Next General Membership Meeting Oct. 1, 7 p.m.

September 2025 Volume 79 ~ Number 9

Tong Tong displays her 3rd place medal.

Juniors

SCTP Nationals

The DSC Junior Shotgun Program was well represented at the Scholastic Clay Target Program Nationals at the Cardinal Center in Ohio, July 7-20.

Many of our competitors shot under brutal conditions of rain delays and then having to double up and shoot 200 targets back-to-back in sweltering heat with no breeze.

All competitors gave it their best shot and deserve to be commended. However, first-year competitor Tong Tong had the best result in American Skeet. Tong ended up with a score of 189 out of 200 that placed her 3rd in the Ladies – Senior/Junior Varsity division. Tong was only one target out of a 3-way tie for first.

Congratulations Tong on your effort from all of us at the DSC!

Black Powder

In Praise of Smoothbores Part 2 Buck & Ball

In part one we compared smoothbore trade guns with "Kentucky" rifles. We found that for life on the frontier, the more versatile trade gun was not a bad choice. Now we move forward in time to the end of the muzzle-loading era – the American Civil War.

The firearm most desired by troops on both sides was the 1861 Springfield rifled musket in 58 caliber. A close second would be the quite similar Pattern 1853 Enfield rifled musket from England. These were the elite weapons of the day. They fired the newly developed and ballistically superior Minie ball (i.e. conical versus round ball) that had been developed by a Captain Minie of the French Army.

These rifled muskets promised the accuracy of the rifle with the rapidity of fire of the smoothbore musket. Minie balls were made slightly under bore size for easy loading but

Election

Hello fellow DSC members!

I am Bob LaBounty the 2025 DSC Election Chairman. At this time, I am looking for commitments from committees for individuals to serve on the election committee. Either the committee chairman or the individuals themselves can email me at rlabounty1956@gmail.com to get on this committee.

I also need nominations for one trustee and six director positions on the board! As I'm sure you are aware, the operation of your club requires many dedicated members. Our club needs you to step up to these positions in order to guarantee it's continued smooth operation!

Committees, please search your ranks for dedicated DSC members willing to work for the continuous success of the DSC and nominate them! Members at large, you can contact me at the same email to submit a nomination. I need these names submitted to me before the September general membership meeting!

As to the requirement for these positions, the individuals need to have been a member, in good standing, for at least one year.

Time is short! Please help make the DSC the best it can be. Thank you!

September is Suicide Prevention Month

NSSF is working diligently to provide the firearm-owning community with education about preventing suicide. When guns are securely stored, you create 'time and distance' between a person in crisis and a lethal means. Interrupting access allows time for immediate thoughts of suicide to pass and connecting to care. During Gun Storage Check Week, take a moment to check on your firearm storage to ensure you're preventing unwanted access. Join our efforts to 'Make Sure It's Secure!'

Joe Bartozzi
President and CEO, NSSF

COWBOY ACTION SHOOTING

PRESENTED BY THE ROCKY RIVER REGULATORS AT THE DETROIT SPORTSMEN'S CONGRESS

COWBOY RANGE 42°39'25.9"N 83°05'08.8"W

Sunday, Sept. 21, 2025

Match Schedule of Events

Registration:	8:30 to 9:30 a.m.
Safety Meeting / Match	9:30 .am.

Categories and Rules as defined by The Single Action Shooting Society

Basics Requirements

Cowboy and Cowgirl Dress requested
Two Single Action Revolvers, at least 32 Caliber
Lever Action (or pump action) Rifle
Pistol Caliber, at least .38 Caliber
Shotgun (double barrel or pump), at least 20 Gauge
Lead Bullets Only
Match guns have to be originals or reproductions of guns made before 1900

Course of Fire

There are usually five stages. The total round count for all five stages is usually:

50	Pistol	10 at each stage
50	Rifle	10 at each stage
20 +	Shotgun	4 + at each stage

Match Fees:

Junior	$5.
DSC Member	$10
Wolverine Ranger	$15
Non-Member	$20

Information:

have a hollow base with soft skirts that expanded to fit the rifling thus achieving the accuracy of a rifle. These rifled muskets were the cutting edge of technology in 1861 and everyone believed that they were superior to the 1842 69 caliber muskets they replaced. But were they better?

