Volume 79 ~ Number 5

NRA RSO Class May 10

The Detroit Sportsmen's Congress is offering a one-day NRA Range Safety Officer class Sunday, May 11 from 9 a.m. to 5 p.m. in the clubhouse.

This class is a requirement to becoming a DSC RSO (excluding archery). The fee for the class is \$35 for DSC members and \$50 for non-members.

You will learn the basics of running a range safely, setting up range, safety procedures and range inspections.

To enroll in this class, contact the DSC office at 586-739-3500. The next class is Oct. 18, 2025.

Member Mark Mendola (left) receives his Member of the Year award from DSC President Bill Saylor at the April 2 general membership meeting.

Archery

First off, and most importantly, a big congratulations to Dakota and Brooklyn Gentry. Dakota earned a Junior Olympic Archery Development bronze, silver and gold Olympian medals. Brooklyn earned a bronze and silver Olympian medals. These are the first JOAD medals anyone at DSC has ever earned! Congratulations to them and the volunteers that keep JOAD going strong at DSC.

The annual Basic Archery class also finished up last month. This is another archery class which had a great turn out mostly thanks to more DSC volunteers.

A third recent archery event which had a great turnout was the Souper Sunday Trilogy indoor 3D shoot. This was a series of three indoor 3D shoots where you also received a bowl of soup when finished. The first leg was at Frankenmuth-Forest Archers in January and second leg was at Oakland County Sportsmen's Club. The final leg was here at DSC. A few members of the Archery Committee volunteered to donate soup which gave us some great homemade soups to pick from. The Souper Sunday shoot had 61 shooters come through the DSC indoor archery range. There was also a traveling trophy created for this event for the club with the highest score. Unfortunately,

DSC did not take home the gold or silver, DSC came in third place. The good news is that we have room for improvement.

All of these events mentioned required DSC Archery Committee members going above and beyond to make these events the success they were and hopefully continue to be.

Basic archery participants and instructors from the recent class.

Rifle

Barrel twist is an important factor in rifle shooting but is often overlooked. Once you have bought your rifle there really isn't anything you can do about it unless you replace the barrel. However, it is an important factor that you should be aware of when selecting ammo selection or bullets for reloading. Barrel twist gives the bullet stability and increases it's range and accuracy. Rifling was a huge leap forward in accuracy and range over smooth bore muskets.

When talking about barrel twist, we are generally talking about the rate of twist. This is usually specified as how far a bullet must travel down the bore to complete one rotation on its axis. For example, the old muzzleloading rifles might list a 1/72" twist. This means that the bullet rotated one revolution for 72-inches of length. This a very gentle twist that worked well with short stubby projectiles such as lead round balls. As conical shaped bullets became popular, the twist rate increased. In the calibers of the day, you would see twist rates of 1/48" as faster. These twist rates were empirically derived and selected because they seemed to produce the best accuracy for the selected bullet style.

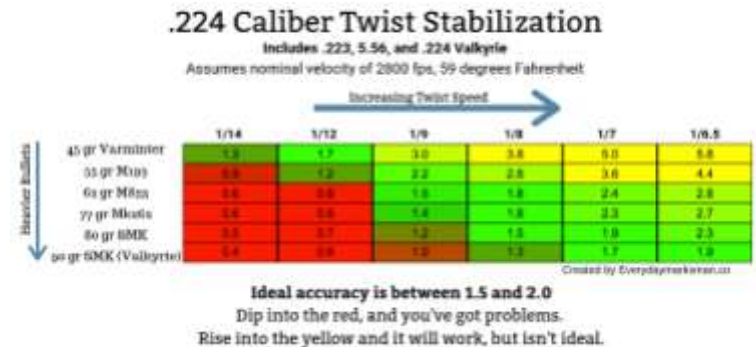

Here is a general rule of thumb – for a given caliber, heavy long projectiles shoot better in faster twist barrels while the shorter lighter projectiles shoot better in slower twist. The original 30.06 rifles were 1/10" twist to maximize accuracy of the 220 grain bullet that was then standard issue. Later, the GI bullet weights dropped to 174 and 150 grains but the 1/10" was maintained. Accuracy was still good because the bullet shape had changed to the more aerodynamic spitzer and boat tail designs, but that is a story for another day. When the military developed the 7.62 NATO (i.e. 308 Winchester) the rifling was changed to 1/12". This optimized the performance of the 30 caliber bullets in the 150-168 grain weight range. This is part of reason the 308s seem to shoot better than the 30.06 in this weight class. But it is also part of the reason that the 30.06 is a better big game cartridge as the old 1/10" twist is optimized for heavy 220 grain bullets.

