trainees. Reminder to keep handicap spaces clear and to have winter equipment (shovels & salt) ready. Oct. 13 at 4 p.m. is next rifle RO orientation, and Oct. 19 is NRA RSO class 9 a.m. to 4 p.m.

**Secretary's Report:** (T. Crockatt) September general membership minutes published in the P&K, and also posted behind the bar.

**Treasurer's Report:** (R. Savo) the August financial report was reviewed, the highlights are:

Aug: income = \$80,868; expenses = \$81,772; for a net loss = \$(903). YTD: income = \$845,180; expenses = \$670,534; for net gain = \$174,646. Kubota loan now down to \$1,991 (at 0% interest). Key points regarding Aug. notable expenses and net loss: July & August are typically slower months due to vacations etc. Capital improvement expense are booked when the expense occurs (i.e., new epoxy basement range floor – and the expense allocation was pro-rated across the committees based on use). The DSC finance report is always reviewed monthly by an outside accounting firm.

**Trustee:** (T. Murphy) No report.

**Trustee:** (E. Silarski) 2025 budgets due back by Nov. 1, calendars due by Oct 1.

**Trustee:** (C. Salo) No Report.

**Chairman's Report:** (J. Lupi) BOD met on Sept. 23, business items discussed:

Motion to reinstate the scholarship fund for 2025. \$1000.00 for 1<sup>st</sup> place and \$500.00 for 2<sup>nd</sup> place and \$250 for 3<sup>rd</sup> – was approved.

Motion to approve 2025 Rifle Committee calendar – was approved.

Motion to approve 2025 Cowboy Action calendar – was approved.

Motion to approve the 2025 Skeet and Trap Calendar – was returned to committee.

Motion to approve creating a BOD study team for the purpose of developing successions plans for key BOD, committee, and DSC employee positions. Study team to comprise 4, or up to 5, DSC members (at least 3 being current BOD members). Mr. Crockatt was appointed study team chair by the BOD chairman. First study team report to the BOD due at Dec. 16 meeting – was approved.

Motion to approve the 2024 DSC election ballot and print up to 300 ballots – was approved.

**Operations Manager:** (B. Palmer) No report.

**Election:** (D. Duey) The BOD approved ballot was presented with the below slate of candidates:

President: Mr. Saylor, 1st VP: Mr. Klobuchar, 2<sup>nd</sup> VP: No candidate (BOD will address this open position at their December meeting), Secretary: Mr. Crockatt, Treasurer: Mr. Savo, Trustee: Mr. Silarski. Directors (6 positions): Mr. Mathews, LaBounty, Barber, Pierce, Thuemmel and Billings.

Mr. Duey reminded that the key election dates are: Slate of nominees presented at the October general membership meeting. Nominee introductions at the Nov. 6 general membership meeting. Voting starts Nov. 20 and ends at 8 p.m. Dec. 4 at the start of the general membership meeting. Voting results reported at the Dec. 4 general membership meeting.

**Member of the Month:** (B. Saylor) Member of the month is Kyle Gilbert. Kyle runs the USPA program.

**New Members:** No new members present.

### **Committee Reports:**

**Archery:** No report.

**Black Powder:** (G. Riedner) Next Monday, Oct. 7, open shooting (6 – 8 p.m.) now moves into the basement range. Hosted a Safari Club woodswalk shoot and luncheon last Saturday that was well received. Oct. 13 will be a memorial shoot – registration starts at 9:30 a.m. Oct. 26 is last special shoot: lever action centerfire.

**Camping:** Season is winding down with closing Nov. 1. Oct. 5 will be a chili cook-off.

**Clubhouse:** (J. Klobuchar) Chili cook-off held Sept. 28 with 10 entries in the various categories, winners were: 1<sup>st</sup> place “hot” was Brian Mathews. Best bean chili was John Klobuchar. Best wild game chili was Bob LaBounty. Best fowl chili was Sula Saylor. Best no bean chili Joe Lupi. “Best of the best” chili Bob LaBounty (wild game) who won the \$100 1<sup>st</sup> prize and their name on the trophy plaque. Special thanks to Bonnie and Sherry for their help with the chili cook off.

Oct. 18 will be a Halloween party (costumes encouraged but not required) with dinner a “spooky” surprise (to be announced)

**Life Member:** No report.

**Cowboy:** (see Mr. Estes 1<sup>st</sup> Vice report above)

**Membership & Show, Conservation:** (D. Duey) next new member orientation is Oct. 20 at 1:30 p.m. in clubhouse. Conservation topics:

There are lots of state DNR invitations for public participation and comment on a range of topics. Geese re-location efforts have been abandoned due to limited effects. Spotted lantern fly has been found in Wayne county. Tree moths have been found in Lapeer county. DNR is encouraging the public to prepare for emergency weather events. Caution needed with bird feeders now that migratory birds are passing by and using them (avian flu risk). A “do not eat” advisory has been issued for Clark’s marsh (see map for specific area). DNR reminder that free Covid test kits are still available. DNR has extended public comment for the forest management plan until Dec. 31. DNR 10 year state forest management plan input open until Oct. 4. DNR is asking to report game taken as part of it’s survey – walleye especially. DNR is stressing it’s “clean, drain, and dry” campaign to stop the spread of invasive species. DNR requesting you report any marked splake caught in Lake Superior. DNR is hosting squirrel hunt camps. While hunting, ensure you have a plan if injured or lost. Caution needed now that the lake swimming area buoys are being removed for winter.