To answer this question, reference is made to Claud E. Fuller's book, "The Rifled Musket" (Bonanza Books, 1958). In that book, on pages 55-148, is a copy of a War Department report dated Feb. 1, 1860. The title is "Records of the Firing and Opinions of the Board Assembled at the Washington Arsenal for the Trial of Small Arms according to Special Order No. 23" The report tested many firearms but for brevity, I have condensed the data to cover only the 1861 rifled-musket and the weapon it replaced, the 1842 smoothbore musket. This data is summarized in the table below.

In the test, 10 men fired 5 shots at a 10' by 10' target at various distances out to 500 yards. While the data is reported out to longer ranges, I have reported only the 100 and 200 yard results. At longer ranges, it is conceded that the ballistically superior Minie ball will score better that a round ball. However, Civil War combat musketry generally ranged from a low of 68 yards to high of 141 yards (Paddy Griffith, "Battle Tactic of the Civil War", Yale University Press, New Haven, CT, 1989, p.147) making the 100 and 200 yard data the most relevant.

The simplest comparison is that of the Minie Ball versus a single round ball, it is no contest. At 100 yards, the rifled-

Cowboy

Cowboy Match Results:

July 26 – Cowboy Action Match. Twenty shooters participated. Overall top three DSC Cowboys as follows: (1) Shelby Kid-Kerry Hammer, plus a Clean Match. (2) J. J. Longley-Joe Lupi and (3) Rifle Rick-Rick Nakula. Clean Matches were also held by: Camptown-Tom Doudna; Jack Holladay-John Martiniak; John Weston-Chris VonWormer and Rochester Kid-Jerry Romito.

Cowboy Schedule of Events for September:

Monday, Sept. 1 – Labor Day

Saturday, Sept. 20 – 9 a.m. Target Set Up. 10 a.m. Committee Meeting

Sunday, Sept. 21 – Cowboy Action Match. Registration 8:30 a.m. Mandatory Safety Meeting & Match Start at 9:30 a.m.

COWBOY PRACTICE EVERY SATURDAY FROM 10 a.m.TO 12:30 p.m.
AND WEDNESDAY FROM 6 p.m. TO DUSK

Wild West Entertainment – American Dime Novels 1860-1915

A forgotten form of entertainment in today's world of literature is the American Dime Novel. The publishers of dime novels pitched their books toward the less educated and less avid readers of the time. Dime novels were inexpensive, paperback, melodramatic stories of adventure that were popular from the end of the Civil War to about 1915. They often featured a western theme and cost a nickel or dime. The stories were simple and straight forward and told in a simple language that recalled concrete pictures and people for the readers. There were no mind games or complicated plots, only simple story telling. They told stories of cowboys in the Wild West, outlaws, bandits and train robbers. These novels were ethically sound, promoting good character and strong moral values. One of the best authors of dime novels was E.Z.C. Judson, who based some of his stories on his own adventures. Judson wrote under the pseudonym Ned Buntline, a known associate of Wyatt Earp.

SOURCES: (1) Picture, Britannica.com; (2) Story, Britannica.com and history.org (Historical Association).

Detroit Sportsmen's Congress members, family and friends attended the annual fundraising baseball event, the Aug. 1, 2025, game featuring the Eastside Hoppers and the Birmingham-Bloomfield Beavers at the United Shore Professional Baseball League Stadium in Utica, Mich.

Attendees experienced many perks, including presenting the giant American Flag before the game, game seating on the left field patio area, taking photos with Hopper team players, enjoying a BBQ buffet and a group photo on the field.

The fundraiser garnered $320 for DSC junior programs.

Above: The DSC group poses for their annual photo at Jimmy John's Stadium in Utica, Mich., Aug. 1.

Below: Guests unfurl and hold the giant American flag Friday, Aug. 1, 2025 before the singing of the American Anthem in Utica, Mich.

Black Powder cont. from page 5

musket hits were more than 90% while that for the single round ball was in the 60-80% range. Moving out to 200 yards, hits for the rifled-musket are around 70% while the smoothbore musket hits have dropped to less than 50%. Case closed, rifled muskets are superior.

Not so fast! Let's compare the smoothbore with the "Buck and Ball" load with the Minie load. The "Buck and Ball" load contains both the standard round ball and three smaller round balls of approximately 30 caliber. When this load is fired at 100 yards the results are impressive. Instead of 48-50 hits with the Minie Ball, the buck and ball hits are close to 110! That's devastating firepower. Of course, when we move to 200 yards, the hit probability goes down and as noted in the report a lot of the buckshot failed to penetrate the soft pine target at this range. This then sets the maximum range of the Buck and Ball load somewhere between 100 and 200 yards. As noted above, Civil War combat ranges rarely exceeded 150 yards. Given that fact, it would seem that the Smoothbore Buck and Ball load is more combat effective at typical combat ranges.