.308 Winchester, 7.62x51 NATO

Twist Rate Chart (308 Win, 7.62x51 NATO)					
	1:14	1:12	1:11	1:10	1:8
147-gr M80	1.3	1.7	2.0	2.5	3.9
168-gr SMK	1.3	1.7	2.1	2.5	3.9
175-gr SMK	1.3	1.7	2	2.5	3.8
180-gr SMK	1.2	1.6	1.9	2.3	3.6

Good ole' .308 Winchester and its NATO sister are consistent performers. Stability remains high across most grain counts and rates, with 1:12 to 1:10 twists being established as the community favorites.

The 5.56/223 AR rifles are another interesting story of barrel twist. In development, the AR-15 sported a 1/14" twist barrel. Part of this was because the 223 barrels that were then available were generally for varmint shooting using 40-50 grain bullets. But it was also found that the heavier 55 grain bullets (NATO M193) were barely stabilized with this twist. This made for some devastating wounds as the bullets tumbled on impact. When production started, the twist rate was reduced to 1/12" to help stability in arctic conditions. This 1/12" twist and the 55 grain M193 was used in the M-16A1 and the M193 is probably still the most popular load for this cartridge. In the early 1980s, a new NATO standard was developed that used an elongated 62 grain bullet (NATO M882) to aid penetration on helmets. To stabilize that projectile, the M16A2 employed a 1/7" twist. Since that time, two other twists have gained popularity. Service rifle shooters generally use a 1/8" twist to stabilize the 77 and 80 grain projects that are needed for 600-yard shooting. Lastly, 1/9" twists are quite popular as a nice compromise twist that works well with bullets in the 55-75grain range. If you want to shoot varmints at 250 yards, select the 1/12" twist and use bullets in the 45-55grain range. If you are interested in high power competition, then the 1/8" twist using 77-80 grain bullets is optimal. Finally, the 1/9" twist if you want to try a little of both.

I like lever action rifles in 357 magnum caliber. My first one was a Marlin 1894. It had a twist rate of 1/16". This is the same twist rate as the much older 35 Remington cartridge and rifles. This twist rate was optimal for the big heavy 180-220 grain bullets that the 35 Remington used. As I found out in reloading for this rifle this twist rate was too fast for the lighter bullets that are used with the 357 Magnum. I had a difficult time getting the accuracy I wanted or at least expected because the case capacity is such that you can't get the needed velocity using 180 grain bullets. Rossi makes a Winchester 92 clone in 357 magnum and I have one. It sports a barrel with a 1/30" twist. This is more like it. I have found that it does well with 125-158 grain bullets that are commonly used for reloading in this caliber.

In summary, barrel twist is an important when purchasing a rifle. Knowing about it will help you select the best bullets to get the maximum performance out of your current rifle.

2025 DSC Smallbore Silhouette League

LEAGUE TYPE:

NRA Smallbore Rifle Silhouette: Silhouette Rifle and Hunting Rifle categories
see <https://competitions.nra.org/media/7825/nra-silhouette-rifle-rulebook.pdf> for official rules.

DATES:

Every Tuesday and Saturday, 5/03/25 through 9/30/25, excluding Holidays.

LOCATION:

DSC 200-yard Rifle Range, 49800 Dequindre, Utica, MI

STARTING TIMES:

Tuesdays: Shooting begins at 5 p.m.

Saturdays: 4:30 p.m. sight-in begins. Shooting begins at 5 p.m.