**Education:** (J. Vallone) Summarized the upcoming pistol, CPL, and CPL refresher classes scheduled for the remainder of 2024 (consult the P&K and website for details). NRA RSO class is Oct. 19. JOAD has started meeting Wednesday nights. Junior/youth basic rifle clinic Nov. 2 & 3. Oct. 17 is next committee meeting.

**Promotion & Photography:** Reminder to contact Mr. Pierce for photos of your events.

**Pistol:** (S. Surratt) Open shooting has now moved indoors (shooting outdoors is at discretion of the RO). Also indoors is PPC and bullseye. USPSA is still outdoors through October - dependent on weather. Oct. 27 is last .22 steel match of the season.

**P&K:** Articles and photos (with captions) are always needed for the P&K. Reminder for the Nov. 8 & 9 disabled vets camp grayling archery deer hunt – see P&K for details. Submissions are due by 15<sup>th</sup> of the month.

**Rifle:** (D. Carbery) M1 carbine match Sept. 29 winners were: 1<sup>st</sup> Rick Nowicki, and 2<sup>nd</sup> Jay Jackson. The Sept. 29 precision rifle centerfire match winners were: 1<sup>st</sup> Walt K, 2<sup>nd</sup> Jim Parsons. The rimfire match winners were: 1<sup>st</sup> Rick Nowicki, 2<sup>nd</sup> Steve Schneider. Rifle leagues are now finished for the season. Hunting season sight-in has now started, ROs are needed – see the flyer and P&K calendar for dates and times. Next committee meeting is Oct. 3 at 7:30 p.m.

**Skeet & Trap:** (R. Stanfield) Upcoming is a “400 x 100” trick-or-treat shoot Oct. 26 & 27. Also hosted by Rick Trawinski is a month’s long (October) “2024 Clay Target Challenge” - shooting 50 skeet, trap, sporting clays, & 5-stand (joint coordination between skeet & trap and sporting clays). There will also be a Oct. 26 “Devil’s Night” shoot at 6:30 p.m. – come in costume! Junior shotgun program is running well with 2 new coaches.

**Sporting Clays:** A great place to be!

**WOA:** (V. Billings) Still hosting Friday night skeet & trap 4 p.m. – dusk through October. Monday night outdoor pistol has ended. Next meeting is Oct. 10 at 7 p.m. Annual fund raiser bake sale will be at the Nov. 6 general membership meeting.

**Website:** As always, submit articles and photos (with captions), and report committee changes to website and P&K.

**Work Hours:** (M. Shany) To be available tomorrow Oct. 3 – however 6 are incomplete and will be reported next month. Reminder to print name legibly using correct member number.

**Member Comments:** Mr. Klauza commented that the recent .22 rimfire match at 200 yards was exceptionally challenging.

**Old Business:** None.

**New Business:** None.

**Monthly member drawing:** Ron Gabriel – not present.

**50/50 drawing:** Won by Dennis Vertrees.

**Meeting Adjourned:** Motion approved at 8:08 p.m.

Submitted by:

Terry Crockatt

Secretary

**P & K Submissions** are due the **15th** of every month. Editable format only accepted.

**HAPPY THANKSGIVING DAY TO ALL FROM THE DSC COWBOYS**

---

## Sporting Clays

As always, it has been a busy summer/early fall. Total rounds shot this year (thru the end of September) number 4,707. Yes, that's correct; Four Thousand, Seven Hundred Seven rounds. To put that into perspective that is 235,350 birds thrown. Note that is based on 50-bird rounds. As a fair percentage of rounds are 100-bird rounds, the actual total birds thrown certainly approaches 300,000.

As I wrote the above, a couple of things came to mind. First, is the amount of work Al McGee, DSC staff and all who volunteer put into Sporting Clays to ensure that we all

have a first class course to enjoy.

It is a lot of work. For example, every one of the birds indicated, all 235,350+ of them, are loaded into the machines by hand. Think about that for a moment! Also, the course layout is changed each and every month in order to keep the presentations fresh and interesting.

Additionally, is all of the maintenance required; lawn cutting, snow removal, trimming brush, cutting down trees, picking up hulls, etc. The list goes on and on. Accordingly, please consider getting involved by volunteering some work hours to keep all of this great momentum moving forward. Get involved and do some shooting also!

A couple of large projects were completed recently, both of which required a considerable amount work. First was the complete disassembly, power washing, painting and reassembly of the Five Stand stations. A lot of work to say the least. DSC owes the following individuals a huge thank you: Bill Saylor, Al McGee, Jim Estes, Tony Parker, Chris Wasiak, John Klobuchar, Bob Klein, Neal Farner and Mark Mendola. Also, one of the raised shooting/machine platforms was completely rebuilt. The following members again graciously stepped in and got the project done: Bill Saylor, John Klobuchar, Mark Mendola and Neal Farmer.

A special thank you to Ralph and Joan Hollowell for repainting all of the benches around the course.

The Winter League will be wrapping up the end of November. A banquet will be held at the DSC Clubhouse Saturday, Dec. 14. Drinks at 5 p.m. with dinner promptly at 5:30 p.m. It is always a great time, so please come out and enjoy. Please note, that if you plan on attending, please register with the cashier at Sporting Clays so that an accurate head count can be obtained.

Wrapping up, take a moment to consider what a fine Sporting Clays course DSC has the privilege of having. Every year, this venue increases in popularity with both DSC members and the public. This is due to the hard work of individuals and the continued support of DSC's administration.