As stated earlier, the Minie ball is more effective at longer range. However, the Minie ball in the standard military load has a muzzle velocity of only 900 feet per second. That's pretty damn slow and the resulting trajectory is rainbow shaped. If we zero our rifled musket at 100 yards, the resulting drop at 200 yards is 51". You have quite a holdover if you want to hit something at 200 yards or more. No problem, if you are an experienced shot, shooting on the target range at known distances. Add the stress of combat, calculations and a foe on the move, long range shots become problematic.

While the rifle-musket was an improvement over the old smoothbores, the data suggests that soldiers using the old smoothbore muskets with "buck and ball" were not badly armed. It would take the invention of and widespread adoption of breech loading rifles firing metallic cartridges to relegate the smoothbores to the scrap heap.

Distance	Fire Type*	Rifle	Cartridge	Shots	Hits
100 yards	Volley	1861 Rifled Musket	Minie Ball	50	48
	Volley	1842 Smoothbore Musket	Round Ball	50	37
	Volley	1842 Smoothbore Musket	Buck & Ball	50	36 RB, 79 Buck
	File	1861 Rifled Musket	Minie Ball	50	50
	File	1842 Smoothbore Musket	Round Ball	50	35
	File	1842 Smoothbore Musket	Buck & Ball	50	35RB, 82 Buck
	Skirmish	1861 Rifled Musket	Minie Ball	50	50
	Skirmish	1842 Smoothbore Musket	Round Ball	50	43
	Skirmish	1842 Smoothbore Musket	Buck & Ball	50	31RB,84 Buck
200 yards	Volley	1861 Rifled Musket	Minie Ball	50	32
	Volley	1842 Smoothbore Musket	Round Ball	50	18
	Volley	1842 Smoothbore Musket	Buck & Ball	50	18RB, 31 Buck**
	File	1861 Rifled Musket	Minie Ball	50	37
	File	1842 Smoothbore Musket	Round Ball	50	20
	File	1842 Smoothbore Musket	Buck & Ball	50	22RB, 23 Buck**
	Skirmish	1861 Rifled Musket	Minie Ball	50	41
	Skirmish	1842 Smoothbore Musket	Round Ball	50	24
	Skirmish	1842 Smoothbore Musket	Buck & Ball	50	20RB, 19 Buck**

*Fire Type: The Report author used these terms to describe firing of 5 rounds by 10 men. In "volley fire", the men load and fire simultaneously and then repeat the process as quickly as possible until all 5 rounds are fired. In "fire by file", the men load and shoot individually as rapidly as possible until all 50 rounds are fired. In Skirmish fire, the men load and shoot with deliberate aim without regard to time.

**At 200 yards some of the buckshot did not penetrate the soft pine board so is considerably less effective.

Walter Opdycke

DETROIT SPORTSMEN'S CONGRESS ~ GENERAL MEMBERSHIP MEETING ~ AUG. 6, 2025

President B. Saylor: Recognized the past presidents and life members present. Mentioned 2 repairs were made: clubhouse chimney ($1300), and trap housed walls ($2800). There are lots of projects for members to get work hours – especially painting. Commented on member feedback that general membership meetings were boring vs. past meetings. General membership meeting is not intended to primarily be entertainment. Can't get free/volunteer speakers as before (and political subjects not allowed).

1st Vice President: (J. Klobuchar) Again stressed that member volunteer help is always needed for the multitude of projects around DSC – good way to get work hours. Another work hour opportunity is to help out at events like the .22 steel matches (don't need to be an RO). See him or contact committees to see what you can do. Mr. Estes was thanked for organizing the painting projects – another easy way to get work hours.

2nd Vice President: (R. Plante) Not in attendance.

Secretary's Report: (T. Crockatt) No report.

Treasurer's Report: (R. Savo) June financials: BOD approved

Jun: income = $79,717; expenses = $86,299; net = $(8,583)

YTD: income = $650,078; expenses = $501,442; net = $148,636

Mr. Savo cautioned that net income YTD is down vs. prior 3 years while expense are up – a concerning trend. Also mentioned the many opportunities for work hours. Mentioned that John Barber's 90 year old father recently passed. General membership meeting financials and minutes are always behind the bar.

Trustee: (T. Murphy) Trustees met and are developing the 2026 budget proposals.

Trustee: (E. Silarski) No report.

Trustee: (C. Salo) Not in attendance.