COURSE OF FIRE:

The NRA Smallbore Rifle course consists of:

10 chickens at 40 meters

10 pigs at 60 meters

10 turkeys at 77 meters

10 rams at 100 meters

Each set of animals is shot in two banks of 5, one shot at each target. There is a time limit of 2 minutes and 30 seconds to fire 5 shots. All shooting for score is from the offhand position. No slings, shooting gloves, or shooting jackets are allowed.

REGISTRATION/FEES:

The Silhouette league fee is \$50. The league fee covers the league banquet with door prizes for the member. The banquet is normally held the first Saturday in December. An Associate Membership is \$50. Range Fees are \$6 for Work Hour Members, \$8 for Members, and \$14 for Associate Members. The non-member range fee is \$20. If a Member or an Associate Member wishes to participate in the High Power, Sporting Rifle or Small Bore leagues, no additional league or membership fees will be charged.

LEAGUE SCORING:

League Membership and a minimum of 8 scores are required to qualify for an Award Certificate. A competitor's highest 8 scores will be used to determine league standings. Award Certificates will be given to the League Members that score the highest in the Master, AAA, AA, and B classes in both Smallbore Rifle and Smallbore Hunting Rifle. Spotters are strongly encouraged, as they can really help shooters improve their performance. Practice scores may be shot, but league members shooting for record have priority. All record scorecards must be turned in to the R.O. upon completion of the match.

NOTE: This is a lot more fun and relaxed than the formal rules make it sound. Come and try it!

For more information contact Bob Seidl at 586-484-8404 or rjseidl@hotmail.com.

DETROIT SPORTSMEN'S CONGRESS ~ GENERAL MEMBERSHIP MEETING ~ April 2, 2025

President B. Saylor: Recognized the past presidents and life members present. While spring is not yet here consistently, outdoor activities/ranges will be opening soon needing member help with the necessary work bees – help is needed! He also mentioned the recent range building plumbing issue where a pistol magazine was carelessly flushed down a men's toilet – necessitating \$1,000 in repair costs (this magazine is now posted for sale at \$1,200!). President Saylor also stated that DSC would be re-instituting "member of the year" award (see below for the recipient)

1st Vice President: (J. Klobuchar) Stressed that member volunteer help is urgently needed for the multitude of upcoming projects around DSC. He frankly stated that the volunteer members from prior years are getting worn out and can no longer contribute as they have in past years. Examples of these projects/needed work are completion of the Juengel road fence (will likely have to be contracted out); and he also mentioned that snow plowing/salt application will now be contracted. In some cases, like berm maintenance and the Juengel road fence, DSC is required to maintain them. Mr. Klobuchar also noted that there are lots of "light duty" projects that virtually anyone can do that will benefit DSC. HOWEVER, WITHOUT CONSISTENT VOLUNTEER HELP DSC WILL HAVE TO CONTRACT MORE OF THIS WORK SUBSTANTIALLY RAISING CLUB OPERATING COSTS. A member questioned if there was a centralized list of planned work bees & projects needing help. DSC projects will be listed on the website, and workbee information can be attained by contacting the committees directly.

2nd Vice President: (R. Plante) No report.

Secretary's Report: (T. Crockatt) The March GMM minutes are available and in the April P&K and at the bar.

Treasurer's Report: (R. Savo) February financials: BOD approved. Feb: income = \$103,836; expenses = \$72,872; net = \$30,964. YTD: income = \$266,269; expenses = \$144,179; net = \$122,090. Mr. Savo mentioned that the February report was not fully reflective of yet-to-go spring expenses as activity ramps up. He also reinforced Mr. Saylor's and Klobuchar's comments regarding the critical need for members to volunteer to help mitigate rising costs

Trustee: (T. Murphy) No report.

Trustee: (E. Silarski) No report.

Trustee: (C. Salo) No report.

