

### DSC Board Openings

The DSC Board has a vacancy of two DSC Director positions. Each of these DSC Director positions are for one-year terms ending in Dec. 2025.

To have a full Board seated at the Feb. 2025 DSC B.O.D. meeting, I am taking names of interested candidates, publishing the vacancy in the Jan. & Feb. P & K, posting on the DSC website and will announcing at the Feb. DSC general membership meeting. The DSC Board, as their first business item at the Feb. 2025 meeting, will consider all applicants.

If you are interested in serving as a DSC Director for a one year term, please submit a letter or an email to the DSC office ([dscoffice@gmail.com](mailto:dscoffice@gmail.com)) indicating your desire to be considered for the Director's positions by **Friday, Feb.14, 2025.**

All qualified candidates will be notified by email to appear at the **Feb. 24, 2025**, DSC Board meeting. Each candidate will be allowed 3 minutes to address the Board regarding their qualifications and desire to be a DSC Director. At the conclusion of the candidate presentations, the Board will elect the new Directors. The new Directors will be sworn in and immediately be part of the DSC Board.

Please consider applying for this important position within DSC.

Sincerely,  
J. Lupi  
DSC Board Chairperson

### Rifle

I have been a DSC member for almost 20 years. I joined to shoot in the rifle leagues – specifically the high power/service rifle league. Over time my interests both changed and broadened. First there was the smallbore silhouette league and then sporting rifle. I started the prone league to try to attract new shooters. It didn't work. Most if not all the prone league shooters were/are already shooting in other leagues. A few years ago, I also started shooting black powder on their monthly muzzleloader woods walks.

The more I look at it, the more I see that this is the old way. Potential new members don't seem all that interested in league shooting. They are not interested in the time commitment that league shooting takes. They come out to shoot just for fun. They don't have or don't want to commit the time to join leagues. Ok, fine. Maybe there is another way to get them interested in joining the club.

This is why I think the special shoots that both the rifle and black powder committees put on during the year are so important. These events are the perfect showcase for potential new members to try out the DSC ranges using a variety of equipment.

Black powder, sponsors five special shoots each year. There is one for service rifles, 22 LR pistols, centerfire pistols, 22 LR rifles and lever action rifles. Basically, it is one special shoot per month from May through Oct. except for July. Any one of these special shoots generally attracts more shooters than several muzzle loading events combined. More importantly, they seem to attract a lot of non-members. The last special woods walk was the lever action shoot. We had about 35 entries and a good 10-15 of these were non-members. It's a great venue for showcasing both the range and the club.

# 2025 DSC WINTER INDOOR SILHOUETTE AIR GUN FUN LEAGUE

January through April

This is league you have been waiting for. Get out once a week and shoot some air guns with friends. This is a 16-week league for both air rifle and air pistol. Instead of the traditional steel targets, we will be shooting paper targets. If the league becomes successful we may transition to steel targets.

Air rifle will be shot at 30 yards. Air pistol will be shot at 18 yards. All targets are sized for stated distance. All shooting is done from the standing position. There will be white or black targets to use, whichever the shooter prefers.

If you don't have an air rifle you may be able to borrow one from another competitor. It never hurts to ask. Just don't beat them with their gun, especially if you borrow mine.

**Location:** Dean Burnett Indoor Archery Range.

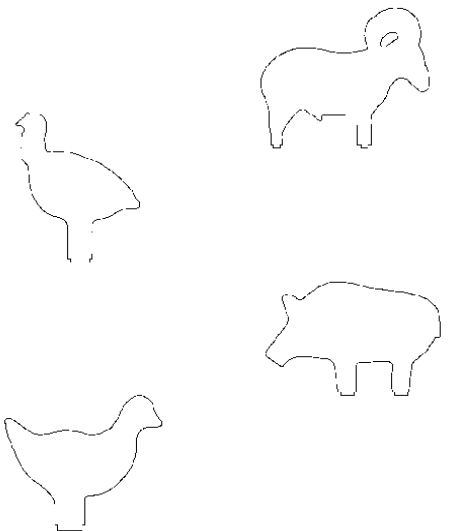

**Time:** Tuesdays, 7 to 9 p.m. First night Jan. 7, last night to record a score April 22. Banquet May 1.

**Equipment:** Any air gun of either .177 or .22 caliber is allowed. Sights can be iron or scope. There is no limit on magnification. Red dots are allowed. Pellets only, no BB's. No shooting jackets other than a shotgun vest and no slings allowed.

AIR PISTOL TARGETS AT 18 YARDS FOR 18 YARDS  
10 SHOTS PER ANIMAL ~ 40 SHOTS TOTAL

NAME: \_\_\_\_\_

**Course of Fire:** Pistol, the course of fire is 10 shots per animal, 4 animals per target, 40 shots per target. Rifle the course of fire is 5 shots per animal, with two of each animal. The animals are chickens, pigs, turkeys and rams. Scores are strictly hit or miss, so 40 is top score on a target. Any shot touching the target line will be scored a hit. 25 minutes per target. Four relays an evening with target change.

**Divisions:** We have for divisions, two for rifle and two for pistol. Rifle optical and iron sight. Pistol, optical and iron sight.