Chairman's Report: (J. Lupi) The BOD met on June23 & July 28 with these business items discussed:

(June) Motion to re-surface campground basketball court was not approved.

(July**)** Motion to approve purchase of rubber for the basement range. Cost not to exceed $11,000 – APPROVED

(July) Motion to approve rebuilding the 3 collapsed walls of skeet field #1 trap house – cost $2,800. APPROVED

(July**)** Motion to approve repair of the clubhouse chimney brick – cost $1,300. APPROVED

Chairman Lupi also mentioned a recent incident report was lacking key info and reinforced the need for completeness. Mr. LaBounty was announced as this year's elections committee chair, and requested reps from each of the committees to help him. He also requested nominations from the committees. Six directors and one trustee are up this year.

Operations Manager: Ms. Palmer mentioned the upcoming rib dinner Aug. 15 – reservations required.

Member of the Month: July member of the month is Mike Scheny. August member of the month is Ralph and Joan Holloway.

New Members: One new member present: Mr. Kevin Scheid was welcomed.

Committee Reports:

Archery: Now open on weekends Sat. & Sun. – participation is down however. 3D league is on-going. Have partnered with 2 other clubs for a 3 club shoot and BBQ.

Black Powder: Monday open shooting (6 – 8pm/dusk) on the rifle range. First and third Thursday shooting on the pistol 50 yard range (6pm – dusk). Next woods walk pistol) is Aug. 10. Tuesday mini rendezvous are still on-going.

Camping: No report.

Clubhouse: Mr. Klobuchar stated that clubhouse events are being considered for the fall/winter. Recent events had mixed attendance, so member event ideas are welcome.

Life Member: No report.

Cowboy: Cowboy is practicing outdoors Saturday's 10 – 12:30 except for match weekends. Starting Wednesday May 14 and continuing through summer, there will also be shooting from 5:30 to dusk. Match Aug. 17 with target setup Aug. 16. Wild bunch shoot setup will be Aug. 23 with match Aug. 24. Mr. Estes also mentioned several of the painting projects needed (parking bumpers, gas pipes, Juengel road signs, trap range etc – sporting clays needs painting as well, mentioned by President Saylor).

Membership & Show, Conservation: Next new member orientation is Aug. 17 at 1pm in clubhouse. Numerous conservation topics from DNR – see Mr. Duey with questions or more info.

Education: No August NRA pistol, CPL, or CPL refresher classes.

Promotion & Photography: Mr. Pierce commended Mr. Silarski for his efforts to keep the website and Facebook page updated. Reminder to contact Mr. Pierce for photos of your events.

Pistol: Open shooting (Fri – Sun) is outdoors unless inclement weather, with USPSA match every 3rd weekend. USPSA practices every Tuesday. In September PPC and bullseye leagues start indoors. SASP continues Wed. evenings through August. Juniors will start indoors again in September.
P&K: Articles and photos (with captions and full names) are always needed for the P&K - submissions are due by 10th.
Rifle: Summer leagues are on-going. Silhouette league lead shooters are Mr. Rhodes and Mr. Parsons. Mr. Parsons is also leading in the prone and service rifle leagues. July 13 was a precision rifle match where Walt K. had a perfect score. Mr. Pierce also led in rimfire. Aug. 17 will be a WW2 surrender commemorative shoot (20 prone/20 standing). Aug. 24 will be a 200 yard Springfield shoot. Open shooting is Sat & Sun 11 a.m. – 4 p.m. Next committee meeting is Aug. 7.
Skeet & Trap: Activities on-going: 5 stand league runs through end of September. 800 target leagues runs into October. Sept. 6 is a fun shoot with 5-stand, skeet, and trap. DSC had several of our juniors at the nationals, with 1 young lady winning bronze. Always looking for interested juniors to join the SCTP program.
Sporting Clays: See the P&K or website for open times.
WOA: Again hosting both Monday night open shooting 6pm to dusk; and skeet & trap Friday nights 4pm – 8pm (last round starts at 7:30pm). Next meeting is Aug. 14 @ 7 pm in range building.
Website & Facebook: As always, submit articles and photos (with captions), and report committee changes to website (Mr. Silarski) and P&K.
Work Hours: Done and available next 1-2 days. Print full name legibly, fill in all entries, and use correct member number!
Member Comments: None.
Old Business: None.
New Business / Comments: None.
Monthly member drawing: Mr. Frank Owczarek.
50/50 drawing: Won by Mr. Mark Mendola.

Meeting Adjourned: Motion approved at 7:57 p.m.