Chairman's Report: (J. Lupi) BOD met on March 24 with these business items discussed:

To pay deposit on 50 tickets (\$380) to hold date of 1 Aug. 2025 for United Shore Professional Baseball League baseball game fundraiser at Jimmy John's Field in Utica - APPROVED

To raise public camping rates for the 2025 season (as stipulated in the motion) - APPROVED

To approve of the nomination of Mark Mendola (DSC Member #2505) for Life Membership in the DSC - POSTPONED

To approve If an RSO/RO shoots, while working as Open Shooting RSO/RO's, only the \$1 environmental fee will be collected from RSO/RO's (based on the conditions stipulated in the motion) – APPROVED

Operations Manager: Ms. Palmer and Ms. Studer thanked all attendees for coming for dinner. Friday night fish fries are back - reservations required – call the office (& see flyer in the P&K). Ms. Palmer mentioned DSC had an unannounced ATF inspection. Mr. Savo relayed that it went well with no substantive issues.

Member of the Month: March member of the month is Bob Savo.

Member of the Year: Mark Mendola.

New Members: No new members present.

Committee Reports:

Archery: Indoor JOAD runs through May 5, with outdoor starting April 23. Spring 3D league starts April 28. 3D range Sunday open shooting begins May 4 (9am – 3pm) – with last shooter out by 2pm. After July 4' 3D open shooting on Saturdays may start up depending on turn out. DSC hosted the 3rd leg of the Souper Shoot put on jointly with Frankenmuth's Forest Archers and Oakland County Sportsmen's Club. The DSC event had 61 participants who enjoyed the soup and the shoot.

Black Powder: Monday open shooting (6 – 8pm) is still in the basement range through April – then moving outdoors. Tuesday mini rendezvous are still on-going. The woods walk George Wildrick service rifle shoot is May 17.

Camping: Campground is now open; however, the water has not yet been turned on. Campers meeting is Sunday Apr. 6.

Clubhouse: Mr. Klobuchar thanked Ms. Palmer and Studer for the evening's dinner (fantastic onion soup!)

Life Member: The June 8 dinner meeting is at 2 pm in the clubhouse – dinner to follow the short meeting. Mr. Estes gave a summary of the process to nominate a life member, and the exceptional contributions it is based on.

Cowboy: Cowboy is practicing outdoors Saturday's 10 – 12:30 (on Apr. 8, 12, and 19). April 26 at 9am will be target set-up for the following shoot.

Membership & Show, Conservation: Next new member orientation is Apr. 13 at 1pm in clubhouse.

Conservation topics: Dequindre road cleanup is 4/26 with new township rules – see recent email for those details – requires per-event signup now. DNR has a new boating ap (MIPFF) that gives real time facility availability. CWD has been found in Washtenaw and Osceola counties. Cougar cubs have been recently confirmed in MI – location is being kept secret.

DNR said that seasonal fishkill is expected with the seasonal change. Michigan Annual solid waste report contained the alarming news that Michigan accepts 3.5 million tons from Canada & other states that goes into Michigan landfills. EGLE has a grant to study re-purposing used tires. DNR April meetings are online – see the DNR website for details. Michigan has set a new state record for forestry products exports. Saugatuck Brewing Co. has a fundraiser to protect lake sturgeon. Michigan birding tour dates are on the DNR website. DNR has made grants to animal shelters around the state. DNR's forestry legacy program is looking for bequeaths to the state. DNR's April webinar schedule is posted on their website. DNR reported on 2 recent SAR incidents that could have been prevented by adhering to the sound outdoors principles (not going alone and leaving your plans with others). DNR reports that many forest roads/trails, and even some campgrounds, will be closed for some time due to the recent weather event mid-state and north – so check ahead .

Education: Mr. Barber and Mr. Crockatt summarized the upcoming pistol, CPL, and CPL refresher classes scheduled for April and May. Hunter's education is Apr. 12 & 13. The AR15 basic rifle clinic will be Saturday, May 17. (consult the P&K and website for details on all classes being offered). A member requested that Education and Black Powder coordinate their mid-May events to prevent overlap.

Promotion & Photography: Mr. Pierce commended Mr. Silarski for his efforts to keep the website and Facebook page updated. Reminder to contact Mr. Pierce for photos of your events.