**Fees:** League \$15, \$25 for nonmembers for first division. Additional divisions at \$5 each. Range fees are the normal rifle / pistol fees. The league fees will go to prizes and a simple end of season "banquet" (pizza, sandwiches or something similar).

**Competition:** Competitors must have ten scores submitted in their division to be eligible to win a prize. There is no limit to the number of scores that can be submitted. Winners will be determined by their 10 highest scores. There must be at least two competitors per division to win an award. You must beat someone.

**Rules:** As is this a fun league the rules are fairly lax. Basically shoot what you have. If you are interested in the official rules, here is the link: <https://competitions.nra.org/media/8911/2023-silhouette-rifle-rules.pdf> The rules covers all forms of silhouette shooting not just air gun.

**Questions:** More information contact me directly. Corey Salo 586-944-3600 [corey@cdsdes.com](mailto:corey@cdsdes.com)

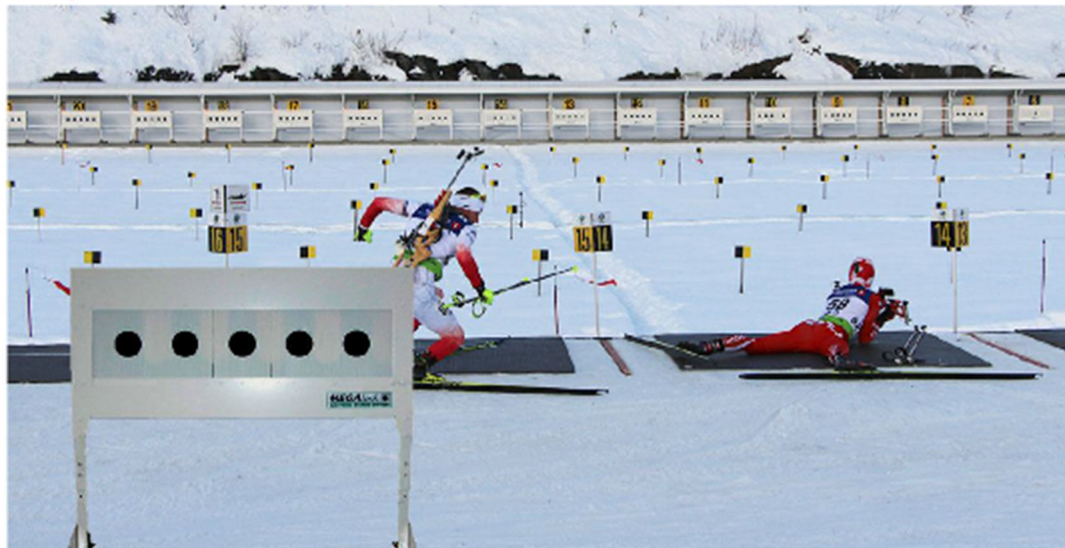

**Notes:** If you want to just come out and shoot an air gun, say for the postal league, that is fine as long as we have room. League shooters have precedence and you would not be have to pay the league fee. I plan on offering the juniors to come out and practice as long as there is room available also.

# Iwo Jima Flag Raising 80th Anniversary Memorial Shoot

**23 Feb. 2025 10 a.m. to Noon DSC Rifle Range**

## Come out and commemorate the Iwo Jima Flag Raising 80<sup>th</sup> Anniversary

Feb. 23, 1945, Joe Rosenthal took the iconic photo of the second flag raising on Mount Suribachi, four days after the initial landings. June 2016, a Detroitier by the name of Private First Class Harold Schultz was identified as a flag raiser, replacing Navy Corpsman, Pharmacist's Mate Second Class John Bradley, who had been misidentified for 72 years.

This is a precision rimfire shoot, 21 shots total at 50 yards. One shot at each of the three circles in the number 80. There are seven, 80s of different sizes on the target. Scoring: 5 points if it entirely in the circle, 2 points if the border is broken and zero for misses.

Scope and bench shooting suggested. Front sandbag only, no rear rests.

**Fees:** Adults \$10, Juniors \$5. Fee includes one target, additional targets are \$2 each. The prize pool is \$1 from each entry fee and the \$2 additional target fee.

## Rifle cont.

Rifle also has special events and these also seem to be well attended by non-members as well. These special shoots were developed to make use of the rifle range during the quiet times of the year – specifically Dec. through May. The traditional special events included the Christmas cookie shoot (December), the Groundhog Day shoot (February), the potato shoot (March) and the Easter egg shoot (April).

Recently, through the efforts of Corey Salo and others more special shoots have been added. The first was added a couple of years ago. This is the biathlon shoot in January. While you don't have to ski, this shoot gives you a taste of what the Olympic shooters need to do. This year there are several new special shoots that commemorate World War II events. The first was last month - the Battle of the Bulge shoot. Upcoming shoots will include Iwo Jima Flag Raising, VE (Victory-in-Europe) and VJ (Victory-over-Japan), I like it. We get more special shoots and we honor our ancestors at the same time.

For brevity, I have not included the details about these shoots. They can be found in the flyers that are available on the DSC website, coming events page and in the P & K. Please plan on attending one or more of these special events and pass the word to non-members. It may be the best way to generate new members.