Submitted by:
Terry Crockatt, Secretary

Archery

Feels like the summer is almost over and the kids are back in school. I can't believe it is September already. Time flies when you are shooting archery.

Last month, the Archery Committee hosted the DSC leg of the BBQ 3D shoot. This is the 2nd year DSC has collaborated with Royal Oak Archers and Oakland County Sportsman's Club for this event. Each club hosts a 3D shoot and there are prizes for the top combined scores from all 3 events. For the DSC leg of the BBQ shoot, we had 32 people attend. This was great to see and hopefully gets some of them coming back to DSC.

The archery committee is winding down for 2025 and the Archery Fall 3D league ends Sept. 15 with a banquet including food and prizes. JOAD will also wrap up with their banquet Sept. 10.

Open shooting for the outdoor archery will continue through the end of September Saturdays and Sundays from 9 a.m. – 2 p.m. Assuming we can find range officers to support. Hope to see some new faces on the archery ranges as we get closer to the start of the archery deer season. Overall the turnout has been dismal for the open shooting.

As far as coming events, there is nothing planned for October or November. December will have the Toys for Tots indoor 3D shoot which is always a great time.

Jamie Ploof

Practice now for the season.

P & K Submissions are due the **10th** of every month. Editable format only accepted.

Clinton River Muzzleloaders Present:

A 22 Rimfire Rifle Woods-Walk Shoot

Saturday, Sept. 20, 2025

The Clinton River Muzzleloaders are hosting a 22 rimfire rifle woods-walk on the Primitive Range in Delaney Park at the Detroit Sportsmen's Congress. This is a fun shoot for 22 rimfire (S,L and LR) rifles. Rain out date is Saturday, Sept. 27, 2025

Registration: runs from 10 - 11:30 a.m.

Firearms with non-removable magazines will be loaded at the firing line only. Removable magazines may be loaded between stations but not inserted until the shooter is at the firing line.

Four divisions; Adult – Iron Sights and Optical, Junior – Iron Sights and Optical.

Re-Entry for another division is allowed

Junior division is for children 16 and under and must be accompanied by an adult.

Course of fire is five shots each on 10 hanging steel targets at various distances between 20 and 60 yards in the woods. Range Officer scoring decisions are final.

Fee: $10 per shooter. Children 16 and Under: $5.

For Safety Reasons, NO 22 MAGNUM or 17 Rimfire AMMO!

For additional information, contact Walter Opdycke (wopdycke@mi.rr.com)

2025 DSC FALL AIR GUN TRAINING

RIFLE & PISTOL

October through December

Get out once a week and shoot air guns with friends. This is a 10-week program for both air rifle & pistol. Good inexpensive training in a climate controlled environment. Open to adults and juniors including non-members.

Location: Dean Burnett Indoor Archery Range.

Time: Tuesdays, 6:30 to 9 p.m. First night, Oct. 7, last night Dec. 16. **No shooting Dec. 2** as we have the Toys for Tots Shoot, for which you are welcome to attend.

Equipment: Any air gun of either .177 or .22 caliber is allowed. Sights can be iron or scope. There is no limit on magnification. Red dots are allowed. Pellets only, no BB's.

Course of Fire:
Pistol is 20 shots per target (5 per bull) on the B-40-4 target. Rifle is 10 shots per target (1 per bull) on the AR-5/10 target. Relays will be 20 shots not including any sighters. Pistol will hang one target and rifle will hang two for the required 20 shots. All firing is at 10 meters.

Fees: Range fees are the normal rifle / pistol fees.

Rules: Basically shoot what you have and have fun. If you are interested, here are links to the official rules:
NRA Air Pistol: https://competitions.nra.org/media/9999/2025-international_pistol_rulebook.pdf
NRA Air Rifle: https://competitions.nra.org/media/10004/2025-precisionairrifle_rulebook.pdf
CMP (Air Pistol & Rifle): https://online.fliphtml5.com/ebacv/soqg/#p=1

Questions: More information contact me directly. Corey Salo, 586-944-3600 corey@cdsdes.com

Notes: If you get serious and want to shoot a match, the air gun range at Camp Perry holds "monthly" matches. Upcoming dates are Oct. 11 and Nov. 15. All shooting is on electronic targets and preregistration is required. https://thecmp.org/ranges/cmp-competition-centers/monthly-match-program/ Future preliminary 2026 dates for the Camp Perry monthly matches are March 14, May 9 and June 6. Plus Camp Perry holds additional matches like Winter Air Gun and the Camp Perry Open. There are additional matches also available.