Pistol: Open shooting is still indoors (through April) from 10am – 2pm) – see P&K for dates and times – and note that there will not be open shooting on Sunday Apr. 13 & 20. Outdoor pistol starts in May – depending on weather (work bee planned for Sunday Apr. 27 at 7am prior to the season's first steel match). The winter Leagues (PPC, bullseye, etc) have now ended – but are still practicing Thursdays 5pm – 7pm. USPSA match for April is cancelled due to Easter conflict. Junior SASP will start on May 7 (running through August) on Wednesday evenings (junior version of USPSA with .22s). Quotes have now been received for the basement range backstop project – a preparatory work bee to be scheduled. Committee meetings are the first Monday of the month – next is Apr. 7 at 7pm.

P&K: Articles and photos (with captions and full names) are always needed for the P&K - submissions are due by 10th.

Rifle: Air gun league is wrapping up in the archery building, with Mr. Dawson leading rifle, and Mr. Surratt leading pistol. The recent potato shoot saw Russ Bradford and Corey Salo take adult honors, and our Juniors were also well represented. Rifle work bee is scheduled for Apr. 12 9am – 12pm, and help is needed. Apr. 19 will be the annual Easter egg shoot at 9am (200 yds prone: \$10 adults/\$5 juniors, \$5 pot fees – 3 prizes awarded). A 250th Patriots' Day shoot is scheduled Apr. 19 at 1pm (50yds & 20 shots: \$10 adult/\$5 junior, and \$5 pot fees). May 4 will be a VE day shoot: 20 shots prone @200yds / 20 shots standing @100 yds (\$20 fee plus an extra \$10 to re-shoot). Open shooting is Sundays 11am – 3pm. Next committee meeting is Apr. 4 at 7:30pm

Skeet & Trap: See Rick Trawinski for details on the registered shoot Apr. 25 & 26, and the Wednesdays 12 gauge mini shoots. S&T will be closed Apr. 17 for the conference SCTP shoot.

Sporting Clays: Open per the published schedule; EXCEPT May 17 for the SCTP conference shoot.

WOA: Starting in May, WOA will again host Monday night open shooting 6pm to dusk; and skeet & trap Friday nights 4pm – 8pm (last round starts at 7:30pm). Next meeting is Apr. 10 at 7pm in range building.

Website & Facebook: Mr. Silarski mentioned that our Facebook page also has the DSC events – but shotgun events were yet to be posted. Submit articles and photos (with captions), and report committee changes to website (Mr. Silarski) and P&K.

Work Hours: Available next 1-2 days. Print full name legibly, fill in all entries, and use correct member number!

Member Comments: Mr. Savo reported that he and Mr. LaBounty have the clubhouse generator installed and operational. He noted that only key functions can be generator supported (including the beer cooler!). Mr. Estes requested a volunteer to coordinate the annual sporting goods show as the prior coordinator has moved away.

Old Business: (none)

New Business / Comments: Mr. Klauza asked when the rifle range berm project would be completed – Pres. Saylor replied it was still TBD.

Monthly member drawing: Dave Philp – not present .

50/50 drawing: Won by Mr. Pierce.

Meeting Adjourned: motion approved at 8:07pm

Submitted by:

Terry Crockatt, Secretary

P & K Submissions are due the **10th** of every month. Editable format only accepted.

German WWII Surrender 80th Anniversary Shoot

May 4, 2025 ~ Noon – 2 p.m.

Germany announced their surrender May 4, 1945. The official signing of the surrender documents was May 7, in Reims, France, with the end of operations taking effect May 8, 1945.

This commemorative shoot for the end of the war is for WWII military rifles. They can be from any nation, but they have to have been used in WWII. Therefore, M1As, ARs, SKS, AKs and they like are not allowed. You may still shoot one for fun, but will not factor into the final results.

Course of fire: 20 shots prone at 200 yards and 20 shots standing at 100 yards, slow fire.

Carbines and like are 20 shots prone at 100 yards and 20 shots standing at 50 yards, slow fire.

There will be a 10 minute unlimited shot, sighting period prior to the match start at competitor's choice of distance. Sight adjustments are not allowed between stages. Service rifle equipment allowed.

Targets: SR target at 200 yards and the SR-1 target at 100 and 50 yards.

Fees: \$20 for the first gun and \$10 each for any additional guns.

This is Match #1 of a two part series. The second part is the Japan surrender shoot Aug. 17, 2025. You do not have to shoot both parts. Each match is a separate match. Both matches will be combined to find an overall champion.

Attention Veterans

We need your Help

For Memorial Day at the DSC Campground,
a ceremony is held honoring our Veterans.
Members lost this past year are also recognized.

Ceremony consists of placement of wreath, cadence, raising and lowering of flags,
presentation of arms and Taps. This has been a tradition for many years and we would
like to include as many veterans as possible. If you would like to participate in this very
special event please call, text or email:

Shelly Howell (Campground Treasurer)

Cell: (248) 840-3503

Email: dblawnllc@gmail.com

Lot #125

Honor Guard will be lead by Army/Airforce Captain Paul Wilson.

Six military members or veterans are needed for color guard to present flags.

Seven military members or veterans are needed to present arms.

One military member or veteran to play taps.

Red shirts are required or uniform/military type apparel if so desired.

Ceremony is at Noon, Sunday, May 25

**** Please note previous Ceremonies were on Mondays,
this year's ceremony will be held on Sunday ****

MCRGO AR-15 RIFLE BASICS CLASS

Have an AR-15 rifle, or interested in learning more about this popular modern sporting rifle? The Detroit Sportsmen's Congress will be conducting the MCRGO 1-day rifle basics class taught using the AR-15 rifle. It is intended for gunowners new to (or interested in) the AR-15 platform, or those who may be looking to enhance their basic rifle skills and knowledge. The class will be taught by DSC rifle instructors dual certified by MCRGO and the NRA. The class starts in the morning with classroom instruction, then moves to the rifle range for afternoon live fire exercises (where the student will receive 1 on 1 coaching from a DSC certified instructor).

CLASS OBJECTIVES:

- Review the history, design and key parts and components of the AR-15.
- Review how to disassemble/re-assemble and clean and lubricate the AR-15.
- Review ammunition availability and compatibility for the AR-15.
- Review the fundamentals of rifle shooting and marksmanship which apply to all rifles.
- Understand rifle safety, handling and storage which applies to all rifles.
- Understand rifle sight in and zero, including off-set, which applies to all rifles.
- Conduct live-fire range shooting exercises with an AR-15, including range safety procedures.

WHAT TO BRING: your AR-15, 2 magazines, 80 rounds of ammunition, and eye & ear protection. If you need an AR-15 and/or ammunition let DSC know. All triggers must meet 4# limit. No binary or set triggers, no bump stocks. SBRs/AR pistols, or other modifications from a typical "mil-spec rifle" cannot be used for this class.
Your AR-15 should be sighted in at 50 yards prior to the class.

PLACE AND DATE: SATURDAY, May 17, 2025, from 8 a.m. to 5 p.m.

DETROIT SPORTSMEN'S CONGRESS (starts at 8 a.m. in the clubhouse building)
49800 DEQUINDRE ROAD
UTICA, MI 48317 Phone (office): 586-739-3500

COST:

COST IS \$110. Add \$60 if AR-15 rifle and ammo needed.
DSC Members cost is \$85 (plus \$60 as above if rifle and/or ammo is needed)
Jr.'s Accompanied by a parent \$70, guns and ammo included.
TO REGISTER: (PRE-REGISTRATION IS REQUIRED. CLASS SIZE IS LIMITED)
RETURN FORM TO ADDRESS BELOW, PAYMENT DUE AT CLASS (cash/check)

NAME: _____ **AGE:** 21 or older **SEX:** _____

Address: _____ **Phone:** _____

Conservation Pledge

I give my pledge as an American,
to save and faithfully defend from
waste, the natural resources of my
country, its air, soil and minerals,
its forests, waters and wildlife.
